FLORIDA ATLANTIC UNIVERSITY, on behalf of its Board of Trustees, announces that professional services are required in the following discipline (s):

MEP ENGINEERING

Project (s): Campus Service for Minor Projects

Project (s) Location: Florida Atlantic University, All Campuses.

Projects included in the scope of this agreement will be specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$2,000,000 or less, or studies for which the fee for professional services is \$200,000 or less. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis for the upcoming year. The consultants receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional campus service professionals under contract during the same time period. The initial term of agreement is for one year with the option to extend the agreement for two additional one year terms, to be evaluated annually, for a total of three years. More than one firm will be selected for these services. Blanket professional liability insurance will be required for this project in the amount of \$250,000 and will be provided as a part of Basic Services.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm. Design ability will be considered as a selection category.

Attach to each letter of application:

1. A completed “Florida Atlantic University Professional Qualifications Supplement” (FAUPQS revised August, 2008) completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.
