(1)(a) All persons holding active or inactive licenses as brokers or sales associates must satisfactorily complete a minimum of 14 hours of instruction of 50 minutes each as the Commission has prescribed or approved during each license renewal period excluding the first renewal period of their current license.

(b) For all courses approved for classroom delivery, 50 minute hours means fifty minutes of classroom instruction, exclusive of any breaks, recesses, or other time not spent in instruction. Classroom hours are the hours delivered live by an instructor in a classroom or by live streaming or any means of video conferencing technology while students are in attendance at permitted or approved school locations.

~~(b) The Commission shall approve any specialty course, seminar or conference in the real estate practice area provided by a public or private school, firm, association, organization, person, corporation or sponsor ("provider"). "Specialty" courses on real estate practices shall be approved for no less than 2 hours and for not more than 11 hours of instruction of 50 minutes each. Courses shall not be approved for fractional hours. The Commission will approve the course for 24 months plus the remaining period of the renewal cycle following the end of the 24 month period at which point the course will expire. A provider must submit two complete sets, including one blind copy, of course materials and end of course examinations to the Commission for evaluation at least 60 days prior to use and receive approval before it may offer the course examination. Approval or denial of a "specialty" course will be based on its compliance with the criteria established in Section 475.182(1), F.S. Thereafter, it is the responsibility of the provider offering the Commission-approved courses to keep the course materials current and accurate, as changing times and laws require, and obtain approval from the Commission at least 60 days before implementing any significant changes to the course during its approval period.~~

(c) Any school or provider requesting approval for a distance learning course via streaming video or any other means of video conferencing technology must submit to the DBPR at the time of course submission all course materials as well as information on the delivery method and software platform being used.

(d) Distance learning means the delivery of education offerings or courses by correspondence or via the internet and/or other interactive electronic media. Such offerings or courses shall be interactive, providing for the interchange of information between the student and instructor, and shall provide for the registration, evaluation, and monitoring of students.

(e) 50 minute hours for distance learning courses shall be the equivalent of the 50 minute classroom hour in a classroom delivery course.

(f) The Commission shall approve any specialty course, seminar or conference in the real estate practice area provided by a public or private school, firm, association, organization, person, corporation, sponsor or provider. "Specialty" courses on real estate practices shall be approved for no less than 2 hours and for not more than 8 hours of instruction of 50 minutes each. Courses shall not be approved for fractional hours. The Commission will approve the course for 24 months. A school or provider must submit the course materials and end-of-course examinations to the Commission for evaluation at least 60 days prior to use and receive approval before it may offer the course. Approval or denial of the Commission-required Core Law course will be based on the extent to which the course content covers the above-referenced subject areas. The Commission-prescribed Ethics and Business Practices course totaling 3 hours of instruction of 50 minutes each will cover general business ethics applicable to any business and/or real estate. Examinations, if required, must test the course material. If course approval is denied, the institution or school

may resubmit the course, with the mandated changes for re-evaluation.

~~(b) Excluding the first renewal period of the current license, a Licensee must take the 3-hour Core Law course at least once during each licensure renewal period.
