DEPARTMENT OF LAW ENFORCEMENT
Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:

11B-30.008: State Officer Certification Examination Site Administration

NOTICE IS HEREBY GIVEN that on October 18, 2017, the Florida Department of Law Enforcement received a petition for a permanent waiver of subsection 11B-30.008(1), F.A.C., from Joseph O’Neil. Petitioner wishes to waive that portion of the Rule that states, in pertinent part: Administration of the Computer-Based State Officer Certification Examination (CB-SOCE) shall be limited to test sites authorized by the Commission and located within the State of Florida...In justification of his petition for waiver, Petitioner asserts that he was a law enforcement officer in the state of New York who completed a Florida Equivalency of Training Program, and, in June of 2017, sat for and passed a CB-SOCE at a Pearson VUE testing center in New York. Prior to registering for the CB-SOCE, Petitioner asserts that an FDLE employee told Petitioner that he could sit for the CB-SOCE at the testing center in New York. On September 5, 2017, Petitioner obtained employment with the Brevard County Sheriff’s Office (“BCSO”); to accept the position with the BCSO, Petitioner resigned his position with the Onondaga County Sheriff’s Office in New York. On September 6th, 2017, FDLE activated Petitioner’s law enforcement certification based upon his employment with the BCSO and his apparent compliance with FDLE’s Rules. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would be unable to continue to work in the law enforcement officer position for which he was trained and hired until he sits for and passes a Florida SOCE administered within the State of Florida. A copy of the Petition for Variance or Waiver may be obtained by contacting Dana Kelly, Agency Clerk, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by telephone at (850)410-7676.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Professional Engineers

The Board of Professional Engineers hereby gives notice of the issuance of an Order regarding the Petition for Variance or Waiver, filed on March 21, 2017, by Gregory B. Reinke, P.E. The Notice of Petition for Variance or Waiver was published March 29, 2017 in Vol. 43, No. 61 of the Florida Administrative Register. Petitioner sought a permanent waiver of paragraph 61G15-35.003(1)(b), F.A.C., regarding the requirements for certification as a Special Inspector. The Board considered the Petition at a duly-noticed public meeting held on April 13, 2017, in Orlando, Florida. The Board's Order, filed on May 22, 2017, granted the Petition for permanent waiver finding the applicant met the purpose of the underlying statute by other means, in that he possesses sufficient design and inspection experience to be certified and that application of the rule's requirements to Petitioner's particular facts and circumstances would violate principles of fairness.

A copy of the Order or additional information may be obtained by contacting Zana Raybon, Executive Director, Board of Professional Engineers, 2639 North Monroe Street, Suite B-112, Tallahassee, Florida 32303, telephone 850-521-0050 or by email: zraybon@fbpe.org.

Matos-Cruz, OD, on February 8, 2017. The Notice was published on February 10, 2017 in Volume 43, No. 28 of the Florida Administrative Register. Petitioner filed a revised petition on March 17, 2017. The Notice was published in Vol. 43, No. 54, of the Florida Administrative Register, on March 20, 2017. The Petitioner sought a variance and waiver from Rule 64B13-4.001, F.A.C., with regard to waiver of the seven (7) year provision and the requirement that applicants pass all four (4) parts of the examination, contained in paragraph (2). Petitioner also seeks a waiver of the requirement in paragraph (1)(b) that applicants for Florida licensure must have obtained a passing score on the Treatment and Management of Ocular Disease (TMOD) section of Part II of the examination. The Board, at its meeting held on May 19, 2017, voted to deny the Petition for Waiver or Variance finding that the Petitioner failed to demonstrate how she has met the purpose of the underlying statute by other means. In addition, the Board determined that Petitioner failed to demonstrate how application of the rule provisions at issue to Petitioner would violate the principles of fairness or constitute an undue hardship on Petitioner.

NOTICE IS HEREBY GIVEN that the Board of Massage Therapy has issued an order disposing of the petition for declaratory statement filed by Michelle Lynn Miller-Schumacher on August 10, 2017. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published August 15, 2017 in Vol. 43, No. 158 of the, Florida Administrative Register. The petition seeks a declaratory statement from the Board as to whether setting up a room within a nursing and rehabilitation center to provide massage services to residents would fall under the exceptions in Section 480.046, FS, and therefore be exempt from the requirement of an establishment license. The Board's Order, filed on October 12, 2017, finds the petition is in substantial compliance with the provision of Section 120.565, F.S., and Rule 28-105, F.A.C.
