**Section II
Proposed Rules**

WATER MANAGEMENT DISTRICTS

Southwest Florida Water Management District

RULE NO.: RULE TITLE:

40D-2.091 Publications Incorporated by Reference

PURPOSE AND EFFECT: The purpose of this rulemaking is to incorporate the revised Form LEG-R.053.00, Flow Meter Post-Installation Information Reimbursement Form, into Rule 40D-2.091, F.A.C. The effect of the rule is that the appropriate Form for requesting reimbursement for the installation of a flow meter will be located in Rule 40D-2.091, F.A.C.

SUMMARY: Forms and Instructions.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the

implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District conducted an economic review of the revisions to the rule and determined that the impact or regulatory cost, if any, of the revisions will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S. The proposed revisions to the Form do not require additional information from the applicant for flow meter reimbursement. Therefore, it is not anticipated to increase costs associated with completing the Form. Further, participation in the flow meter reimbursement program is voluntary. Generally, applicants for reimbursement would participate only if the benefits of reimbursement outweigh the costs of applying to the program. Based on the foregoing, the proposed rule will have no adverse impacts and is not likely to directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate in the state within one year after the implementation of the rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

61G15-18.011 Definitions

PURPOSE AND EFFECT: The purpose of the amendment is to incorporate the Florida Fire Prevention Code into the Board’s rules by reference.

SUMMARY: To incorporate the Florida Fire Prevention Code.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

64B8-4.009 Applications

PURPOSE AND EFFECT: The proposed rule amendments are intended to incorporate the revised application for interns/residents/fellows and house physicians, and the revised temporary certificate for visiting physicians.

SUMMARY: The proposed rule amendments to incorporate the revised application for interns/residents/fellows and house physicians, and the revised temporary certificate for visiting physicians.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the

statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**Section VII
Notice of Petitions and Dispositions
Regarding Declaratory Statements**

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

Corrected Notice of Disposition: The Florida Real Estate Commission hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement, filed on January 7, 2015, by Don J. Milner, attorney with Fennemore Craig, P.C. on behalf of Retirement Housing Foundation and Foundation Property Management. The Notice of Petition for Declaratory Statement was published in Vol. 41, No. 14, of

the January 22, 2015 Florida Administrative Register. The Commission considered the Petition at duly-noticed public meetings on February 17, 2015 and March 17, 2015. The Petition sought the Commission’s interpretation of Sections 475.011(2) and (4), F.S., and further sought an opinion on whether Petitioners are exempt from the requirement of having a real estate license, when providing property management services including maintenance, operations management, and leasing services for Petitioner’s affiliate companies’ real property.

The Commission’s Order, filed March 19, 2015, grants the petition because the Commission finds that the Petitioners are exempt pursuant to §§ 475.011(2) and (4), Florida Statutes, from maintaining a Florida real estate broker or agent license when Petitioners’ salaried or hourly employees provide property management services including maintenance, advertising, operations management, and leasing for real property which is owned by the Petitioners’ affiliated companies.

A copy of the Commission’s Order may be obtained by contacting: Lori Crawford, Executive Director, Division of Real Estate, 400 West Robinson Street, Suite N801, Orlando, Florida 32801.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

Corrected Notice of Disposition: The Florida Real Estate Commission hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement, filed on May 16, 2016, by David Berner, on behalf of Southeast Land Consultants, Inc. The Notice of Petition for Declaratory Statement was published in Vol. 42, No. 103, of the May 26, 2016 Florida Administrative Register. The Commission considered the Petition at a duly-noticed public meeting on June 14, 2016. The Petition sought the Commission’s interpretation of Sections 475.41 and 475.42, F.S., and further sought an opinion on whether a commission can be paid to an unlicensed single member LLC.

The Commission’s Order, filed on July 20, 2016, denies the petition because: the Commission finds that the Petitioner has not demonstrated that he has standing; Rule 28-105.001, F.A.C., provides that a declaratory statement is not the appropriate means for determining the conduct of another person; some commissions have already been paid, so conduct has already occurred; the Petitioner has no case or controversy in this matter; and litigation may be ongoing or imminent.

A copy of the Commission’s Order may be obtained by contacting: Lori Crawford, Executive Director, Division of Real Estate, 400 West Robinson Street, Suite N801, Orlando, Florida 32801.
