OIR – Insurance Regulation

RULE NO.: RULE TITLE:
69O-186.013 Title Insurance Statistical Gathering
PURPOSE AND EFFECT: Pursuant to Section 627.782, Florida Statutes, title insurance agencies and insurers licensed

to do business in this state must maintain and submit certain information to the Office, including revenue, loss, and expense data. This statute authorizes rulemaking to collect and analyze such data from the title insurance industry.

The current version of Rule 690-186.013, F.A.C., implements the provisions of Section 627.782, Florida Statutes, by listing the types of information that shall be submitted to the Office by title insurance agencies and insurers. The Office is proposing to strike the current language of the rule and to replace it with new language that adopts a form, entitled "OIR-EO-2087 Title Insurance Experience Reporting-Agents and Florida Retail Offices of Direct-Writing Title Insurance Underwriters". This form will be submitted to the Office electronically by title insurance agencies and Florida retail offices of direct writing title insurers to comply with the reporting requirements of Section 627.782, Florida Statutes. The statistical data collected will be used for the purpose of analyzing premium rates, retention rates, and the condition of the title insurance industry.

SUMMARY: The current version of Rule 690-186.013, F.A.C., implements the provisions of Section 627.782, Florida Statutes, by listing the types of information that shall be submitted to the Office by both title insurance agencies and insurers. The amended Rule 690-186.013, F.A.C., will apply specifically to title insurance agencies and Florida retail offices of direct writing title underwriters. The amended rule adopts by reference the form that those entities will need to complete on an annual basis. The Office is concurrently adopting a new Rule 690-186.014, F.A.C., that will apply specifically to the collection of information required by Section 627.782, Florida Statutes from title insurance underwriters only.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

The Agency has determined that the proposed rule is expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Based on the number of title insurance agencies in the State of Florida, the relatively small cost per agency to upgrade data collection software triggers the statutory requirements for ratification. The Office estimates that this software upgrade will require title insurance agency to invest approximately \$1000.00 to upgrade its software and approximately \$2000.00 annually to collect and process the data.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF STATE

Division of Elections

RULE NO.: RULE TITLE:
IS-2.051 Federal Write-In Absentee Ballot
NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 39, No. 171, September 3, 2013 issue of the Florida Administrative Register.

(1) Application. The standards in this rule apply to determine whether the voter has clearly indicated a definite choice for purposes of counting during a recount a vote cast on a Federal Write-in Absentee Ballot, issued by the Federal Voting Assistance Program (FVAP), and available by download from the FVAP's webpage at: <http://www.fvap.gov/reference/forms.html>. Standard Form 186 (Rev. 08 2013), incorporated by reference, <http://election.dos.state.fl.us/pdf/FWABwithOMBFinal.pdf>, and available from the Division of Elections, R. A. Gray Building, Room 316, 500 South Bronough Street, Tallahassee, Florida 32399 0250, by contact at (850)245 6200, or by download from the Division's webpage at: <http://election.dos.state.fl.us/forms/index.shtml>.

(2) Use. Section 101.6952(2), F.S., governs ~~who may use~~ and when a federal write-in absentee ballot may be used in an election ~~and by whom it may be used~~.

(3) Manual review and tabulation. Subject to Section 102.166(4)(b) and (c), F.S., a vote shall ~~not~~ count ~~when it is for any particular candidate, unless~~ determined to be a valid vote pursuant to this rule.

(4) Standards. The following standards supplement the applicable standards already set out in Section 101.6952(2)(b)-(e), F.S, for determining whether when there is a clear indication that the voter has made a definite choice, whether the vote shall be counted, and for whom or what issue, in a particular race and when the valid vote shall be counted: The canvassing board shall first look at the entire ballot for consistency to make the determination.

(a) Unless the consistency of the ballot clearly indicates otherwise, the following standards apply and will constitute clear indications of a definite choice for which the vote shall count: For state and local office election races, the voter must write in the non federal designated part of the ballot. If the voter writes under the column "Office/Ballot Initiative," the title of the applicable state or local candidate's office and under the column marked "Candidate Name, Party Affiliation, or Initiative Vote," the candidate's name or party affiliation, the voter has made a definite choice. If the voter designates the candidate name or party in the box that is directly opposite of the office designated by the voter, the vote shall be counted. Otherwise, the vote shall not be counted.

1. If the voter writes the candidate's local or state office under the column "Office/Ballot Initiative," and in close proximity either on the same line, directly below or above the line, or on the line directly opposite in the next column, the voter writes a qualified candidate's name or party, the vote shall count for the qualified candidate regardless of party affiliation, or for the qualified candidate associated with the party written, whichever is applicable.

2. If the voter writes the qualified candidate's first or last name and no other qualified candidate in the race or on the ballot has the same or similar first or last name, the vote shall count for that qualified candidate regardless of proper or improper office designation.

3. If the voter uses symbols, marks, or words, such as "same" or "ditto," or arrows, or quotation marks to indicate the same political party for all offices voted, the vote shall count for each qualified candidate of that political party, except in those races in which more than one candidate of the same political party may properly be nominated or in which two or more candidates may properly be elected.

4. If the voter fails to include any district or other numbered designation associated with the office but designates the correct office name, the vote shall count for that office.

5. If the voter writes a candidate's partial or full name, but incorrectly writes the political party, the vote shall count for that candidate.

(b) Unless the consistency of the ballot clearly indicates otherwise, the following standards apply and will constitute instances where clear indications of a definite choice cannot be determined and for which the vote shall not count: When no other candidate in the race has the same or a similar name, the last name of a candidate shall be sufficient for determining a definite choice.

1. If the voter writes a candidate's first or last name, or both, but incorrectly designates the office for which the candidate has qualified.

2. If the voter writes in a candidate's name that is not on the official primary ballot of any political party.

3. If the voter designates a qualified candidate's partial or full name that is the same or similar to an opposing candidate's partial or full name in the same race without some additional mark or wording to indicate clearly that the voter has made a definite choice. (Such additional marks or wording may consist of a candidate's nickname, first name and first initial, middle name(s) and middle initial(s), other commonly known name or names, generational suffix, or professional title such as doctor, professor, counselor or judge).

(c) Unless the consistency of the ballot or the writing of the candidate's or political party's name clearly indicates otherwise (e.g., the voter writes the first and last name of the candidate or the full name of the political party on the ballot), the following standards apply when the abbreviation, initials, or name of a candidate is the same as the abbreviation or name of a political party: If the voter uses marks, symbols, or language, such as arrows, quotation marks, or the word "same" or "ditto," to indicate the same political party for all offices voted, the mark, symbol or language shall constitute a clear indication of a definite choice and the vote shall count.

1. If the political party does not have a candidate in the applicable race, the vote shall count for the candidate.

2. If the political party has only one candidate in the applicable race and the candidate is a member of the political party whose abbreviation or name is the same as the candidate, the vote shall count for the candidate.

3. If the political party has more than one candidate on the ballot, the vote shall not count for either the candidate or the party.

(d) If the voter writes in or otherwise indicates more choices than there are positions or choices for that office, it shall be considered an overvote and none of the designations by the voter are valid for that race. Failure to properly list the district or other numbered designation associated with the state or local office candidate's name does not invalidate an otherwise valid vote.

~~(e) If a candidate's last name or initials are the same as a political party's name or party abbreviated party code, the vote shall count for the candidate and not the political party, regardless of whether the candidate belongs to that party or the party has another candidate in the race. However, in order to count, the voter must designate the candidate's office and first and last names properly. If under this scenario, the voter only designates the candidate's last name, the vote shall not be counted.~~

~~(f) If the voter writes a candidate's first or last name, but does not designate or incorrectly designates the office for which the candidate has qualified, no definite choice can be determined and the vote shall not be counted.~~

~~(g) If the voter writes in both a qualified candidate's name and an incorrect political party for that candidate, no definite choice can be determined and the vote shall not be counted, regardless of whether there is an opposing candidate in the race.~~

~~(h) The designation of a candidate's first or last name when an opposing candidate has the same or similar name in the same office contest shall not constitute a clear indication of a definite choice, unless the voter has made additional marks demonstrating a clear indication of a definite choice. Such additional marks may be a nickname, another commonly known name by which the candidate is called, a generational suffix, or title associated with the candidate (e.g., doctor, professor, counselor, judge, etc.) In a general election, if the voter has also marked the candidate's party affiliation, this shall constitute a voter's definite choice and the vote shall be counted.~~

~~(i) If the voter writes in a candidate's name that is not on the official primary ballot of any political party, the vote cast shall not count.~~

~~(j) If unable to otherwise determine whether a voter has clearly indicated a definite choice, the canvassing board shall consider the entire ballot page for consistency in making such determination.~~

~~(5) Overvotes. Except as otherwise provided herein, if the voter writes in or otherwise indicates more choices than there are positions or choices for that office, it shall be considered an overvote and none of the designations by the voter are valid for that race.~~

Final Order No.: DEO-13-105

In re: A LAND DEVELOPMENT REGULATION

ADOPTED BY ISLAMORADA, VILLAGE OF ISLANDS, FLORIDA, ORDINANCE NO. 13-16

FINAL ORDER

APPROVING ISLAMORADA ORDINANCE NO. 13-16

The Department of Economic Opportunity ("Department") hereby issues its Final Order, pursuant to §§ 380.05(6) and 380.0552(9), Fla. Stat. (2012), rejecting land development regulations adopted by Islamorada, Village of Islands, Florida, Ordinance No. 13-16 (the "Ordinance").

FINDINGS OF FACT

The Florida Keys Area is designated by § 380.0552, Fla. Stat., as an area of critical state concern. Islamorada, Village of Islands, is a local government within the Florida Keys Area.

The Ordinance was adopted by Islamorada, Village of Islands, on August 22, 2013, and rendered to the Department on September 5, 2013.

The Ordinance amends Chapter 30 "Land Development Regulations," Article II "Rules of Construction and Definitions," Section 30-32 "Specific Definitions," and Article V "Schedule of District Use and Development Standards," Division 7 "Off-Street Parking, Loading and Driveway Standards" of the Code of Ordinances. The Ordinance provides that "clear sight triangle" and "visibility triangle" have the same meaning; establishes clear sight triangles for all driveways and street intersections; and provides for alterations of the clear sight triangle if contingent on unusual site topography, proposed site design features, and other unique circumstances pertaining solely to the site and surrounding properties, so long as the alteration does not constitute a traffic or pedestrian safety hazard. The Ordinance also allows certain street fixtures (street lights, power poles, traffic signs, or similar street fixtures less than one foot wide or other objects

above ten (10) feet in height above the adjacent street elevation) within the clear sight triangle unless the City determines that, individually or cumulatively, they would pose a public safety hazard. Finally, the Ordinance authorizes the planning director to allow other objects in the clear sight triangle upon a determination that they would not pose a risk to public safety.

CONCLUSIONS OF LAW

The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. §§ 380.05(6) and (11) and § 380.0552(9), Fla. Stat.

“Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations adopted by the Ordinance are land development regulations.

All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. §§ 380.05(6) and 380.0552(9), Fla. Stat. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in § 380.0552(7), Fla. Stat.

The Ordinance is consistent with Policies 2-1.3.3, 2-1.6.2, and 2-1.9.1 in the Islamorada, Village of Islands, Comprehensive Plan.

The Ordinance is consistent with the Principles for Guiding Development in section 380.0552(7), Fla. Stat., as a whole, and specifically with the following Principles:

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.

(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that Islamorada, Village of Islands’ Ordinance No. 13-16 is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.

Final Order No.: DEO-13-100

In re: A LAND DEVELOPMENT REGULATION
 ADOPTED BY ISLAMORADA, VILLAGE OF
 ISLANDS, FLORIDA, ORDINANCE NO. 13-17
 FINAL ORDER

APPROVING ISLAMORADA ORDINANCE NO. 13-17

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to §§ 380.05(6) and 380.0552(9), Fla. Stat. (2013), approving land development regulations adopted by Islamorada, Village of Islands, Florida, Ordinance No. 13-17 (the “Ordinance”).

FINDINGS OF FACT

The Florida Keys Area is designated by § 380.0552, Fla. Stat., as an area of critical state concern. Islamorada, Village of Islands, is a local government within the Florida Keys Area.

The Ordinance was adopted by Islamorada, Village of Islands, on August 22, 2013, and rendered to the Department on August 31, 2013.

The Ordinance amends the Village Code of Ordinances by amending Chapter 30, “Land Development Regulations,” Article II, “Rules of Construction and Definitions,” Section 30-32, “Specific Definitions” to clarify the definition of a “Setback” in general and to add definitions for specific types of setbacks (i.e. “Setback, front yard,” “Setback, rear yard,” “Setback, side yard,” “Setback, interior side yard,” and “Setback, street side yard”). The new definitions allow roof overhangs of up to two-feet to encroach on setbacks provided other requirements are met. The definitions include diagrams to make their meanings clear.

The Ordinance also amends Article V, “Schedule of District Use and Development Standards,” Division 2, “Zoning Districts” of the code to allow increased flexibility in the location of principle and accessory structures relative to setbacks. The Ordinance eliminates distinctions between different types of accessory structures (e.g. a pool vs. a tiki hut), instead applying the same setback requirements to any accessory structure. The Ordinance also modifies front, side,

and rear yard setbacks. However, the Ordinance does not change any setback required by Article VII, "Environmental Regulations." The Ordinance includes a table summarizing the various setback requirements.

CONCLUSIONS OF LAW

The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. §§ 380.05(6) and (11) and § 380.0552(9), Fla. Stat.

"Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations adopted by the Ordinance are land development regulations.

All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. §§ 380.05(6) and 380.0552(9), Fla. Stat. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in § 380.0552(7), Fla. Stat.

The Ordinance is consistent with the Principles for Guiding Development as a whole and specifically furthers the following Principles:

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.

(e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.

(f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.

The Ordinance is consistent with Policy 1-4.2.1, Policy 1-4.10.6, and Policy 5-1.2.1 of the Islamorada, Village of Islands, Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Islamorada, Village of Islands, Ordinance No. 13-17 is found to be consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
