In establishing rates through the normal process, prior to including this reduction, if the unit cost is greater than the unit cost used in establishing the budget, then rates shall be reduced by an amount required to achieve this reduction, but shall not be reduced below the unit cost used in establishing the budget. Hospitals that are licensed as a children’s specialty hospital and whose Medicaid days plus charity care days divided by total adjusted patient days equals or exceeds 30 percent and rural hospitals as defined in Section 395.602, F.S., are excluded from this reduction.

4. An SERC has been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Emergency Rules**

DEPARTMENT OF REVENUE

Property Tax Oversight Program

RULE NO.: RULE TITLE:
12DER11-12 Exemption for Deployed
 Servicemembers

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2011-93 (House Bill 1141), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 6 months and that could be renewed. This act further provides that all conditions imposed by Sections 120.536(1) and 120.54, Florida Statutes, (Section 4 of Chapter 2011-93) were deemed to be met.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the Department of Revenue to adopt emergency rules that implement the provisions of Chapter 2011-93 (House Bill 1141), Laws of Florida. The law provides that these emergency rules remain in effect for a period of 6 months and that they may be renewed. The form included here is based on the requirements of Chapter 2011-93 (House Bill 1141), Laws of Florida, as passed by the Legislature, and will provide a new application form. The Department of Revenue has taken action to inform interested parties about the form that is being developed to implement this new law, and to give such parties an opportunity to review and comment. These interested parties include Property Appraisers and interested parties who have told the Department that they want to receive all information associated with property tax rulemaking.

SUMMARY: Chapter 2011-93 (House Bill 1141), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 6 months and that could be renewed. The purpose of these emergency rules is to provide a procedure and form for property appraisers to implement the new exemption from provisions of Chapter 2011-93, Laws of Florida, (House Bill 1141). The application, Form DR-501M, Deployed Military Exemption Application, is for service members who have been deployed in designated operations as outlined in Section 196.173, Florida Statutes, Exemption for Deployed Servicemembers.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Janice Forrester, Department of Revenue, Property Tax Technical Unit, 2450 Shumard Oak Blvd., Tallahassee, Florida 32399-0100, telephone (850)617-8886, Fax (850)617-6112, email address: forrestj@dor.state.fl.us

THE FULL TEXT OF THE EMERGENCY RULE IS:

12DER11-12 Exemption for Deployed Servicemembers.

(1) This rule applies to the exemption provided in Section 196.172, F.S., for servicemembers who receive a homestead exemption and who were deployed during the previous tax year. For the purposes of this rule the following definitions shall apply:

(a) "Servicemember" means a member or former member of:

1. Any branch of the United States military or military reserves.

2. The United States Coast Guard or its reserves, or

3. The Florida National Guard.

(b) "Deployed" means:

1. On active duty.

2. Outside of the continental United States, Alaska or Hawaii, and

3. In support of a designated operation.

(c) "Designated Operation" means an operation designated by the Florida Legislature. The Department shall annually provide all Property Appraisers with a list of operations which have been designated.

(2)(a) Application for this exemption must be made by March 1 of the year following the qualifying deployment. If the servicemember fails to make a timely application for this exemption the property appraiser may grant the exemption on a late application if they believe circumstances warrant that it be granted. The servicemember may also petition the value adjustment board to accept the late application no later than 25 days after the mailing of the notice provided under Section 194.011(1), F.S.

(b) Application for this exemption shall be made on Form DR-501M, Deployed Military Exemption Application (N. 5/11), which the Department of Revenue adopts and incorporates in this rule by reference. Copies of this form are available, without cost, by downloading the selected form from the Department's Internet site at <http://dor.myflorida.com/dor/property/forms/>. Persons with hearing or speech impairments may call the Department's TDD at (800)367-8331.

(c) In addition to the application, the servicemember must submit to the property appraiser deployment orders or other proof of the qualifying deployments which includes the dates of that deployment and other information necessary to verify eligibility for this exemption. If the servicemember fails to include this documentation with the application, the property appraiser may request the needed documentation from the servicemember before denying the exemption.

(d) Application for this exemption may be made by:

1. The servicemember,

2. The servicemember's spouse, if the homestead is held by the entirety or jointly with right of survivorship.

3. A person holding a power of attorney or other authorization under Chapter 709, F.S., or

4. The personal representative of the servicemember's estate.

(3) After receiving an application for this exemption the property appraiser shall consider the application within 30 days of its receipt or within 30 days of the notice of qualifying deployments, whichever is later. If the application is denied in whole or in part, the property appraiser shall send a notice of disapproval to the taxpayer no later than July 1, citing the reason for the disapproval. The notice of disapproval shall also advise the taxpayer of the right to appeal the decision to the value adjustment board.

(4) This exemption shall apply only to the portion of the property which is the homestead of the deployed servicemember or servicemembers.

(5) The percentage exempt under this exemption shall be calculated as the number of days the servicemember was deployed during the previous calendar year divided by the number of days in that year multiplied by 100.

(6) If the homestead property is owned by joint tenants with a right of survivorship or tenants by the entirety, the property may be granted multiple exemptions for deployed servicemembers. The following provisions shall apply in the event that multiple servicemembers are applying for the exemption on the same homestead property.

(a) Each servicemember shall make a separate application to the property appraiser listing the dates of their deployment.

(b) The property appraiser shall separately calculate the exemption percentage for each servicemember.

(c) The property appraiser shall then add the percentages exempt which were determined for each of the servicemembers who are joint tenants with rights of survivorship or tenants by the entirety before applying that percentage to the taxable value. In no event shall the percentage exempt exceed 100%.

(7) When calculating exemptions and taxes due, the property appraiser shall first apply the exemptions listed in Section 196.031(7), F.S., in the order specified, to produce school and county taxable values. The percentage exempt calculated under this exemption shall then be applied to both taxable values producing final taxable values. The taxes due shall then be calculated and the percentage discount for disabled veterans under Section 196.082, F.S., should then be applied.

(8) If the property is owned by either tenants in common or joint tenants without right of survivorship, the percentage discount allowed under this rule shall only apply to the taxable value of the qualifying servicemembers interest in the property.

(9) The following special provisions shall apply to the 2011 tax year.

(a) The application deadline for 2011 is June 1, 2011. If the servicemember fails to make a timely application for this exemption the property appraiser may grant the exemption on a

late application if they believe circumstances warrant that it be granted. The servicemember may also petition the value adjustment board to accept the late application no later than 25 days after the mailing of the notice provided under Section 194.011(1), F.S.

(b) The “Designated Operations” are:

1. Operation Enduring Freedom, which began on October 7, 2001.
2. Operation Iraqi Freedom, which began on March 19, 2003, and ended on August 31, 2010, and
3. Operation New Dawn, which began on September 1, 2010.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

AGENCY FOR HEALTH CARE ADMINISTRATION

The Agency for Health Care Administration hereby gives notice that on May 19, 2011, a Final Order was issued Denying the Petition for Waiver of subsection 59A-35.100(2), Florida Administrative Code.

The Order concerned the Petition for Waiver, received by the Agency on February 11, 2011, by Alzheimer's Community Care, Inc. The Notice of Petition for Waiver was published in the Florida Administrative Weekly at page 611 of Vol. 37, No. 10, published on March 11, 2011.

The Petitioner requested a waiver from subsections 59A-35.100(2) and 59A-35.100(2), F.A.C., implements Section 408.810, Florida Statutes. This rule states that no more than one license will be issued to operate the same provider types at the identical physical or street address, with the exception of federally authorized clinical laboratories. The Petition sought a waiver to allow it to hold a license to operate an adult day care center at a physical location which already houses an adult day care center.

The Agency denied this request and issued a Final Order on the Petition on May 19, 2011. The basis for the Agency's denial of the petition is the failure of the Petitioner to establish that the requirements for a waiver under Section 120.542(2), F.S. would be met. The Petitioner failed to establish a substantial

hardship or that the underlying purpose of the authorizing statute would be met or that the Agency's decision would violate the principles of fairness.

A copy of the Order or additional information may be obtained by contacting: Mr. Vikram Mohan, Assistant General Counsel, Agency for Health Care Administration, 2727 Mahan Drive, Mail Stop #3, Tallahassee, Florida 32308, vikram.mohan@ahca.myflorida.com, (850)412-3630.

DEPARTMENT OF MANAGEMENT SERVICES

The Agency for Workforce Innovation hereby gives notice that on May 16, 2011, the Agency for Workforce Innovation received a request from the Early Learning Coalition of Florida's Gateway, seeking a withdrawal of its petition for temporary waiver of subsection 60BB-4.100(22), F.A.C., which provides eligibility requirements for working families receiving School Readiness services. The Petition has been assigned OGC file number 2011-00038. A Notice of Receipt of Petition for Variance/Waiver was published on March 18, 2011.

A copy of the Order or additional information may be obtained by contacting: Stephanie Savestanan, Agency for Workforce Innovation, Office of Early Learning, 107 East Madison Street, MSC #140, Tallahassee, Florida 32399.

The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. NOTICE IS HEREBY GIVEN that on May 12, 2011, the Division of Pari-Mutuel Wagering, Department of Business & Professional Regulation, received a petition for emergency variance from PPI, Inc., d/b/a The Isle Casino and Racing at Pompano Park, Petitioner, in DBPR Case No. 2011025419 (VW 2011-168). Petitioner is a pari-mutuel facility and slot machine/cardroom operator licensed pursuant to Chapters 550 and 551, Florida Statutes, and Section 849.086, Florida Statutes, whose address is 1800 S.W. 3rd Street, Pompano Beach, FL 33069. Petitioner seeks a temporary waiver of the requirements of subsection 61D-11.016(1), Florida Administrative Code (F.A.C.), that mandates poker tables have clearly designated rake circles, imprest trays, tip boxes, and drop box slots. The Petitioner states that it wishes to use ten designated poker tables without the above features exclusively for tournament play, in which no cash will be used on the table for purchasing chips or tokens. The tables in question will otherwise be licensed and used about four times annually; they will be stored when not in use. Petitioner further states that strict compliance with subsection 61D-11.016(1), F.A.C., under the current circumstances would pose a substantial financial hardship because Petitioner's intended purchase of ten poker tables only for tournaments but with the features the rule requires will cost \$700-\$800 dollars more per unit than those without. Since no cash will be used on the tournament tables, the Petitioner believes using tables without the required features will not adversely affect the integrity of game. This waiver is requested to be effective for a duration of two years from the date of variance. Any person whose substantial interests may be affected by a waiver on the subject matter of the Petition may file a petition to intervene within five days of the publication of this notice.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Agency Clerk, Department of Business and Professional Regulation, 1940 North Monroe Street, Tallahassee, Florida 32399-2202, phone: (850)921-0342.

The Notice of Petition for Variance was published in Vol. 37, No. 17, of the April 29, 2011, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on May 20, 2011. The petition requested a waiver or variance from the requirement imposed by paragraph 64B5-2.013(1)(c), Florida Administrative Code, that each applicant for a Florida dental license successfully complete all three examinations as provided for in Section 466.006, Florida Statutes, within a 13 month period in order to qualify for licensure.

The Board's Order, filed on June 2, 2011, grants the Petition for Variance or Waiver, finding that Petitioner has complied with the requirements of Section 120.542 of the Florida Statutes, and Chapter 28-104, Florida Administrative Code. The Board determined that Petitioner has complied with Section 120.542(2), Florida Statutes as she demonstrated that the purpose of the underlying statute, Section 466.006, Florida Statutes, will be achieved or has been achieved by other means. Additionally, Petitioner has demonstrated that strict application of paragraph 64B5-2.013(1)(c), Florida Administrative Code, would create a substantial hardship or violate principles of fairness within the meaning of Section 120.542(2), Florida Statutes. Based upon the foregoing, the Board determined that Petitioner is eligible for a waiver or variance of paragraph 64B5-2.013(1)(c), Florida Administrative Code for six (6) months from the effective date of the final order to take and pass the law and rule exam.

A copy of the Order or additional information may be obtained by contacting: Sue Foster, Executive Director, Board of Dentistry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

which requires tanks to be constructed of concrete, fiberglass or polyethylene; tanks to have multiple compartments; compartments to be connected with 4-inch openings; annual manufacturing inspections per the rule; and various grease interceptor requirements per the rule.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Agency Clerk, Department of Health, Office of the General Counsel, 4052 Bald Cypress Way, Bin #A02, Tallahassee, Florida 32399-1703.

NOTICE IS HEREBY GIVEN that on May 20, 2011, the Department of Health, received a petition for Variance from or Waiver of Agency Rule 64F-12.013(3)(c), F.A.C. from Shepherd's Hope, Inc., 4851 South Apopka-Vineland Road, Orlando, Florida 32819. The Petition seeks a variance from or waiver of paragraph 64F-12.013(3)(c), F.A.C. The rule subsection requires a temperature reading to be taken in the prescription drug storage area at least five days each week with the temperature readings taken between 2:00 p.m. and 4:00 p.m. E.S.T.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Gregg Jones, R.Ph., Executive Director, Drugs, Devices and Cosmetics Program, 4052 Bald Cypress Way, Main Bin #C-04, Tallahassee, Florida 32399, (850)245-4294.

NOTICE IS HEREBY GIVEN that on May 19, 2011, the Department of Financial Services, Division of Workers' Compensation, received a petition for variance or waiver which stated that American Policyholders Liquidating Trust was seeking a waiver from the requirements of Rule Chapter 69L-56, Florida Administrative Code. On June 3, 2011, the Department of Financial Services, Division of Workers' Compensation received an Amended Petition for Variance or Waiver, from American Policyholders Liquidating Trust, pursuant to Section 120.542, Florida Statutes, and Rule 28-104.002, Florida Administrative Code. The Petitioner is requesting a variance or waiver from Rules 69L-56.100, .110, .200, .210, .300, .304, .310, .320, .500, .3012, .3013, .3045, Florida Administrative Code, which sets forth requirements for filing certain workers' compensation claims information with the Division of Workers' Compensation via electronic data interchange rather than by submitting paper forms. American Policyholders Liquidating Trust requests the variance or waiver so that it may submit by paper the information for its one open Florida workers' compensation claim rather than being required to submit the information via electronic data interchange. The amended petition is a clarification of the original Petition submitted on April 7, 2011, in that it specifies the precise provision of Rule Chapter 69L-56, Florida Administrative Code, of which a waiver is being sought. The Petitioner, via Amended Petition for Variance or Waiver, has filed a statement with the Department withdrawing the original

petition dated April 7, 2011. Therefore, the Department will only consider the Amended Petition for Variance or Waiver filed on June 3, 2011.

Comments on this petition should be filed with: Department of Financial Services, Division of Workers' Compensation, 200 E. Gaines Street, Tallahassee, Florida 32399-4229, within 14 days of publication of this notice.

Notice of Funding Availability for the Flood Mitigation Assistance, Repetitive Flood Claims and Severe Repetitive Loss Grant Programs

The Florida Division of Emergency Management (DEM) is pleased to announce the opening of the FY 2012 application cycle for three flood mitigation grant programs funded by the Federal Emergency Management Agency (FEMA). The flood grants provide opportunities to local governments in assisting interested National Flood Insurance Program (NFIP) property owners in their areas who want to implement mitigation solutions that protect their homes against future flood damage. The three grant programs differ primarily in the ratio of federal share funds paid by FEMA, the non-federal matching funds expected from the NFIP property owner AND the number of NFIP claims on file for the property as outlined below. In each case, the property must have a current NFIP insurance policy in effect.

FEMA Grant Program	Federal Share	Local (Homeowner) Match	Minimum # of NFIP Claims
Severe Repetitive Loss Program (SRL)	90%	10%	Four
Flood Mitigation Assistance Program (FMA)	75%	25%	None
Repetitive Flood Claims Program (RFC)	100%	0%	One

Local governments may submit FY 2012 subapplications to the Division of Emergency Management by 5:00 p.m. on October 3, 2011. Any applications received after this date may have to be considered for the next funding cycle. After a technical feasibility and cost effectiveness review, DEM will submit eligible subapplications to FEMA.

Sub-applications for the three programs must be submitted to the DEM using FEMA’s eGrants System. Interested and eligible entities may register for eGrants at <https://portal.fema.gov>. In addition, a Benefit Cost Analysis for each subapplication must be conducted and attached to the application using FEMA’s BCA Toolkit. You are invited to review detailed FEMA guidance on each program at <http://www.fema.gov/library/viewRecord.do?id=4225>.

Grant Program Highlights

Sub-Applicant Eligibility: Local governments and Native American Indian Tribes that participate in the National Flood Insurance Program and have a FEMA approved Local Mitigation Strategy are eligible to submit applications on behalf of property owners with current NFIP insurance who can meet the non-federal cost-share requirements.

Eligible Subapplication Project Types:

1. Acquisition, demolition or relocation and conversion of land to open space;
2. Elevation of existing structures 2+ feet above Base Flood Elevation;
3. Minor physical localized flood control;

DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE OF INTENT TO GRANT VARIANCE

The Department of Environmental Protection gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of paragraph 62-4.244(5)(c), F.A.C., to the to the United States Army Corps of Engineers, 701 San Marco Blvd., Jacksonville, FL 32207, (File No. 0238664-002-BV) to allow the turbidity mixing zone to exceed 150 meters for work within Pinellas County Aquatic Preserve, Outstanding Florida Waters (OFW). The requested variance is associated with the Sand Key Nourishment Project (0238661-001-JC). The United States Army Corps of Engineers proposes to perform beach nourishment in Pinellas County between reference monuments R-56 and R-66 and between 85 feet north of R-71A and R-108. The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Bureau of Beaches and Coastal Systems, 5050 West Tennessee Street, Building B, Tallahassee, Florida 32304-9201, Telephone: (850)488-7708.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573 of the Florida Statutes is not available.

Because the administrative hearing process is designed to redetermine final agency action on the application, the filing of a petition for an administrative hearing may result in a modification of the agency action or even a denial of the application. If a sufficient petition for an administrative hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Accordingly, the applicant is advised not to commence construction or other activities in accordance with this variance until the deadlines noted below for filing a petition for an administrative hearing, or request for an extension of time has expired.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely

request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsection 28-106.111(2) and subparagraph 62-110.106(3)(a)1., F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; (g) A statement of the relief sought by the

petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this order will not be effective until further order of the Department.

This variance constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department.
