RULE NO.: RULE TITLE:

40C-1.603 Permit Fees

PURPOSE AND EFFECT: The purposes and effects of the proposed rule amendments are to: (1) amend the fees for consumptive use permit (CUP) applications to base fees solely on the amount of water proposed; and (2) create a new free application fee category to incentivize CUP renewals with a project that would provide a water quantity benefit to a water resource.

SUMMARY: The proposed rule amendment would: (1) amend the fees rule to lower certain small CUP fees; and (2) create a new free application fee category for certain CUP renewals.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District has completed for the Governor’s Office of Fiscal Accountability and Regulatory Reform (OFARR) the “Is a SERC Required?” form and prepared a summary of the proposed rule amendments, which are both available upon request. Based on the completed “Is a SERC Required?” form and summary and the analysis performed by the District in preparing and completing those documents, the proposed rule amendments are not expected to require legislative ratification pursuant to subsection 120.541(3), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Board of Chiropractic Medicine hereby gives notice:

Of the issuance of an Order regarding the Petition for Variance or Waiver filed on August 11, 2017, by Joseph Penge, D.C. The Notice of Petition for Variance or Waiver was published in Volume 43, Number 163, of the August 22, 2017, Florida Administrative Register. The Petitioner was seeking a variance or waiver of Rule 64B2-13.004(3), F.A.C., which specifies the required criteria for online continuing education courses. The Board considered the instant Petition at a duly-noticed meeting held November 3, 2017, in Orlando, Florida. The Board's Order was filed on November 20, 2017. Because the Board approved the continuing education course Petitioner requested to take, the Petition for Variance or Waiver of the Rule's provision is moot, and is therefore denied for that reason.

A copy of the Order or additional information may be obtained by contacting: Dr. Anthony Spivey, Executive Director, Board of Chiropractic Medicine, 4052 Bald Cypress Way, Bin #C07, Tallahassee, FL 32399-3255, telephone: (850)488-0595 or by electronic mail – Anthony.Spivey@flhealth.gov.
