Indian River County Metropolitan Planning Organization
RLI No. 2013015 – REQUEST FOR LETTERS OF
INTEREST AND QUALIFICATIONS FOR INDIAN RIVER
COUNTY COMMUNITY TRANSPORTATION
COORDINATOR (CTC) SELECTION

The Indian River County Metropolitan Planning Organization is seeking letters of interest and statements of qualifications from qualified agencies or firms interested in coordinating transportation services for the transportation disadvantaged in Indian River County, Florida. Subsequent to submittal of

letters of interest, qualified firms will be asked to submit a formal response to a request for proposals. The selected firm will be the designated Community Transportation Coordinator for the Transportation Disadvantaged Program, as authorized by Chapter 427, Florida Statutes, and more fully described in Rule 41-2 of the Florida Administrative Code. State statutes mandate the competitive selection of a Community Transportation Coordinator for the Transportation Disadvantaged Program every five years.

The Community Transportation Coordinator is defined by Chapter 427, Florida Statutes, as a transportation entity recommended by the appropriate designated official planning agency to ensure that coordinated transportation services are provided to the transportation disadvantaged population in a designated service area. The Community Transportation Coordinator has full responsibility for the delivery of transportation services for the transportation disadvantaged as outlined in Section 427.015(2), Florida Statutes.

The transportation disadvantaged are defined by Chapter 427, Florida Statutes, as “those persons who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life sustaining activities, or children who are handicapped or high-risk or at-risk as defined in Section 411.202, Florida Statutes.”

Interested firms/agencies are required to have capabilities to coordinate all transportation disadvantaged trips within Indian River County. The interested firm/agency could function as a COORDINATOR only (acts as total brokerage system that does not operate vehicles) or could function as a COORDINATOR/TRANSPORTATION OPERATOR (acts as brokerage and also provides all or part of the needed transportation services by operating vehicles).

Indian River County is a small urban county, consisting of a permanent resident population of approximately 138,000 persons. Currently, the Indian River County Senior Resource Association (SRA) serves as the Community Transportation Coordinator for the county. The SRA functions as a COORDINATOR / TRANSPORTATION OPERATOR, operating and maintaining its own fleet of vehicles as well as acting as a broker of trips for other transportation service providers. In addition, the SRA coordinates all trips for the Transportation Disadvantaged Program at no cost to system users.

Letters of interest and qualifications should be limited to a maximum of five (5) pages. The following information should be included in letters of interest and qualifications:

ADVERTISEMENT NOTICE

The Eleventh Judicial Circuit of Florida ("Circuit") seeks sealed proposals from qualified entities ("Proposers") to provide, as a batterers' intervention program ("BIP") service provider ("BIP Service Provider"), services to address domestic violence issues in Miami-Dade County, Florida. In view of the high incidence of domestic violence related crimes in Miami-Dade County and the need to have qualified BIP Service Providers to provide certain services in an effort to reduce the incidence of such crimes, the Circuit, along with local justice system and social service agencies developed the
