

Section I
Notice of Development of Proposed Rules
and Negotiated Rulemaking

FISH AND WILDLIFE CONSERVATION COMMISSION

Marine Fisheries

RULE NOS.: RULE TITLES:

68B-3.003 Repeal of Chapter 21254, Gilchrist County Special Acts

68B-3.004 Repeal of Chapters 21305, 77-572, and 79-480, Indian River County Special Acts

PURPOSE AND EFFECT: The purpose of this rule development is to repeal the Special Acts of Local Application (Special Acts) for Gilchrist and Indian River.

Chapter 21254, L.O.F., allowed the year round sale of saltwater fish in Gilchrist County, provided the seller is properly licensed. Chapter 21305, L.O.F., prohibited nets and limits the type of gear that can be used to take fish in the Indian River channel or its banks. Chapter 77-572, L.O.F., limited the type of fishing gear that can be used to take fish near the bridges of the Indian River and Sebastian Inlet or the canals of Indian River County. It also prohibited throwing cast nets from most Indian River County bridges. Chapter 79-480, L.O.F., prohibited shellfish harvest on submerged lands within 75 feet of the shore, with allowances for shellfish harvest on privately owned submerged lands or docks. These Special Acts will be repealed in order to ensure that current relevant statewide rules apply in these Counties, creating greater consistency among saltwater fishing regulations.

The effects of this rule will be to repeal a series of outdated and/or redundant saltwater fishing regulations, eliminate confusion, and increase consistency with current statewide regulation. The repeal of Chapter 21254, L.O.F., Gilchrist County Special Acts will have no effect on fishing regulations because the provisions of these Special Acts are already provided for elsewhere in Florida Statutes, the Florida Constitution and Florida Administrative Code. The repeal of Chapters 21305, 77-572 and 79-480, Indian River County Special Acts, will create greater consistency among Florida fishing regulations by ensuring that existing statewide gear regulations and regulations on oyster harvest are applied in Indian River County.

SUBJECT AREA TO BE ADDRESSED: Subject areas to be addressed in the rule development notice include the repeal of Special Acts; the sale of saltwater fish in Gilchrist County; the types of fishing gear permitted and areas they can be used, and shellfish harvest in marine waters of Indian River County.

RULEMAKING AUTHORITY: Art. IV, Sec. 9, Florida Constitution.

RULE NO.: RULE TITLE:

64B2-13.007 Continuing Education During Initial Licensure Period

The Board of Chiropractic Medicine hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on November 10, 2013, by O’Dane Brady, D.C. The Notice of Petition for Waiver or Variance was published in Volume 39, Number 245, of the December 19, 2013, Florida Administrative Register. The Petitioner was seeking a waiver or variance of subsection 64B2-13.007(1), Florida Administrative Code, entitled “Continuing Education During Initial Licensure Period,” which requires that during the first twelve (12) months after initial licensure, practitioners are required to attend one (1) full day at a Florida Board of Chiropractic Medicine meeting at which disciplinary hearings are conducted as provided in subsection 64B2-13.004(8), F.A.C. Beginning April 1, 2008, practitioners are required to attend six (6) hours of record keeping/documentation and coding and two (2) hours in the area of ethics and boundaries. Once the hours required by Rule 64B2-13.0045, F.A.C., have been met, licensed practitioners shall not be required to complete any other continuing education requirements during the biennium in which they receive initial licensure. The Board considered the instant Petition at a duly-noticed meeting, held January 3, 2014, in Orlando, Florida.

The Board's Order, filed on January 13, 2014, granted the petition finding that Petitioner had established that the purpose of the underlying statute would be met by granting a variance or waiver from subsection 64B2-13.007(1), F.A.C. The Board further finds that Petitioner established that applying the requirements of the aforementioned rule to the described circumstances would violate principles of fairness and impose substantial hardship.

DEPARTMENT OF HEALTH

Board of Chiropractic

NOTICE IS HEREBY GIVEN that the Board of Chiropractic Medicine has issued an order disposing of the petition for declaratory statement filed by Paul W. Lambert, Esquire on behalf of The Florida Chiropractic Association, Inc. and Robert Watkins, D.C. on December 3, 2013. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement published on December 5, 2013, in Vol. 39, No. 235, of the Florida Administrative Register. Petitioner sought the Board's interpretation of Chapter 460, Florida Statutes, entitled, "Chiropractic Medicine," as to whether a Florida licensed chiropractic physician using web based advertising under a contract with a web based company facilitating the advertisement to offer discounted vouchers for chiropractic services violates either Section 456.054 or Section 817.505(1), Florida Statutes. The Board of Chiropractic Medicine considered the Petition at its meeting held on January 3, 2014, in Orlando, Florida. The Board's Order filed on January 13, 2014, states that the Florida Board of Chiropractic Medicine does not have jurisdiction to interpret Chapter 817, Florida Statutes, the Fraudulent Practices statute. The Board voted to answer the petition by stating that the advertising model of Groupon as described in the petition is not a kickback under state law as defined in Section 456.054, Florida Statutes.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Adrienne Rodgers, Executive Director, Board of Chiropractic Medicine, 4052 Bald Cypress Way, Bin # C07, Tallahassee, Florida 32399-3257 or at mqa_chiropractic_medicine@doh.state.fl.us or by telephone: (850)245-4355.
