

The Division declined to issue a Declaratory Statement because it may not issue a statement concerning events that have already taken place; or when it would affect the rights of third parties who are not party to the proceeding; or when it is not provided a complete, current set of governing documents.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

NOTICE IS HEREBY GIVEN that Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Don White, R.A.W. Construction on March 29, 2011. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 37, No. 18, of the May 6, 2011, Florida Administrative Weekly. The Board considered the Petition at a duly-noticed public meeting held on May 13, 2011. The petition requested the Board’s interpretation of Section 489.105(3), Florida Statutes, and whether a general contractor is licensed to install a natural gas distribution system or natural gas pipelines in the state of Florida without having a certified gas line specialty license. The Board’s Order, filed on June 8, 2011, denies the Petition for Declaratory Statement. Pursuant to Chapter 28-105, Florida Administrative Code and Section 120.565, Florida Statutes, a declaratory statement is not the appropriate means for obtaining a policy statement of general applicability from an agency or to resolving the conduct of another individual.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: G. W. Harrell, Executive Director, Construction Industry Licensing Board, P. O. Box 5257, Tallahassee, Florida 32314-5257.
