The SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATIONS shall read as:

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Commission determined that the rule in question may very well have some adverse impact on entities that will qualify as small business. A SERC has been prepared by the Commission. The Commission has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs. In summary, the rule will not adversely impact economic growth, private-sector job creation or employment, or private-sector investments. The rule will not directly or indirectly increase regulatory costs in excess of \$1 million in the aggregate within 5 years after the implementation of the rule. The SERC prepared by the Commission staff estimates that the costs to small business will be approximately \$198, 470 in one year and \$992,350 over five years. The Commission estimates that 19 amateur sanctioning organizations will be required to comply with the rule. The Commission estimates 1003 amateur mixed martial arts participants and 70 amateur participants over the age of 40 will be required to comply. The Commission will not incur any cost for enforcing the proposed rule within its current workload with existing staff. No cost will be incurred by any other state or local government for enforcing the proposed rule. Transactional costs incurred by individuals who are required to comply with the requirements of the proposed rule will be minimal. The raise in costs is derived from the various tests required to be performed by amateur mixed martial arts participants and additional test to be performed by amateur participants over the age of 40. Any person who wishes to provide information regarding a statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(1) Beginning August 11, 2015, and continuing through October 6, 2015, the Florida Lottery (or “Lottery”) will conduct the Guy Harvey® Heroes Adventure Second Chance Promotion in which players can enter their non-winning Florida Lottery GUY HARVEY®HEROES Scratch-Off tickets (or “GUY HARVEY® HEROES Scratch-Off tickets”) from game 1283 on the Florida Lottery website for a chance to win one of three resort and fishing trip packages for two persons including \$500 cash, original Guy Harvey® framed artwork, or a \$200 gift certificate to GuyHarvey.com. Winning GUY HARVEY® HEROES Scratch-Off tickets cannot be used for entry into the second chance promotion.

(2) **How to Enter.** To enter a non-winning GUY HARVEY® HEROES Scratch-Off ticket into one of the second chance drawings further described in subsection (3) below, players must enter on the Florida Lottery’s website at www.flalottery.com. On the home page of the Lottery’s

website, players can click on the Guy Harvey® banner and follow the “Ticket Entry” directions. Players will be prompted to log-in or register. The 24-digit ticket number (4-digit game number and 20-digit ticket number) is located at the bottom on the front of a GUY HARVEY® HEROES Scratch-Off ticket under the latex covering. Players are to scratch off the latex covering to reveal the number and enter the entire 24-digit ticket number in the designated area. Players may enter as many times as they wish during the contest period; however, each valid ticket number may only be used one time, for one entry into one second chance drawing. Tickets should not be mailed to the Lottery unless players are contacted by the Florida Lottery and requested to do so. Non-winning tickets received in the mail by the Florida Lottery will not be entered into the drawing and will not be returned. The odds of winning depend on the number of entries submitted. DEPARTMENT OF TRANSPORTATION

The Florida Department of Transportation District 2 announces a public meeting to which all persons are invited.

DATE AND TIME: August 17, 2015 4:30 p.m. – 6:30 p.m.

PLACE: Bradford County Fair Association, Building 1, 2300 N. Temple Avenue, Starke, FL 32091

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Department is conducting a Project Development and Environment Study for a possible railroad overpass in Starke. The City of Starke is divided by the CSX railroad that runs parallel to US 301, and although there are numerous locations to cross the tracks, there are no raised crossings over the railroad in Starke. Additionally, there are approximately 29 trains per day that utilize the tracks. As a result, emergency vehicles and other motorists experience longer-than-average wait times throughout the day. With expectations of an increase in trains per day, an overpass would improve emergency response times and allow traffic to flow more freely. The goal of the study is to identify a suitable location within Starke. This meeting is an opportunity for interested persons to express their views concerning the location, conceptual design, and social, economic and environmental effects of the proposed improvements.

Persons who wish to submit written statements may do so at the meeting or send them to the contact person listed below.

Public participation is sought without regard to race, color, national origin, age, sex, religion, disability or family status.
