THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

9J-42.001 Purpose and Effect.

The purpose of this chapter is to establish the due dates for the third round of evaluation and appraisal reports due to be adopted by the local governing body and sent to the department pursuant to Section 163.3191, Florida Statutes. The evaluation and appraisal report is the principle process for updating local comprehensive plans to reflect changes in local conditions and state policy on planning and growth management. Municipal reports adoption due dates are generally 1 year to 18 months later than the report adoption date for the county in which those municipalities are located. The schedule divides the workload for the department over the submittal period and meets the required local governments deadlines set in Section 163.3191, Florida Statutes. Local governments which fail to submit their adopted report by their scheduled due date are subject to provisions of subsection 163.3187(6), Florida Statutes.

9J-42.002 Relationship to Previous Rule and Schedules.

Rule Chapter 9J-33, F.A.C., effective March 24, 1994, establishes due dates for the first round of evaluation and appraisal reports due between November 1, 1995 and February 1, 1999 for local governments over 2,500 persons and between August 1, 2000 and February 1, 2004 for local governments with fewer than 2,500 persons. In 1998, the evaluation and appraisal report requirements were substantially revised by Section 14, 1998-176, Laws of Florida. One effect of these revisions was to eliminate the need for local governments with fewer than 2,500 persons to adopt an evaluation and appraisal report during the first round. Chapter 9J-33, F.A.C., was amended on March 23, 1999 to reflect this change. These smaller municipalities were included in the schedule for the second round of evaluation and appraisal reports due between November 1, 2003 and June 1, 2011, published by the department in the Florida Administrative Weekly on September 21, 2001 and subsequently amended on July 9, 2004.

Rulemaking Authority 163.3191(1), 163.3191(9), 163.3191(12) FS. Law Implemented 163.3191 FS. History-New _____.

9J-42.003 Schedule.
