Any document related to the complaint shall be entered into the complaint file.~~

(2) Technical and Clerical Review. Upon receipt of a complaint, the staff of the Commission shall review the complaint to insure that the proper complaint form has been used, that all the information required has been provided, that only one respondent has been named in each complaint form submitted, and that the complaint has been properly signed by

the complainant under oath. One or more persons may sign a complaint under oath; however, when the complaint is to be filed under oath in a representative capacity in behalf of an incorporated association or group, the complaint shall include sufficient information to indicate the authority of the person signing the complaint to file such a complaint in behalf of the association or group. If the complaint lacks any of the foregoing, ~~or is otherwise incomplete, or alleges a matter or names a person not within the jurisdiction of the Commission on Ethics, a copy of the complaint shall be returned to the complainant identifying the defect.~~ The staff shall provide assistance or information to persons seeking to file a complaint, but shall not encourage, solicit or discourage the filing of a complaint. If the complaint is filed in behalf of an unincorporated group or association, the person(s) signing the complaint will be considered to be the complainant(s) rather than the group or association.

(3) Each complaint which is not returned to the complainant shall be assigned a control number which shall be entered on the complaint itself and on a colored folder in which the complaint shall be filed so long as it remains confidential. Any document related to the complaint shall be entered into the complaint file.

~~(4)(3)~~ No change.

~~(5)(4)~~ Any complaint against a candidate in a general, special, or primary election that is received within the thirty (30) five calendar days immediately preceding the date of that election, including Saturdays, Sundays, and holidays, will be returned by the Executive Director to the person filing the complaint, with an explanation of why the complaint is being returned.

34-5.002 Review for Sufficiency of Allegations of Breach of Public Trust and Order of Preliminary Investigation; Review of Allegations of Failure to Properly Complete Financial Disclosure Forms.

(1) After ~~a the~~ complaint has been reviewed and found to be in proper form, the complaint shall be reviewed by the Executive Director in order to determine whether the ~~Commission has jurisdiction over the complaint is~~ legally sufficient to allege; that is, whether the complaint is one concerning a breach of public trust. Complaints need not be as precise as would be required by the rules of civil procedure in a court of law and shall be deemed sufficient if the complainant under oath upon knowledge or belief alleges

matters which, if true, may constitute a breach of public trust. A complaint shall not be insufficient because it is based upon evidence which would be hearsay evidence in a court of law. In order to make this determination, the Executive Director may request additional information from the complainant and may obtain information from public records.

(2) If the Executive Director finds that the complaint is legally sufficient to invoke the jurisdiction of the Commission, the Executive Director shall order an investigation of the complaint.

(3) If the Executive Director finds that the complaint is not legally sufficient to invoke the jurisdiction of the Commission, the complaint shall be brought before the Commission in executive session with the recommendations of the Executive Director. The Commission may find the complaint to be sufficient and order an investigation; may find the complaint to be insufficient, dismiss it, and notify the complainant that no investigation will be made; or may take such other action as may be appropriate. In any case where a complaint is found legally insufficient and dismissed, a summary of the reasons for dismissing the complaint together with the complaint itself and all documents related thereto shall become a public record and constitute a public report.

(4) Review of complaints alleging violation of Article II, Section 8(a) or (i), Florida Constitution, or Sections 112.3144 or 112.3145, Florida Statutes, due to errors or omissions on an annual CE Form 6 – Full and Public Disclosure of Financial Interests, or CE Form 1 – Statement of Financial Interests.

(a) Effective May 1, 2013, the Commission shall treat an amended annual CE Form 6 – Full and Public Disclosure of Financial Interests, or CE Form 1 – Statement of Financial Interests, filed prior to September 1 of the year in which the disclosure is or was due as the original filing, regardless of whether a complaint has been filed.

(b) If a complaint filed after May 1, 2013, alleges an error or omission on an annual CE Form 6 – Full and Public Disclosure of Financial Interests, or CE Form 1 – Statement of Financial Interests, and is filed after August 25 of the year in which the annual disclosure is or was due, the Executive Director shall determine whether the complaint contains any allegations other than allegations of an immaterial, inconsequential, or de minimis error or omission on the disclosure form. If the complaint contains no such allegations, the staff shall take no action on the complaint other than to notify the respondent of the complaint. If the respondent files an amended disclosure correcting the error or omission with the Commission within 30 days of the date the notice is mailed, no further action shall be taken. If the respondent does not file an amended disclosure correcting the error or omission with the Commission within 30 days of the date the notice is

mailed, the procedures in subsections (1)-(3), above, shall be followed.

--	---

PURPOSE AND EFFECT: The Commission will be amending the disclosure forms adopted by reference in the rules of Chapter 34-8, FAC, to address changes as a result of legislation enacted in Chapter 2013-36, LOF, Sections 7 and 9, as well as to change the form year from 2013 to 2014. The most significant change in the law is the provision that allows a public official to have a certified public accountant or attorney prepare their disclosure form. A signature block in being added to all of the disclosure forms for this purpose.

SUMMARY: This rulemaking affects the CE Form 6 – Full and Public Disclosure of Financial Interests; CE Form 6F-- Final Full and Public Disclosure of Financial Interests; CE Form 6X – Amendment to Full and Public Disclosure of Financial Interests; CE Form 1 – Statement of Financial Interests; CE Form 1F – Final Statement of Financial Interests; and CE Form 1X – Amendment to Form 1 Statement of Financial Interests.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the

aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Approximately 40,000 persons are required by law to file either the CE Form 1 or the CE Form 6 each year, depending on their position. However, other the amount of time they expend to complete the form, any economic impact on filers is nominal. The Commission absorbs the costs of printing and distributing its forms in its annual budget.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SUMMARY: A rule concerning the certification of registered contractors will be promulgated.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

69B-231.150 Criminal Proceedings

PURPOSE AND EFFECT: The revisions in the proposed amendment are intended to conform Rule 69B-231.150, F.A.C., relating to administrative license actions based on criminal proceedings to changes already made to Rule 69B-211.042, F.A.C.

SUMMARY: Subsections (1) and (2) are amended to clarify what is meant by the terms “felony” and “revocation”. Also, the word “immediate” is removed to better reflect the administrative process requirements which exist. Subsection (3) is deleted to remove standards which are in conflict with statutory changes. A new subsection (3) is added to conform the penalty scheme with Section 626.207, F.S., and Rule 69B-211.042, F.A.C. Subsection (4) incorporates definitions from Section 626.207, F.S. Subsection (5) adds qualifications for administrative actions based on criminal proceedings outside the United States.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The rule is being amended to conform to changes made to Section 626.207, F.S. The rule does not impose any regulatory costs above those imposed directly by the underlying statute. The statutory costs are themselves very limited. The effect of the statute is to make some insurance agents subject to revocation of licensure that would not have been prior to the amendment of Section 626.207, F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
