RULE NO.: 65C-13.030 RULE TITLE: Standards for Licensed Out-of-Home Caregivers

PURPOSE AND EFFECT: Currently, Chapter 65C-13, Florida Administrative Code, does not have measurement standards for food holding temperatures, vermin control, water supply, garbage and rubbish disposal or sewage. c. A foster home providing child care under this section shall be inspected a minimum of twice per year, once by daycare licensing staff and once by the supervising agency's licensing specialist. The inspection is to assess the impact of the child care operation on the fostering experience;

Applicants shall have a source of income independent of child support or alimony.

(f) Childcare. Childcare for children in the custody of the department shall be with a licensed or registered child care provider. The cost of child care shall be assumed by the licensed out-of-home caregiver to the extent that subsidized child care is unavailable.

RULE NOS.:	RULE TITLES:
69M-236.002	Definitions
69M-236.004	Limitations and Exclusions

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 35, No. 47, November 25, 2009 issue of the Florida Administrative Weekly.

These changes were made in response to comments received at the hearing held on the proposed rules on February 9, 2010.

Subsection (5) of Proposed Rule 69M-236.002, F.A.C., has been deleted. This subsection contained a definition for "qualifying premium."

The words "average number" have been deleted from Subsection (7) of Proposed Rule 69M-236.004, F.A.C., and replaced by the word "median" and the words "by all personal residential property insurers" have been added. The words "qualifying premium" have been deleted from Subsections (8) and (10) of Proposed Rule 69M-236.004, F.A.C., and replaced in subsection (8) by the words "direct written personal residential premium in this state during the experience period, excluding the latest year" and in subsection (10) by the words "direct written personal residential premium in this state."

As changed, the proposed rules will read:

69M-236.002 Definitions.

(1) "Complaint" means any written communication that expresses dissatisfaction with a specific personal residential property insurer subject to regulation under Florida's insurance laws. An oral communication which is subsequently converted to a written form meets the definition of a complaint for this purpose.

(2) "Division" means the Division of Consumer Services of the Department of Financial Services.

(3) "Experience period" means the latest five calendar years for the purpose of evaluating complaints and the latest five calendar-accident years for the purpose of evaluating time to pay claims.

(4) "Personal residential property insurer" means an insurer that writes personal residential property insurance such as homeowner's, mobile home owner's, dwelling, tenant's, condominium unit owner's, cooperative unit owner's and similar policies and includes an insurer that, in addition to writing personal residential property insurance policies, also

writes commercial residential property insurance policies such as condominium association, cooperative association, apartment building and similar policies.

69M-236.004 Limitations and Exclusions.

(7) For calendar-accident years in which a company had fewer than 50 paid claims as of the end of the latest calendar year, such claims are assumed to have been paid in the median number of months for payment by all personal residential property insurers.

(8) Insurers with less than \$30 million in direct written personal residential premium in this state during the experience period, excluding the latest year, are graded on each of the four factors but are given an overall grade of "I" for "insufficient complaint history" due to a lack of actuarial credibility.

(10) Insurers with less than \$100,000 in direct written personal residential premium in this state in the latest calendar year will not be graded.

The remainder of the rule reads as previously published.
