PURPOSE AND EFFECT: The purpose and effect of the proposed amendment is to make it clearer to both inmates and Department staff that “grievances” that violate Rule 33-602.203(7), F.A.C., “Control of Contraband,” will not be treated as grievances, but as contraband.

**WATER MANAGEMENT DISTRICTS**

**Southwest Florida Water Management District**

RULE NO.: 40D-8.624  
RULE TITLE: Guidance and Minimum Levels for Lakes

PURPOSE AND EFFECT: The purpose of this rulemaking is to adopt revised minimum and guidance levels for Lake Padgett located in Pasco County and Lake Starvation located in Hillsborough County. The effect of the rule is to support the District’s water supply planning, water use permitting, and environmental resource permitting programs.

SUMMARY: Section 373.042, F.S., requires the District to establish minimum flows and levels for water bodies located within the District’s boundaries. Section 373.0421(3), F.S., further requires the District to periodically reevaluate and revise adopted minimum flows and levels. This rulemaking will revise the minimum levels for Lakes Padgett and Starvation, which are located within the Hillsborough River Groundwater Basin and hydrologically connected to the Upper Floridan aquifer ground water system. In addition, flow from these lakes contribute to the surface water flow of major tributaries to the Hillsborough River. The establishment and periodic evaluation of minimum levels is required by statute to ensure that the minimum hydrologic requirements of the water resources and ecology of these lakes and the Hillsborough River are maintained. The revised minimum and guidance levels for Lakes Padgett and Starvation have been developed using previously peer-reviewed, Governing Board adopted methods.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District conducted an economic review of the revisions to the rule and determined that the impact or regulatory cost, if any, of the revisions will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S. The revised minimum levels for this lake is unlikely to constitute an additional significant regulatory constraint on groundwater or surface water withdrawals in the area due to existing resource conditions and regulatory constraints in the basin.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 41 No. 144, July 27, 2015 issue of the Florida Administrative Register.

The Residency Declaration was revised to provide for other qualified aliens as defined under federal law to be eligible to qualify as a Florida resident for tuition purposes, and the date of the Residency Declaration was changed from August 28, 2014, to September 3, 2015. In addition, the language pertaining to documentation showing proof of a permanent home in Florida occupied as a primary resident for 12 consecutive months prior to the student's enrollment was supplemented to allow for the person claiming residency to submit multiple leases reflecting a Florida address. The language pertaining to documentation of proof of permanent employment in Florida for at least 30 hours per week for a 12-month period was also supplemented to allow for the person claiming residency to submit an Internal Revenue Service 1099 with verification of employment for the past 12 consecutive month period from an employer. Finally, technical changes were made to the Residency Declaration to re-order the sections so that the ability to qualify as a Florida resident by virtue of the statutory provisions set forth in section 1009.21(10), Florida Statutes, would appear in the first part of the Residency Declaration, thereby making it easier for students who meet one of those provisions to complete the Declaration.

RULE NO.: RULE TITLE:  
53ER15-38 Retailer FLORIDA LOTTO® Bonus  
Commission Program

SUMMARY: The rule describes the Retailer FLORIDA LOTTO® Bonus Commission Program in which the Florida Lottery will award bonus commissions to retailers that sell a winning jackpot ticket for a Wednesday or Saturday FLORIDA LOTTO drawing. This rule replaces rule 53ER13-8, F.A.C.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER15-38 Retailer FLORIDA LOTTO® Bonus Commission Program.

(1) The Florida Lottery will conduct, as a retailer sales incentive, a Retailer FLORIDA LOTTO® Bonus Commission Program (“Program”) in which the Florida Lottery will award bonus commissions to retailers that sell a winning jackpot ticket for a Wednesday or Saturday FLORIDA LOTTO drawing.

(2) The bonus commission will start at \$10,000. In the event no winning jackpot ticket is sold for a FLORIDA LOTTO drawing, the bonus commission amount will increase by \$5,000 per draw until a winning jackpot ticket is sold, up to a maximum bonus commission of \$100,000.

(3) If multiple winning jackpot tickets are sold for the same FLORIDA LOTTO drawing, the retailers selling such tickets will share the bonus commissions. Each retailer selling a winning jackpot ticket will receive a share of the bonus equal to the number of winning jackpot tickets sold by that particular retailer divided by the total number of winning jackpot tickets sold for that drawing.

(4) Award of a bonus commission is not dependent upon the winning jackpot ticket being claimed by the winner.

(5) Retailers whose Florida Lottery contracts are terminated or inactivated prior to the bonus commission award shall be paid the bonus commission earned provided said termination or inactivation was not due to noncompliance with Chapter 24, Florida Statutes, Chapter 53, Florida Administrative Code or retailer contract terms.

(6) A bonus commission will be considered compensation to the retailer for Internal Revenue Service purposes. The Florida Lottery reserves the right to apply a bonus commission earned against a retailer's outstanding debt to the Florida Lottery, and to award the remaining balance of the bonus commission, if any.

(7) FLORIDA LOTTO bonus commissions are subject to availability of funds appropriated for retailer incentives. This Program is subject to cancellation by future emergency rule if retailer incentive funding is not appropriated or if the Florida Lottery determines that it is no longer in the state's best interest to use such funds for this purpose.
