Proposed Rules

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: 6A-1.094221
RULE TITLE: Alternative Standardized Reading Assessment and Use of Student Portfolio for Good Cause Promotion

PURPOSE AND EFFECT: Align the rule to Florida Statutes based on revisions made to section 1008.25, F.S., in House Bill 7069.

SUMMARY: The rule gives the criteria for school districts, administrators and parents to use when a third-grade student identified for retention may be promoted to fourth grade using an alternative assessment or the third-grade student portfolio. Criteria is determined through an analysis conducted by the Department of Education. Also included in the rule are criteria for the third-grade student portfolio, specifically, who may select items to be included in the portfolio, assurance that the items are appropriate and demonstrate the students ability to perform successfully on third grade standards. The portfolio

must contain a percentage of informational and literary text and be signed by the student's teacher and principal.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: There would be no economic impact from this amendment and the adverse impact or regulatory cost, if any, does not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), Florida Statutes.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
