Proposed Rules**

DEPARTMENT OF EDUCATION

Florida's Office of Early Learning

RULE NO.: RULE TITLE:

6M-8.610 Voluntary Prekindergarten (VPK) Director Credential for Private Providers

PURPOSE AND EFFECT: The purpose of the rule is to adopt additional minimum standards and educational requirements for an individual to receive the VPK director credential. These new requirements are aligned with the Performance Standards for Children Participating in VPK.

SUMMARY: The rule establishes requirements for successful completion of the Voluntary Prekindergarten (VPK) Education Program Director Credential.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The office's economic analysis of the adverse impact or potential regulatory costs of the proposed rule revisions did not exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. A SERC is not required because the rule revisions potentially have a slight cost of \$10.00 per online training course. Since individuals that have their VPK Director Credential prior to November 1, 2017 are not impacted by the rule revision, a minimum amount of providers and/or individuals will be impacted by the cost.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 1001.213, 1002.57(1), 1002.79 FS.

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 20, 2017, the Division of Hotels and Restaurants received a Petition for a Routine Variance for subsection 61C-4.010(7), Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, from Chill Pop Lounge LLC located in St. Cloud. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 43, No. 120, F.A.R., on June 21, 2017. The Order for this Petition was signed and approved on July 7, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within The Purple Orchid Cafe (9318 E Colonial Dr A9, Orlando, FL 32817), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of MP Food Services LLC (Almendra's Kitchen) and/or The Purple Orchid Cafe (The Purple Orchid Café LLC) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.
