

NOTICE IS HEREBY GIVEN THAT the Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida, has received the petition for declaratory statement from Peter Cavanagh, a Unit Owner in Brittany Condominium Association, Inc. and Kings Point Community Association, Inc., Docket No. 2008042753. The petition seeks the agency's opinion as to the applicability of Chapter 718, Florida Statutes, as it applies to the petitioner.

Whether Kings Point Community Association, Inc. is a master condominium association under Section 718.103(2), Florida Statutes.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

Please refer all comments to: Janis Sue Richardson, Chief Assistant General Counsel, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2202.

NOTICE IS HEREBY GIVEN THAT the Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida, has received the petition for declaratory statement from Indian Lake Estates, Inc., Docket No. 2008043021. The petition seeks the agency's opinion as to the applicability of Chapter 720, Florida Statutes, as it applies to the petitioner.

Whether Indian Lake Estates, Inc. is a homeowners' association as defined in Section 720.301(9), Florida Statutes.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

Please refer all comments to: Janis Sue Richardson, Chief Assistant General Counsel, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2202.

**DEPARTMENT OF ENVIRONMENTAL PROTECTION**

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

**DEPARTMENT OF HEALTH**

NOTICE IS HEREBY GIVEN THAT the Board of Nursing has received the petition for declaratory statement from Ellen Schultz, R.N. The petition seeks the agency's opinion as to the applicability of Section 464.003(3)(a), F.S. and paragraph 64B9-8.005(2)(n), F.A.C., as it applies to the petitioner.

Specifically, the Petitioner requests that the Board issue a Declaratory Statement determining under the provisions of the Nurse Practice Act, specifically Section 464.003(3)(a), F.S. and paragraph 64B9-8.005(2)(n), F.A.C., whether it is within the scope of practice of a Florida Registered Nurse working in a County Health Department to assess the victim of an animal bite and to administer HIRG according to the manufacturer's instructions by infiltrating HRIG directly into the bite wound from an animal that could potentially have rabies. This petition will be considered by the Board at its meeting on October, 2008.

**DEPARTMENT OF FINANCIAL SERVICES**

NOTICE IS HEREBY GIVEN THAT the Department of Financial Services, Division of State Fire Marshal, has received the petition for declaratory statement from Clu D. Wright, Petitioner, a Fire Official with Clay County Fire Rescue, on or about July 23, 2008. The petition seeks the agency's opinion as to the applicability of Section 633.021(8)(19), F.S., and NFPA 24, 1.1.1, 1.1.2, 1.2, 3.3.11, 10.1.5 as it applies to the petitioner.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, (850)413-3604, (850)413-4238, Fax (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to [Lesley.Mendelson@myfloridacfo.com](mailto:Lesley.Mendelson@myfloridacfo.com).

**DEPARTMENT OF EDUCATION**

**NOTICE TO PROFESSIONAL CONSULTANTS**

University of South Florida Polytechnic announces that Professional Services in the discipline of Architecture will be required for the project listed below:

**PROJECT NUMBER:** 555

**PROJECT AND LOCATION:** USF Polytechnic – Phase I Facility, University of South Florida Polytechnic, Lakeland, Florida.

**PROJECT DESCRIPTION:**

The interdisciplinary USF Polytechnic – Phase I Facility will primarily provide large multi-user interdisciplinary shared core facilities. The plan includes two 100-seat classrooms and multiple smaller classrooms to support student enrollment needs in upcoming years. These classrooms will be scheduled by USF Polytechnic to meet growth in technology. Teaching laboratories for the disciplines of engineering, sciences, arts, business and information technology will provide space for interdisciplinary laboratory courses, as well as more traditional upper and lower division courses as needed. Multiple commons spaces for faculty and support staff is also included in the project. The space in this facility is designated to promote interdisciplinary research and teaching.

Polytechnic ideals are strongly oriented toward interdisciplinary, collaborative relationships – between faculty members, support staff, student support, and others. The

concept of a commons is strongly evocative of these interactions; the co-location and interweaving of faculty members across disciplines, for example, encourages and facilitates the dynamic exchange of ideas so critical for interdisciplinary efforts. The close physical proximity of faculty, staff and students creates a collection of “critical masses,” providing constant opportunities for productive interaction.

The USF Polytechnic – Phase I project includes approximately 60,000 NASF of space funded by State PECO funding, and an option for approximately 30,000 – 50,000 NASF of additional space proposed to be funded through private/public FECGP funding.

This multi-story facility will accommodate upper and lower division interdisciplinary teaching and research needs of the USF Polytechnic. The facility is planned to include research labs (approximately 1,250 NASF); teaching labs (approximately 27,500 NASF); classrooms (approximately 5,000 NASF); office space (approximately 29,000 NASF); instructional media (approximately 7,300 NASF); study space (approximately 12,000 NASF); support and student space (approximately 7,300 NASF); with an additional shell space (approximately 20,000 NASF) if funding permits.

The Phase I Facility is only the first construction of a multi-phased Master Plan which creates an integrated, fully-engaged university campus environment at a highly visible location on Interstate 4 midway along the 80 miles between the Tampa Bay and Orlando megalopolis areas. In addition to serving the needs of its tri-county service area, this university is intended to be a destination campus with a vibrant residential and campus life component. Given this location, the USF Polytechnic seeks an iconic design for this facility.

The construction budget is estimated to be approximately \$65,700,000 including Master Planning, site development, and hurricane hardening. Project development, including professional services, is contingent upon availability of funds. If additional funding is realized, the USF Polytechnic has the option to incorporate additional scope/funding under this contract including completion of shell space. The construction delivery method is anticipated to be Construction Management.

The selected firm should provide planning, design, construction documents, construction administration and post-occupancy services for the project in coordination with the 2005 USF (Polytechnic) Lakeland Campus 10 Year Master Plan and USF standards for design and construction. USF Polytechnic is seeking to secure the services of a consultant team with extensive experience in innovative facility design. All disciplines required for the design of the facility should be provided for this project under the contract with the selected firm, including architecture, engineering, interior design and any specialty consultants. Consultant services for design expertise unique to the innovative needs of a polytechnic
