(a) Prior to the calculation of the VPK Provider Kindergarten Readiness Rate, as described in subsection (4) of this rule, private and public school VPK providers shall have the opportunity to review a cumulative list of all of the children served in their program and the total number of hours enrolled, including allowable absences.

(b) If a private or public provider disputes the accuracy of any figures comprising the cumulative list, the provider may submit corrective information to the Office of Early Learning of the Department of Education within 14 days after publication of the cumulative list on the Department's website (vpk.fldoe.org). The Department, in collaboration with the Agency for Workforce Innovation and the respective Early Learning Coalition, shall review the corrective information and accept or reject the requested corrective information within 28 days after publication of the cumulative list on the Department's website. Upon completion of the corrective process, the Department shall calculate a preliminary VPK Provider Kindergarten Readiness Rate in accordance with the method described in subsection (4) of this rule.

(c) If a private or public school provider disputes the accuracy of the preliminary VPK Provider Kindergarten Readiness Rate as published on the Department's website or if a private provider disputes ownership at the time of the 2006-07 VPK program, the provider may submit documentation to the Department for its review and consideration within 14 days after publication of the preliminary rate. The Department shall review and accept or reject any changes to the data within 28 days after publication. The VPK Provider Kindergarten Readiness Rate will be recalculated in accordance with the method described in subsection (4) of this rule and submitted to the State Board of Education for the purpose of adopting a minimum readiness rate, as required by Section 1002.69(6), F.S.

~~(4)(3)~~ Criteria for Inclusion in the VPK Provider Kindergarten Readiness Rate for ~~2006-07~~ ~~2005-06~~.

(a) After the conclusion of the review of the data described in subsection (2) of this rule, the Department shall calculate the Kindergarten Readiness Rate for each private or public school VPK provider of either the school year (five hundred forty (540) hour) or summer (three hundred (300) hour) program that served at least four (4) children who:

1. Enrolled in the VPK program for seventy (70) percent ~~eighty-five (85) percent~~ or more of the total number of instructional hours, ~~including the allowable absences~~, and

2. Participated in each of the kindergarten screening measures.

(b) If a private or public school provider does not meet the criteria described above, information as to why the provider was not included in the VPK Provider Readiness Rate calculation shall be displayed on the VPK Provider Profile required by Section 1002.53(5), F.S.

~~(5)(4)~~ Procedures for Calculating the VPK Provider Kindergarten Readiness Rate for ~~2006-07~~ ~~2005-06~~.

(a) The “Percent of Children Ready for Kindergarten” shall be calculated as the number “Children Ready for Kindergarten” on each screening measure divided by the total number of “Children Screened” on that measure.

(b) One point is assigned for each percent of “Children Ready for Kindergarten” on each screening measure.

(c) The VPK Provider Kindergarten Readiness Rate shall be the sum of the “Percent of Children Ready for Kindergarten” on each screening measure with a maximum of three hundred (300) points.

(d) The Kindergarten Readiness Rate for private and public school VPK Providers will be displayed as follows:

	Screening Measure #1	Screening Measure #2	Screening Measure #3
Children Ready for Kindergarten	22	15	12
Children Screened	22	20	20
Percent of Children Ready for Kindergarten	100	75	60
VPK Provider Readiness Rate	235		

(e) For children who also participated in the Letter Naming Fluency Measure of the Indicadores Dinamicos del Exito en la Lectura (IDEL), as described in subsection (2) of this rule, the higher of the two (2) Letter Naming Fluency Measures shall be used to calculate the “Percent of Children Ready for Kindergarten” as described in paragraph (5)(d) of this rule.

~~(f)(e)~~ All providers shall be ranked according to their final score.

(6) VPK Provider Kindergarten Readiness Rates.

(a) A change in ownership of a private VPK provider, which occurred at a point in time in which less than seventy (70) percent of the VPK school-year or summer program remained, shall be noted on the Department’s website. For the purpose of this rule, a change of ownership does not include the sale or transfer to family members or persons with a pre-existing ownership interest in the business.

(b) VPK Provider Kindergarten Readiness Rates shall be binding on new private VPK owners if the change of ownership occurred at a point in time in which seventy (70) percent or more of the VPK school-year or summer program remained.

~~(7)(5)~~ Low Performing VPK Providers. If the readiness rate of a private or public VPK provider falls below the minimum rate adopted by the State Board, the provider shall be designated as a low performing VPK provider and acknowledge such designation on the Department’s website within 21 days of the State Board of Education’s adoption of the minimum readiness rate.

(10) “Fiscal Year” means the State’s fiscal year established in Section 215.01, F.S., to begin on the first day of July and to end on the following thirtieth day of June, both dates inclusive, in each and every year; or the fiscal year established by other law applicable to a particular custodian.

(11) “Identification Number” means a unique number assigned and affixed to each item of property to identify it as property held by the custodian and for the purpose of differentiating one item of property from another.

(12) “Property” has the meaning set forth in Section 273.02, F.S.

(13) “Unaccounted for Property” means property held by a custodian subject to the accountability provisions of Rule 69I-72.002, F.A.C., which cannot be physically located by the custodian or custodian’s delegate which property has not been otherwise lawfully disposed of.

The basis of valuation for property items constructed by custodian personnel shall be the costs of material, direct labor and overhead costs identifiable to the project. Donated items, including federal surplus tangible personal property, shall be valued at fair market value at the date of acquisition. Regardless of acquisition method, the cost or value of a property item shall include ancillary charges necessary to place the asset into its intended location and condition for use. (5) Depreciation shall be recorded to meet financial reporting requirements relating to depreciation accounting. (2) Exemptions for Marking Property – Any item of property whose value or utility would be significantly impaired by the attachment or inscription of the property identification number is exempt from the requirement for physical marking. SUMMARY: This emergency rule replaces Emergency Rule 53ER06-04 and sets forth the procedures that the Florida Lottery shall apply to awarding prizes.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Faith L. Schneider, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER07-68 Payment of Prizes.

(1) Claiming Prizes. For purposes of this rule, the provisions for claiming a prize as set forth in paragraph 24.115(1)(f), Florida Statutes, will be deemed satisfied upon the claimant meeting the following requirements:

(a) On-line Game Prizes.

1. For on-line game prizes, the claimant must submit the winning on-line ticket for validation at a Lottery office or retailer on or before the 180th day after the winning drawing. Winning on-line tickets submitted to the Lottery by mail for validation must be addressed to the Lottery's prize payment address in an envelope postmarked on or before the 180th day after the winning drawing.

2. If the claimant is not paid at the time of ticket validation, he or she must submit the validated on-line winning ticket, along with the documents specified in subparagraph (14)(c) below, for prize payment at a Lottery office on or before the 210th day after the winning drawing. If the claimant chooses to submit the validated on-line winning ticket for prize payment by mail, the ticket and all required documents must be sent to the Lottery's prize payment address and received by the Lottery on or before the 210th day after the winning drawing. Failure of a claimant to submit all required documentation, and receipt by the Lottery thereof, on or before the 210th day after the winning drawing shall result in forfeiture of the prize.

(b) Instant Game Prizes.

1. For instant game prizes, the claimant must submit the winning instant ticket for validation at a Lottery office or retailer on or before the 60th day after the official end of the game. Winning instant tickets submitted to the Lottery by mail for validation must be addressed to the Lottery's prize payment address in an envelope postmarked on or before the 60th day after the official end of the game.

2. If the claimant is not paid at the time of ticket validation, he or she must submit the validated instant winning ticket, along with the documents specified in paragraph (14)(c) below, for prize payment at a Lottery office on or before the 90th day after the official end of the game. If the claimant chooses to submit the validated instant winning ticket for prize payment by mail, the ticket and all required documents must be

sent to the Lottery's prize payment address and received by the Lottery on or before the 90th day after the official end of the game. Failure of a claimant to submit all required documentation, and receipt by the Lottery thereof, on or before the 90th day after the official end of the game shall result in forfeiture of the prize.

(2) Prize Payment Address. The Lottery's prize payment address is: Florida Lottery, Claims Processing, 250 Marriott Drive, Tallahassee, Florida 32399-9939.

(3) Risk of Mailing Tickets. A person who mails a winning ticket shall bear the risk that the U.S. Postal Service or other carrier may fail to timely postmark or deliver the ticket to the Lottery, or both.

(4) Winning Tickets Submitted to the Address for a Drawing. Winning tickets submitted to the address for a drawing for a game or promotion will not be paid or honored unless selected during the drawing. The time periods provided in subparagraphs (1)(a)1. and 2. and (1)(b)1. and 2. shall also apply to this subsection.

(5) Unclaimed Prizes. If a winning ticket is not submitted for validation within the applicable time period, or if a validated ticket is not submitted to the Lottery for prize payment within the applicable time period, the prize shall constitute an unclaimed prize and shall be distributed as required by law. Unclaimed prizes shall not be distributed to other winners within the same prize pool.

(6) Free Ticket Claims – Florida Claimants. A person who submits by mail a lottery ticket that entitles the claimant to a prize of a "ticket" or "free ticket" and whose mailing address is inside the state of Florida will be mailed a prize of a ticket as follows:

(a) If the ticket submitted for payment is an instant lottery ticket, the claimant will receive an instant lottery ticket or combination of tickets having the same total retail sales price as the instant lottery ticket submitted for prize payment. The free ticket(s) may or may not be from the same instant game in which the prize was won.

(b) If the prize is a free on-line game quick pick ticket, the claimant will receive a free on-line game quick pick ticket, from the same on-line game in which the prize was won, for the next drawing after the ticket is validated; or if the free on-line game ticket is part of an on-line game multi-play ticket, the claimant will receive prize payment in accordance with the provisions of subsection (20) below.

(7) Free Ticket Claims – Claimants Outside Florida. A person who submits by mail a lottery ticket that entitles the claimant to a prize of a "ticket" or "free ticket" and whose mailing address is outside the state of Florida will receive a check in the amount of the retail sales price of the ticket in lieu of an actual ticket.

(8) Advance Play Ticket Claims – Florida Claimants. A claimant who claims a prize through a retailer or the Lottery on a winning advance play lottery ticket before all the drawings

on the ticket have occurred will be issued a continuation ticket for the remaining drawings with the same play numbers as the original ticket. The original ticket will be recorded as "paid" in the gaming system and the continuation ticket automatically issued for the claimant shall be the instrument from which claims on remaining drawings are paid.

(9) Advance Play Ticket Claims – Claimants Outside of Florida. If a claimant whose mailing address is outside the state of Florida submits by mail an advance play lottery ticket that has drawings remaining that have not yet occurred, the Lottery will hold the claimant's advance play ticket until all the drawings have occurred. The Lottery will then validate the advance play ticket and mail the claimant one payment for the total amount of any prizes won. If an out-of-state claimant requests prize payment prior to the date of the last advance play drawing, the Lottery will validate the ticket, mail the claimant payment for the total amount of any prizes won as of the date of ticket validation, and issue and maintain possession of a continuation ticket for the remaining drawings.

(10) On-line Game Ticket Validation.

(a) In order to be a valid on-line winning lottery ticket, the ticket must be identifiable as a Florida Lottery ticket and have either a complete, legible Transaction Serial Number ("TSN") or a readable bar code. To the extent that a ticket is not identifiable as a Florida Lottery ticket or does not have a TSN or bar code, the ticket will be invalid. The Florida Lottery will not attempt to reconstruct any tickets received in multiple pieces.

(b) The ticket must not be counterfeit in whole or in part.

(c) The TSN of an apparent winning ticket must validate on the Lottery's gaming system, and must not have been previously paid.

(d) The ticket must pass any additional validation tests determined necessary by the Florida Lottery. For security reasons, some validation tests may be confidential in nature.

(e) Any ticket not meeting the criteria set forth in paragraphs (10)(a) through (d) above is ineligible for any prize and shall not be paid as a winning ticket. In the event a defective ticket is purchased, the only responsibility or liability of the Florida Lottery shall be the replacement of the defective ticket with an unplayed ticket or tickets of equivalent sales price from a current Florida Lottery game, or refund of the retail sales price.

(11) Instant Game Ticket Validation.

(a) In order to be a valid instant winning lottery ticket, the ticket must be identifiable as a Florida Lottery ticket and have either a complete, legible validation number (sometimes referred to as "Void If Removed Number" or "VIRN"), or a readable bar code. The Florida Lottery will not attempt to reconstruct any tickets received in multiple pieces.

(b) The ticket must not be counterfeit in whole or in part.

(c) The validation elements must not be altered or tampered with in any manner.

(d) The ticket must not appear on any list of omitted ticket stock on file at the Florida Lottery.

(e) The ticket must not have been stolen.

(f) The ticket must have been issued to a retailer by the Florida Lottery in an authorized manner.

(g) The validation number of an apparent winning ticket must validate on the Lottery's gaming system and must not have been previously paid.

(h) The validation elements of a ticket must not be misprinted or illegible.

(i) The ticket must pass any additional validation tests determined necessary by the Florida Lottery. For security reasons, some validation tests may be confidential in nature.

(j) Any ticket not meeting the criteria set forth in paragraphs (11)(a) through (i) above is ineligible for any prize and shall not be paid as a winning ticket. In the event a defective ticket is purchased, the only responsibility or liability of the Florida Lottery shall be the replacement of the defective ticket with an unplayed ticket or tickets of equivalent sales price from a current Florida Lottery game, or refund of the retail sales price.

(12) Disputes Regarding the Amount or Validity of Ticket.

(a) Players shall be instructed by a retailer or the Lottery to file a claim when any dispute arises between a player and a retailer regarding the amount or validity of an apparent winning ticket or when an apparent winning ticket will not validate using the terminal.

(b) In the event a dispute between the Florida Lottery and a ticket bearer occurs as to whether a ticket is a valid winning ticket, or as to the prize amount of a valid winning ticket, the decision of the Florida Lottery shall be final. If the prize is not paid on a disputed ticket and the basis for the dispute is attributable to the Florida Lottery or its ticket vendor, the Florida Lottery will replace the disputed ticket with an unplayed ticket from the same game or with a ticket from another game of equivalent sales price. This shall be the sole and exclusive remedy of the bearer of the ticket.

(13) Winning Tickets Valued at Less than \$600. Payment of any winning ticket valued at less than \$600 that is submitted to a Lottery retailer, Lottery district office or Lottery Headquarters shall be made to the claimant upon successful ticket validation. Upon request by the Lottery, the claimant shall file a Winner Claim Form in accordance with the provisions set forth in paragraph (14)(c) below.

(a) Payment by Retailers.

1. Winning tickets of \$50 or less that are submitted to a retailer shall be paid in cash by the retailer unless:

2. Winning tickets with a value greater than \$50 but less than \$600 that are submitted to a retailer shall be paid by cash, check, or money order.

3. No charge or fee shall be imposed by a retailer on a player for paying a winning ticket. This prohibition includes charging a fee for a money order issued to the player in payment of a prize when that is the only method of prize payment made available by the retailer.

(b) Payment by the Florida Lottery.

1. Winning tickets of \$100 or less that are presented to a Lottery district office will be paid by cash, check or issued lottery tickets at the claimant's option.

2. Winning tickets with a value greater than \$100 but less than \$600 that are submitted to a Lottery district office shall be paid by check and/or issued lottery tickets, or paid a maximum of \$100 in cash and the balance of the prize in issued lottery tickets at the claimant's option.

3. Lottery district offices will not pay prizes less than \$600 by a combination of cash and check.

4. Winning tickets of less than \$600 that are submitted to Lottery Headquarters for payment shall be paid by check.

(15) Presentation of Identification.

(a) The claimant of a prize valued at \$600 or more will be required to present identification as detailed below. The Lottery shall be permitted to make a photocopy of such identification for its records. The name on the identification presented to the Lottery must match the name on the back of the winning ticket, unless the name on the back of the winning ticket is that of a legal entity. In such case, an authorized agent of that legal entity and all shareholders, partners, beneficiaries, or other persons ultimately entitled to receive a portion of the legal entity's Lottery winnings shall submit a photocopy of required identification as detailed below. (18) Ticket Submission and Payment. In accordance with the applicable provisions of subsections (13), (14) and (20) a claimant must submit an original winning ticket or an original continuation ticket, if issued, to the Lottery or to a retailer to claim a prize. In the event an original winning ticket or an original continuation ticket is not available for submission, a claimant must submit an original player claim instructions ticket produced from validation of an original winning ticket or original continuation ticket to the Lottery to claim a prize.

(b) If a claimant submits only an original winning ticket or an original continuation ticket, the ticket will be validated and payment will be made in accordance with subsections (16), (17) and paragraph (18)(a). If a claimant submits an original winning ticket or an original continuation ticket and an original

player claim instructions ticket produced from an original winning ticket or from an original continuation ticket, payment will be made in accordance with subsections (16), (17) and (18).

(c) If a claimant submits only an original player claim instructions ticket, the player claim instructions ticket will be validated and payment will be made in accordance with subsections (16), (17) and (18) and as follows:

1. For on-line prizes, if the absence of the original ticket or the original continuation ticket is determined to the Lottery's satisfaction to be attributable to actions of a retailer, payment will be made following expiration of 30 days after the date the player claim instructions ticket is submitted for prize payment, or following expiration of 210 days after the winning draw date, whichever date occurs sooner.

2. For instant prizes, if the absence of the original ticket is determined to the Lottery's satisfaction to be attributable to actions of a retailer, payment will be made following expiration of 30 days after the date the player claim instructions ticket is submitted for prize payment, or following expiration of 90 days after the official end of the game, whichever date occurs sooner.

3. If the absence of the original ticket or the original continuation ticket is attributable to any reason other than the actions of a retailer, payment will be made as follows:

a. For winning on-line tickets, payment will be made following expiration of 210 days after the winning draw date, provided that payment for the original winning ticket is not made before the expiration of 210 days.

b. For winning instant tickets, payment for prizes valued at \$600 through \$1,000 will be made following expiration of 180 days from the date the claim was filed or following expiration of 90 days after the official end of the game, whichever occurs sooner, provided that payment for the original winning ticket is not made before expiration of the 180-day or 90-day time period, whichever is applicable. Payment for prizes greater than \$1,000 will be made following expiration of 90 days after the official end of the game, provided payment for the original winning ticket is not made before expiration of the 90-day time period.

4. If the original winning ticket or original continuation ticket is submitted prior to expiration of the time periods set forth in subparagraphs (18)(c)1., 2. and 3., an investigation will be conducted to determine to whom payment should be made, if anyone.

(d) If a claimant submits only an original advance play winning ticket that has been recorded as "paid" in the Lottery's gaming system as the result of the issuance of a continuation ticket, an investigation will be conducted and payment will be made as follows:

1. If the investigation concludes to the Lottery's satisfaction that the absence of the continuation ticket is attributable to actions of a retailer, payment will be made

following expiration of 30 days after the date the original winning ticket is submitted for prize payment, or following expiration of 210 days after the winning draw date, whichever date occurs sooner, provided that payment for the continuation ticket is not made prior to the expiration time frames set forth above.

2. If the investigation concludes to the Lottery's satisfaction that the absence of the continuation ticket is attributable to any reason other than the actions of a retailer, payment will be made following expiration of 210 days after the winning draw date, provided that payment for the continuation ticket is not made before the expiration of 210 days.

(e) In the event a claim for payment is made without an original ticket, an original continuation ticket, or a player claim instructions ticket, the claim will be denied unless the following occurs:

1. The claimant establishes to the Lottery's satisfaction that the absence of the original ticket, the original continuation ticket, or the player claim instructions ticket is attributable to an act or omission of the Lottery. Acts or omissions of Lottery retailers shall not be considered attributable to the Lottery; and

2. The Lottery determines that the available evidence is sufficient to validate the claim. If the Lottery determines that the provisions set forth in subparagraphs 1. and 2., above, are sufficiently met, payment will be made to the claimant following the expiration of the applicable deadline set forth in subsection (1) for validating and submitting a winning ticket for prize payment.

(19) Determination of Prize Winner. The person to whom payment will be made for winning tickets submitted to the Lottery shall be determined as follows:

(a) If only one name appears on the back of the ticket, payment will be made to that person or entity.

(b) If the back of a ticket is blank or incomplete, data from the Winner Claim Form, if any, player correspondence, or the mailing envelope, in that order, shall be used to supplement the information.

(c) Instant tickets. If more than one name appears on the back of an instant ticket, payment shall be made to the person whose name appears first on the line designated for the name.

(d) On-line tickets.

1. If one player information section is completely filled out, payment shall be made to the person whose name appears first on the name line in the player information section that is completed.

2. If more than one player information section is completely filled out, payment shall be made to the person whose name appears first on the name line in the player information section nearest the top of the ticket.

3. If no player information section is completely filled out and more than one name appears on the back of the ticket, payment shall be made to the person whose name appears first on the name line in the player information section nearest the top of the ticket in which a name is present.

(e) If the name on the back of a ticket is that of a trust, corporation or other legal entity, payment shall be made to the trust, corporation or other legal entity. For those tickets valued at \$600 or more, no payment shall be made to a legal entity until the Lottery has received a copy of the entity's organizational documents which set forth the names and Social Security numbers of all shareholders, partners, beneficiaries, or other persons ultimately entitled to receive Lottery winnings.

(f) For prizes less than \$600, payment to the person determined in accordance with paragraphs (19)(a) through (e) above shall be made in that person's name as it appears on the back of the winning ticket. For prizes of \$600 or more, payment shall be made in that person's name as it appears on Internal Revenue Service Form W-9.

(g) If the back of a ticket valued at \$600 or more is altered, defaced, or contains erasures, correction fluid, overwriting, or obliteration in the line designated for a name, an investigation will be conducted to determine to whom payment should be made, if anyone, in accordance with paragraphs (19)(c), (d) and (e) above. If the ticket is valued at less than \$600, payment will be made to the person submitting the ticket for payment.

(h) If the Lottery is presented with undisputed information that payment of a prize as provided in paragraphs (19)(a) through (e) would result in payment to a person or entity who has no claim to the ticket, the Lottery will make payment to the person or entity it determines to be the rightful claimant based upon the undisputed information submitted to the Lottery.

(i) If the Lottery receives notification of a dispute of ownership of a specific ticket prior to prize payment, an investigation will be conducted to determine to whom payment should be made, if anyone.

(j) Any claimant of a prize of \$600 or more, and any person whose name appears on an Internal Revenue Service Form 5754 filed by a claimant and whose portion of the prize is \$600 or more, will be compared to the State Owed Debt system. All persons ultimately entitled to receive Florida Lottery winnings from a claim valued at \$600 or more filed by a legal entity, other than a corporation whose shares are publicly traded, will be compared to the State Owed Debt system. If such claimant or other person is identified as owing an outstanding debt to a state agency or owing child support collected through a court or spousal support or alimony as provided in subsection 24.115(4), Florida Statutes, following deduction of federal tax withholding, the remaining prize amount will be allocated as follows:

1. If the debt is owed by the claimant and an Internal Revenue Service Form 5754 is not filed at the time the claim is submitted, an amount sufficient to cover the amount owed, up

to the total remaining prize amount, will be transferred to the state agency owed the debt. Any monies remaining after federal tax withholding and after collection of the debt will be paid to the claimant.

2. If the debt is of a claimant who submits an Internal Revenue Service Form 5754 at the time of filing the claim, or of a person whose name appears on an Internal Revenue Service Form 5754 or who is entitled to receive Lottery winnings claimed by a legal entity, an amount sufficient to cover the claimant's or other person's debt, but not to exceed his or her percentage interest in the prize or entity, will be transferred to the state agency owed the debt. The monies remaining will be paid to the claimant and any other persons entitled to receive a portion of the Lottery winnings.

(20) Payment of On-line Game Multi-play Tickets Including a Cash Prize and a Free Quick Pick Ticket Prize. Additional payment provisions applicable only to winning on-line game multi-play tickets (tickets with more than one panel played for a single draw date) that include a cash prize and a prize of a free quick pick ticket are as follows:

(a) A \$1.00 value for each free quick pick ticket on a multi-play ticket shall be included in the total prize value of the ticket.

(b) On-line game multi-play tickets with a total prize value less than \$600 shall be paid by Lottery retailers or a Lottery office upon successful ticket validation. The claimant shall be paid the cash amount of the prize and given a ticket with one free quick pick play for the same on-line game in which the prize was won, for the next available drawing for each free quick pick ticket prize.

(c) On-line game multi-play tickets with a total prize value of \$600 or more shall be claimed at a Lottery office. Retailer locations cannot print free quick pick tickets that are part of a claim with a total value of \$600 or more.

1. If the claim is submitted to a Lottery office in person and the on-line game multi-play ticket is successfully validated, the Lottery will pay the claimant the cash prize and give the claimant a ticket with one free quick pick play for the next available drawing of the same on-line game in which the prize was won for each free quick pick ticket prize.

2. If the claim is submitted by mail to a Lottery office and the on-line game multi-play ticket is successfully validated, the Lottery will pay the cash prize and, if the claimant's address is in Florida, print a ticket with one free quick pick play for the next available drawing of the same on-line game in which the prize was won for each free quick pick ticket prize. The payment and the free ticket shall be mailed to the claimant by the Lottery, except as set forth in subsection (7) above. A free ticket shall be mailed prior to the drawing applicable to that ticket.

3. If the claimant is identified as owing an outstanding debt as set forth in paragraph (19)(i), in an amount less than the cash portion of the prize net of any federal income tax

withholding, the non-cash portion of the prize and the amount owed to the claimant after his or her debt is satisfied and taxes have been withheld shall be awarded. If the claimant is identified as owing an outstanding debt in an amount greater than the cash portion of the prize net of any federal income tax withholding, the cash portion of the prize remaining after taxes have been withheld will be applied toward the outstanding debt as provided in subsection 24.115(4), Florida Statutes, and the claimant will receive the remaining non-cash portion of the prize.

(21) Canceled and Previously Paid Tickets. No payment shall be made upon a ticket submitted for payment that is reflected in the Lottery's records as having been canceled or previously paid.

(22) Disclosure of Source of Ticket. The Lottery reserves the right to require the claimant of any winning ticket to disclose the source of the ticket.

(23) Final Payment Decision. The Lottery's decision and judgments in respect to the determination of a winning ticket or of any other dispute arising from payment or awarding of prizes shall be final and binding upon all participants in the lottery unless otherwise provided by law or these rules. In the event a question arises relative to a winning ticket, or the payment or awarding of any prize, the Lottery is authorized to:

(a) Deposit the prize winnings into an escrow fund until the dispute is resolved; or

(b) Petition a court of competent jurisdiction for instructions and a resolution of the controversy.

(24) All tickets and claim forms presented to the Florida Lottery shall become the property of the Florida Lottery.

(25) Information for claiming a prize can be obtained by writing the Florida Lottery, Public Information, 250 Marriott Drive, Tallahassee, Florida 32399-4016, or by calling (850)487-7777.

(26) Payment of winning tickets is subject to all other applicable statutes and rules.

DEPARTMENT OF FINANCIAL SERVICES

NOTICE IS HEREBY GIVEN THAT on November 2, 2007, the Department of Financial Services, Division of State Fire Marshal NOTICE IS HEREBY GIVEN that the Department of Financial Services, Division of State Fire Marshal, has issued an Order Denying Petition for Permanent Waiver in RE: Combs Oil Company, Case #912855-07-FM. has issued an order.

The Department denied the Petitioner's request to permanently waive NFPA 2.3.2.3.3, 2000 edition, adopted in Rule 69A-3.012, Florida Administrative Code, for the installation of its above ground storage tanks. Petitioner argued that while the proposal did not meet the Department's rule, it did meet the rule of the Department of Environmental Protection regarding above ground storage tanks. The Department is authorized to grant a waiver or variance from its rules when the Petitioner demonstrates that the purpose of the underlying statute will be achieved by other means, and when the application of the rule would create a substantial hardship or violate principles of fairness. The Order concludes that the Petitioner is not uniquely affected by the rule, and the purpose underlying the Department's rule would not be achieved by application of the Department of Environmental Protection's rule, which has, as its basis, a different rule.

A copy of the Final Order may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, FL 32399-0340, or by e-mailing your request to Lesley.Mendelson@fldfs.com or can be viewed at the State Fire Marshal website at <http://www.fldfs.com/SFM>.

NOTICE IS HEREBY GIVEN THAT Board of Dentistry has declined to rule on the petition for declaratory statement filed by Smallwood Prison Dental Services, L.L.C. by Dr. Laria-Viota, on November 5, 2007. The following is a summary of the agency's declination of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 33, No. 32, of the August 10, 2007, F.A.W. The Board considered the Petition at a duly-noticed public meeting held on September 14, 2007. The Board's Order, filed on October 8, 2007, finds that Petitioner has complied with the requirements of Section 120.565 of the Florida Statutes and Rule 28-105.002, Florida Administrative Code. The Board of Dentistry declines to issue a declaratory statement in response to Dr. Laria-Viota's inquiry. The Board determined that the question was an issue of general applicability and that Section 466.025(2), Florida Statutes, was unambiguous and could only be interpreted in one way which did not require issuance of a Declaratory Statement.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Sue Foster, Executive Director, Board of Dentistry, 4052 Bald Cypress Way, Bin # C08, Tallahassee, Florida 32399-3258.

NOTICE OF AVAILABILITY

FLORIDA FINDING OF NO SIGNIFICANT IMPACT MONROE COUNTY, FLORIDA

The Department of Environmental Protection has determined that Monroe County, Big Coppitt and South Lower Keys Service Area proposed project for the construction of

collection, transmission and wastewater treatment facilities will not have a significant adverse affect on the environment. The total project cost is estimated at \$19,300,000. The project is expected to qualify for a State Revolving Fund loan composed of federal and state matching funds.

A full copy of the Florida Finding of No Significant Impact can be obtained by writing to: Pankaj Shah, Bureau of Water Facilities Funding, Department of Environmental Protection, 2600 Blair Stone Road, MS #3505, Tallahassee, Florida 32399-2400 or by calling (850)245-8358.

The Department of Environmental Protection gives notice of its intent to grant a water quality exemption for the aesthetically based secondary drinking water standard for color (standard 15 color units, exemption limit 100 color units), to the City of Marco Island, Mr. Rony Joel, Director of Public Works. The water quality exemption is a renewal of an exemption issued in 2001 for the raw water aquifer storage and recovery (ASR) project at the Marco Lakes raw water supply. The exemption is granted for the duration of the Marco Lakes raw water ASR-1 Class V well operation permit. Future exemptions must be petitioned for by the applicant in conjunction with an operation permit for any ASR project at this site. The ASR facility is located east of CR 951, north of US 41, and west of Henderson Creek, Collier County, Florida.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000 within 21 days of the date of this notice. The petitioner must mail a copy of the petition to the applicant Mr. Rony Joel, Director of Public Works, 50 Bald Eagle Drive, Marco Island, Florida 34145, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57 of the Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;

- (b) A statement of when and how each petitioner received notice of the Department action;
- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrant reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and
- (g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petitions have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Tallahassee Office, 2600 Blair Stone Road, Room 212E, Tallahassee, Florida 32399-2400.

Any subsequent intervention (in a proceeding initiated by another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.
