RULE NO.: 6A-5.056 RULE TITLE: Criteria for Suspension and Dismissal

PURPOSE AND EFFECT: This rule was originally created in April 5, 1983, and provides the criteria for suspension and dismissal of school district instructional staff, supervisors and principals. In 2011, Senate Bill 736 called for a definition of

just cause and other criteria for which a district may suspend or dismiss instructional personnel. School districts, and district instructional staff, supervisors and school principals will be affected as the rule defines the reasons a district may suspend or dismiss district instructional staff, supervisors, and school principals.

SUMMARY: The rule is being substantially re-structured. The statute requires six areas be included in the definition of Just Cause. The new rule updates the definitions for each of the six areas and changes their order to mirror the statute.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Upon review of the proposed changes to the rule, and based upon its experience, the Department has determined that the rule does not meet the requirements for ratification by the legislature. The changes to the rule do not have an adverse impact on small business and do not directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate within one year of implementation.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

6A-6.0573 Industry Certification Process.

(1) Pursuant to Section 1003.492(2), F.S., Workforce Florida, Inc.'s approved list of industry certifications, which has been named the "Workforce Florida, Inc. Comprehensive Industry Certification List for the Career and Professional Education Act, 2011-2012, Updated" (<http://www.flrules.org/Gateway/reference.asp?No=Ref-01140> ~~<http://www.flrules.org/Gateway/reference.asp?No=Ref-00558>~~) is adopted by the State Board of Education and incorporated by reference in this rule. The "Workforce Florida, Inc. Comprehensive Industry Certification List for the Career and Professional Education Act, 2011-2012, Updated" may be obtained from the Department of Education's web site at <http://www.fldoe.org/workforce/fcpea/default.asp>.

(2) The "Comprehensive Industry Certification List" shall be published by March 1 of each calendar year.

(3) "Industry Certification Funding List." The Department of Education shall review the approved "Comprehensive Industry Certification List" to identify certifications deemed sufficiently rigorous academically and, thus, eligible for additional full-time equivalent (FTE) membership funding, pursuant to Section 1011.62(1), F.S.

(a) This list will be known as the "2011-2012 Industry Certification Funding List, Updated" (<http://www.flrules.org/Gateway/reference.asp?No=Ref-01144> ~~<http://www.flrules.com/Gateway/reference.asp?No=Ref-00557>~~)

to be published by the Department of Education and is incorporated by reference in this rule. The "2011-2012 Industry Certification Funding List, Updated" may be obtained from the Department of Education's web site at <http://www.fldoe.org/workforce/fcpea/default.asp>.

(b) To be considered for additional full-time equivalent membership funding and included on the "~~2010-2011~~ 2011-2012 Industry Certification Funding List, Updated" in this paragraph, a certification shall:

1. Be on the "Comprehensive Industry Certification List;"
2. Be achievable by secondary students;
3. Require a minimum of one hundred fifty (150) hours of instruction; and
4. Have been offered for at least one year in a school district.

(c) The Commissioner of Education may waive the one-year requirement when failure to do so would inhibit preparation of students for emerging workforce opportunities.

(4) through (5)(a) No change.

(b) Employment value shall be determined by the State Board of Education, in consultation with Workforce Florida, Inc., using the entry wage, growth rate, and average annual openings for the Standard Occupational Classification (SOC) code linked to the industry certification, based on occupational linkages assigned by the Department of Economic Opportunity.

1. The maximum employment value of the industry certification is three points. The State Board of Education shall assign one point to each certification for the three indicators: entry wage, growth rate, and average annual openings. Points shall be assigned to each certification based on the percentile ranking of the occupation to which it is linked among all occupations linked to certifications on the "Industry Certification Funding List." The source for the employment information is data from Department of Economic Opportunity, Labor Market Statistics Center, Occupational Employment Statistics Program and Employment Projections Program, in the document (2007-11 Comprehensive Industry Certification List with Employment Data, Updated) (<http://www.flrules.org/Gateway/reference.asp?No=Ref-01149> ~~<http://www.flrules.org/Gateway/reference.asp?No=Ref-00559>~~) which is hereby incorporated by reference. The document can be accessed from the Department's web site at http://www.fldoe.org/workforce/careeracademies/ca_home.asp.

2. The points for entry wage, growth rate, and average annual openings shall be assigned as follows:

- a. A value at or below the 25th percentile equals 0.25 point.
- b. A value greater than the 25th percentile and below or equal to 50th percentile equals 0.50 point.
- c. A value greater than the 50th percentile and below or equal to the 75th percentile equals 0.75 point.
- d. A value above the 75th percentile equals 1.0 point.

3. For each certification, the State Board of Education shall sum the points for entry wage, growth rate, and average annual openings. The sum of this calculation is the employment value point total for the certification.

(c) through (9)(d) No change.

PURPOSE AND EFFECT: Revising conversion units for a standard equivalent 1 3/5 bushel box used in computing citrus advertising assessments in order to ensure a fair and correct number is available to industry for figuring conversion.

SUMMARY: Revising conversion units used in computing citrus advertising assessments.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Every 3 to 5 years the equivalency of processed citrus converted to 1 3/5 bushel boxes of citrus fruit for the payment of assessments is reworked in order to ensure a fair and correct number for figuring that payment for those companies who do not keep complete records showing the number of boxes for which an assessment is payable. This tax is payable on a per box basis, therefore there is no increased regulatory costs involved to small businesses and no need for legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

FISH AND WILDLIFE CONSERVATION COMMISSION

Freshwater Fish and Wildlife

RULE NO.: RULE TITLE:

68A-4.009 Florida Black Bear Conservation

PURPOSE AND EFFECT: As required by paragraph 68A-27.0012(3)(a), Florida Administrative Code, the Florida black bear (*Ursus americanus floridanus*) has been evaluated under the listing criteria. The Commission has decided to remove the Florida black bear from the State-designated Threatened species list. This rule would provide for prohibitions, permitting, and agency activities concerning the Florida black bear subsequent to its removal from the State-designated Threatened species list.

The effect of the action would be to affirm that unauthorized take of bears is prohibited, require that permits authorizing intentional take of bears must be for a scientific or conservation purpose, and establish that in providing technical assistance to others, the Commission will base its recommendation on goals and objectives of its approved bear management plan. The proposed rule makes it unlawful to take, possess, injure, shoot, wound, trap, collect, or sell bears or their parts except as specifically provided by FWC's rules. 'Take,' for the purposes of any FWC rule unless it is otherwise defined, and for the purposes of this rule, is defined in 68A-1 and includes "attempting to take, pursuing, hunting, molesting, capturing, or killing" by any means. Given the potential for illegal trade in bear parts and bear hides, the level of specificity and detail in this rule are considered necessary to aid in successful enforcement and prosecution. The proposed rule provides criteria that FWC considers in the authorization of intentional take that will allow the continuation of local governments and other partners assisting FWC in bear management. The rule also affirms that FWC will continue to engage with private landowners and regulating agencies to guide future land use so that it is compatible with the goal and objectives of this plan. Additional information is available at: <http://myfwc.com/bear>. Look under Read the Draft Bear Management Plan; a description of the rule is located in the Regulations and Enforcement Chapter.

SUMMARY: The proposed action would: [1] affirm the prohibition on unauthorized take of bears, [2] describe when the Commission may issue intentional take permits, and [3] establish that the Commission will provide technical assistance to land owners and comments to permitting agencies to minimize and avoid potential negative human-bear interactions or impacts of land modifications on the conservation and management of black bears based on the goals and objectives of its approved bear management plan.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the nature of the rule and the preliminary analysis conducted to determine whether a SERC was required.

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 38, No. 4, January 27, 2012 issue of the Florida Administrative Weekly.

The Agency for Health Care has determined that the repeal of Rule 59A-4.166, Nursing Home Consumer Satisfaction Survey, will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER12-33 Guy Harvey® Sportsman’s Paradise Second Chance Promotion.

(1) Beginning April 3, 2012, and continuing through June 26, 2012, the Florida Lottery (or “Lottery”) will conduct the Guy Harvey® Sportsman’s Paradise Second Chance Promotion in which players can enter their non-winning Florida Lottery GUY HARVEY® Scratch-Off tickets (or “GUY HARVEY® Scratch-Off tickets”) on the Florida Lottery website for a chance to win one (1) of four (4) sport fishing trip packages for two (2) persons plus \$2,000 cash, original Guy Harvey® artwork plus \$500 cash, or a \$200 gift certificate to GuyHarveySportswear.com. Winning GUY HARVEY® Scratch-Off tickets cannot be used for entry in the second chance promotion.

(2) To enter a non-winning GUY HARVEY® Scratch-Off ticket in one of the second chance drawings further described in subsection (4) below, players must enter on the Florida Lottery’s website at www.flalottery.com. On the home page of the Lottery’s website, players can click on the Guy Harvey® banner and follow the directions. Players will be prompted to log-in or register. The 24-digit ticket serial number (4-digit game number and 20-digit ticket number) is located at the bottom on the front of a GUY HARVEY®-Scratch-Off ticket under the latex covering. Players are to scratch off the latex covering to reveal the number and enter the last 20-digits of the ticket serial number in the designated ticket entry area on the website.

(3) Players may enter as many times as they wish during the contest period; however, each valid ticket number may only be used one (1) time, for one (1) entry in one (1) second chance drawing. Tickets should not be mailed to the Lottery unless players are contacted by the Florida Lottery and requested to do so. Non-winning tickets received in the mail by the Florida Lottery will not be entered in the drawing and will not be returned. The odds of winning are dependent upon the number of entries received.

(4) Drawings.

(a) Four (4) drawings will be held during the period of April 25, 2012, through June 27, 2012, from entries received by midnight the night before each drawing. The drawing dates are:

Drawing	Drawing Date	From Entries Received
1	Wednesday, April 25, 2012	April 3, 2012 – April 24, 2012
2	Wednesday, May 16, 2012	April 25, 2012 – May 15, 2012
3	Wednesday, June 6, 2012	May 16, 2012 – June 5, 2012
4	Wednesday, June 27, 2012	June 6, 2012 – June 26, 2012

(b) In each of the four (4) second chance drawings, one (1) grand prize winner will win a sport fishing trip for two (2) persons plus \$2,000 cash, one (1) second prize winner will win original Guy Harvey® artwork plus \$500 cash, and ten (10) third prize winners will win a \$200 gift certificate to GuyHarveySportswear.com. A total of four (4) grand prizes, four (4) second prizes and forty (40) third prizes will be awarded in the second chance drawings.

(c) The first valid entry drawn in each drawing will win a grand prize, the second valid entry drawn will win a second prize, and the third through twelfth entries drawn will win a third prize. The second through twelfth valid entries will be used in the order in which they were drawn and as needed to select an alternate grand prize winner and/or alternate second prize winner in the event the grand prize or second prize cannot be awarded.

(d) The Florida Lottery will attempt to notify each winner by telephone, U.S. mail or email using the contact information provided in the winner’s registration data no later than one (1) week after the winners are drawn. If the Florida Lottery is unable to contact a grand prize winner or second prize winner within three (3) weeks of the date of the drawing, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate winner. The second prize winner will become the alternate winner of the grand prize only if the Lottery has successfully contacted the second prize winner concerning the second prize within the three (3) week notification period. If the Lottery has not had contact with the second prize winner within the three (3) week period, the first alternate for the grand prize will be the third valid entry drawn in the drawing.

(e) If the Florida Lottery is unable to contact the alternate winner within three (3) weeks, the alternate winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to a second alternate winner. This process will continue until an alternate is contacted and the prize is claimed in accordance with paragraph (4)(f) below, or the Florida Lottery has exhausted the list of available alternates. If the

Lottery is unable to contact an alternate, the grand prize or second prize will not be awarded. An alternate winner who has not claimed or been mailed the original prize at the time of notification will be awarded only the higher prize. An alternate winner who has claimed or been mailed the original prize at the time of notification may retain the original prize; however, if the alternate winner originally won a second prize, the winner will receive only the merchandise portion of the grand prize and the difference in cash between the second and grand prizes.

(f) All entries in the second chance drawings are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. To claim a grand or second prize in a second chance drawing, the player must submit to the Florida Lottery the original valid non-winning GUY HARVEY® Scratch-Off ticket bearing the entry number selected in the drawing. Without such ticket, the player will forfeit his or her right to claim a prize. Winners must submit the valid entry ticket along with a completed Winner Claim Form DOL-173-2, revised 02/11 or Spanish Winner Claim Form DOL-173-2S, revised 02/11, appropriate identification and a notarized Florida Lottery Release and Authorization Form DOL-474, revised 10/08 or Spanish Florida Lottery Release and Authorization Form DOL-474S, effective 09/11, within seven (7) days of notification by the Florida Lottery that they are a winner. If a winner does not return the required forms within seven (7) days of notification, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate winner as described above. Forms DOL-173-2, DOL-173-2S, DOL-474, and DOL-474S are hereby incorporated by reference and may be obtained at any Lottery office, from the Florida Lottery’s website at www.flalottery.com, or by writing to: Florida Lottery, Customer Service, 250 Marriott Drive, Tallahassee, Florida 32399-4016. Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on March 26, 2012, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of paragraph 11B-35.001(9)(b), F.A.C., from Richard K. Bartzler, Director, Florida Corrections Academy, School 66, on behalf of two Correctional Officers. Paragraph 11B-35.001(9)(b), F.A.C., requires officers to achieve a passing score of 80% or higher on Basic Recruit Training Courses. The petition supports the requested waiver by stating that the officers at issue achieved what the officers, instructors, and academy believed to be passing scores on one of their end-of-course examinations. An audit showed that the two officers had not actually passed one of the end-of-course examinations. The two recruits had already passed the State Officer Certification Examination and were employed as Correctional Officers when Petitioner brought the officers back and re-tested them. The two officers then passed the end-of-course examinations. The Petitioner states that the two officers should not be penalized because they relied upon the Petitioner’s scoring of their end-of-course examinations and had already passed the SOCE and were already employed in the discipline before the audit revealed that the two officers had not actually passed one of their end-of-course examinations. Petitioner states that the officers at issue will suffer a substantial hardship if their scores are not recognized because they will not receive the benefit of their employment for the time they graduated until they passed the re-take of the end-of-course examination. Petitioner further states that it would violate the principles of fairness to fail to recognize that the officers did successfully complete the

requirements as they requirements were presented to them by the Petitioner and as the Petitioner understood them prior to the audit.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676..

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

The Department of Highway Safety and Motor Vehicles hereby gives notice:

This matter came before the Department of Highway Safety and Motor Vehicles (Department) upon the Petition for Variance or Waiver from paragraph 15A-10.014(2)(d), Florida Administrative Code, filed by Petitioner, DUI Counterattack of Hillsborough, Inc., on October 17, 2011, and published in the Florida Administrative Weekly on November 4, 2011, Vol. 37, No. 44. The Department has carefully considered the Petition and finds that the Petition should be granted, as set forth below. Paragraph 15A-10.014(2)(d), Florida Administrative Code, provides that "Contributions to retirement cannot exceed the percentage of gross compensation contributed by the employer of members of the Regular Class of the Florida Retirement System pursuant to Section 121.071, Florida Statutes."

The Department finds that the Petition demonstrates that the underlying purpose of the statute has or will be achieved by the Petitioner and that the application of the rule creates a substantial hardship or violates principles of fairness. Petitioner is granted a permanent variance from the rule in order to continue contributing 8% to its employees' 401(k) accounts. The Department intends to modify the rule provisions in future rule amendments to either clarify or eliminate this requirement.

ACCORDINGLY, it is hereby ORDERED that the Petition for Variance From or Waiver of paragraph 15A-10.014(2)(d) is GRANTED and Petitioner may continue to make an 8% employer contribution to its employees' 401(k) accounts.

DONE AND ORDERED this 21st day of March, 2012, in Tallahassee, Leon County, Florida.

The South Florida Water Management District (SFWMD) hereby gives notice that an Order Granting Variance under Section 120.542(2), Florida Statutes, (Order 2012-042-DAO-WU) was issued on April 2, 2012, to the Okeechobee Utility Authority (OUA), whose service area covers Okeechobee and Glades Counties. The Petition for Variance (Application 110902-1) was received by the SFWMD on September 2, 2011. Notice of receipt of the Petition was published in the Florida Administrative Weekly, Vol. 37, Number 37, September 16, 2011. The particular criterion from which the variance is sought is found at Section 3.2.1.G(4) of the Basis of Review for Water Use Permit Applications within the South Florida Water Management District. This criterion states that allocations of water from the Lake Okeechobee Waterbody for public water supply uses in excess of the project's base condition water use are incompatible with the supply source. The order sets forth the basis of the SFWMD decision to grant

the variance, as follows: 1) the variance is necessary to prevent a substantial economic hardship on OUA customers who reside in an area that has been designated a Rural Economic Development Initiative Rural Area of Critical Economic Concern community; and 2) the purpose of the underlying rule has been achieved by other means.
