Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Electrical Contractors' Licensing Board

NOTICE IS HEREBY GIVEN that April 29, 2013, the Electrical Contractors' Licensing Board has received the petition for declaratory statement from Donald M. Smith. The petition seeks the agency's opinion as to the applicability of Section 489.503 (14)(a), F.S., as it applies to the petitioner. The petition seeks the Board's interpretation of Section 489.503 (14)(a), F.S., as to whether there is a requirement to hold an electrical license to perform the installation of coax used in radio distribution system for the purpose of transmitting voice communication. Petitioner also requests clarification as it relates to petitioner being exempt from being required to be licensed to perform installation of coax as part of a radio distribution system.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Daniel Biggins, Executive Director, Electrical Contractors' Licensing Board, 1940 North Monroe Street, Tallahassee, FL 32399-0783.

DEPARTMENT OF HEALTH

Board of Physical Therapy Practice

NOTICE IS HEREBY GIVEN that Board of Physical Therapy Practice has issued an order disposing of the petition for declaratory statement filed by Diane Laurice, PTA on September 21, 2012. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 38, No. 59, of the October 26, 2012, Florida Administrative Register. The Board considered the

Petition at a duly-noticed public meeting held on November 2, 2012. The Petitioner requested the Board's interpretation of Section 486.021(11), Florida Statutes, and whether it is within the scope of practice "for a PT or PTA to take a patient's blood pressure (manual or digital), Heart Rate, SAT level with a Pulse Ox, and to auscultate lungs with a stethoscope during their PT treatment as deemed necessary in the PT or PTA's judgment." The Board's Order, filed on November 19, 2012, denies the Petition for Declaratory Statement. The Petition is asking for clarification of the statutory provision and rules to determine conduct that has already occurred. This type of clarification is not appropriate for determination by declaratory statement.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255.

DESOTO COUNTY HOSPITAL DISTRICT

NOTICE PURSUANT TO SECTION 155.40(5)(e)1.,

FLORIDA STATUTES

On Thursday, May 30, 2013 the DeSoto County Hospital District Board of Directors held a public hearing to determine, in accordance with Section 155.40, Florida Statutes, whether the DeSoto County Hospital District should continue to own and operate its hospital, or whether it should be operated by a for-profit or a not-for-profit entity. Based upon the totality of the information considered by the Board, including the valuation report by Carr, Riggs and Ingram, the comparisons

of the operating costs and measurable quality outcomes between the hospital operated by the DeSoto County Hospital District and other similarly situated not-for-profit and for-profit hospitals with similar service mixes, comments from the community, comments by the Board, the DeSoto County Hospital District Board of Directors made the following findings:

There is not a meaningful difference in the cost of operations between the District's hospital and other similarly situated not-for-profit or for-profit hospitals with similar service mixes, using publically available data provided by Agency for Health Care Administration and the quality metrics identified by the Centers for Medical and Medicaid Services Core Measures;

It is more beneficial to the taxpayers and the District's affected community for the District's hospital to be operated by a governmental entity, rather than be operated by a not-for-profit or a for-profit entity with similar or better cost efficiencies and measurable outcomes as identified by the Centers for Medical and Medicaid Services Core Measures; and

There would not be a net benefit to the community to operate the District's hospital as a not-for-profit or for-profit entity and use the proceeds of the sale or lease for the purposes described in Florida Statute 155.40(16).

The report prepared by Carr, Riggs & Ingram, pursuant to Section 155.40, Florida Statutes, was formally accepted by the Board and made a part of the public records of the DeSoto County Hospital District.

For the above reasons, the DeSoto County Hospital District Board of Directors determined that it is in the best interest of the District's affected community for the District to continue to own and operate the District's hospital as a public not-for-profit entity, rather than consider a sale or lease to a third party.
