RULE NO.:           RULE TITLE:  
 64B16-28.100    Pharmacy Permits – Applications and Permitting

PURPOSE AND EFFECT: The Board proposes the rule amendment to update form DH-MQA 1220 incorporated by reference into this rule consistent with Rule 64B16-28.810, F.A.C.

SUMMARY: The proposed rule amendment is necessary to make form DH-MQA 1220 incorporated by reference into this rule consistent with Rule 64B16-28.810, F.A.C.

#### SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature because the changes to the rule text only update an incorporated form used for special permits, the changes to the incorporated form are at the request of JAPC to make the form consistent with rule

64B16-28.810, and the request of such a special permit by a pharmacy under rule 64B16-28.810 is optional. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 68B-14.0036  
RULE TITLE: Recreational Bag Limits: Snapper, Grouper, Hogfish, Black Sea Bass, Red Porgy, Amberjacks, Tilefish, Exception, Wholesale/Retail Purchase Exemption

PURPOSE, EFFECT AND SUMMARY: NOAA Fisheries eliminated rules that prohibited captain and crew of for-hire vessels from retaining recreational bag limits of vermilion snapper, groupers, and tilefish in federal waters of the South Atlantic (formerly in 50 C.F.R. § 622.187(b)(2) and 622.187(b)(5), effective January 27, 2014). The purpose of this rule amendment is to allow captain and crew of for-hire vessels to retain recreational bag limits of vermilion snapper, groupers, and golden tilefish in state waters of the Atlantic (including Monroe County for golden tilefish and groupers). This rule was eliminated because it was not serving its intended purpose of limiting harvest of vermilion snapper and gag grouper. When the rule was in place, the percentage decrease in overall harvest of these species was small and not considered to be a significant source of harvest protection. In addition, regulations were confusing because some species could be retained by for-hire captains and crew but not others.

This rule amendment also would update a federal citation concerning the recreational bag limit of Atlantic vermilion snapper. The purpose of this amendment is to have the correct federal citation in rule.

The effect of this rule amendment is that federal and state regulations regarding recreational bag limits for vermilion snapper, groupers, and golden tilefish for captain and crew of for-hire vessels can be applied consistently in waters of the Atlantic. Allowing captain and crew to keep recreational bag

limits of all snapper grouper species could alleviate confusion among for-hire fishermen, make law enforcement more efficient, and allow captain and crew of for-hire vessels to keep these species for personal consumption. Having the correct federal citation for recreational bag limits of vermilion snapper will aid in law enforcement and reduce confusion when reading the rule.

Rule 68B-14.0036 (Recreational Bag Limits: Snapper, Grouper, Hogfish, Black Sea Bass, Red Porgy, Amberjacks, Tilefish, Exception, Wholesale/Retail Purchase Exemption.) would be amended to eliminate language prohibiting captain and crew of for-hire vessels from retaining recreational bag limits of vermilion snapper, groupers, and golden tilefish in state waters of the Atlantic. Additionally, the federal citation listed for recreational bag limits of Atlantic vermilion snapper would be amended to the current location of the federal rule.
