Proposed Rules

DEPARTMENT OF STATE

Division of Elections

RULE NO.: RULE TITLE:

1S-2.052 Election Day Delivery of Absentee Ballot
PURPOSE AND EFFECT: This new proposed rule is required to incorporate by reference a new form DS-DE 136 entitled "Election Day Absentee Ballot Delivery Affidavit" that the Department of State is required to adopt pursuant to Chapter 2013-57, Laws of Florida. In order for an absentee ballot to be delivered on Election Day, a voter or voter's designee must first execute this affidavit stating the emergency situation that prevents him or her from voting at his or her polling place on Election Day.

SUMMARY: This rule incorporates form DS-DE 136, which is the affidavit required to be completed when a designee picks up a voter's absentee ballot on election day.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This rule will not require legislative ratification pursuant to Section 120.541(3), F.S., because the rule applies only to election-related activities. Based upon past experiences with rules of this nature, this rule will not have an adverse effect on businesses or private-sector economic growth, job-creation, employment or investment; it is not likely to have an adverse impact on business competitiveness nor innovation in excess of the statutory threshold; nor will it increase regulatory costs in excess of the threshold mandating legislative ratification. No other statute requires legislative ratification for this rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
