**NOTICE TO PROFESSIONAL CONSULTANTS**

The University of Central Florida announces that continuing professional services for certain projects are required in the following discipline: Civil Engineering.

The projects will consist of Civil Engineering services for the University of Central Florida main and associated campuses. These services will include coordination with St. John's River Water Management District and working with the University's Facilities Planning on various civil projects.

Projects included in the scope of this agreement will be specific projects for the University of Central Florida main and associated campuses. Campus Service contracts for these projects provide that the consultant will be available on an as-needed basis for the fiscal year, August 1, 2008 – June 30, 2009. The consultant receiving the award will not have an exclusive contract to perform services for these projects. The university may have additional campus service professionals under contract during the same time period.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Carefully review the Contract and General Conditions documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement.

Attach to each letter of application:

1. The most recent version of the Florida Board of Education "Professional Qualifications Supplement" (PQS) dated 7/03, completed by the applicant. Do not alter the PQS form.
