RULE NO.: 64B8-55.005 RULE TITLE: Notice of Noncompliance; Rules Designated as Minor Violations for First Time Offense.

PURPOSE AND EFFECT: The proposed new rule establishes rules designated as minor violations for first time offense, in compliance with recent statutory changes to Section 120.695, F.S.

SUMMARY: Discipline and licensure restrictions; notice of noncompliance.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

64B8-55.005 Notice of Noncompliance; Rules Designated as Minor Violations for First Time Offense.

(1) In accordance with Sections 456.073(3) and 120.695, F.S., the Department is authorized to issue a notice of noncompliance as a first response to a minor rule violation that does not result in economic or physical harm to a person or adversely affect the public health, safety, and welfare, when it is reasonable to assume that the violator was unaware of the rule or unclear as to how to comply with it. Failure of a licensee to take action to correct the minor rule violation within 15 days of receipt of the noncompliance notice shall result in either the issuance of a citation pursuant to Rule 64B8-55.002, F.A.C., when appropriate, or the initiation of regular disciplinary proceedings pursuant to Chapters 456 and 478, Florida Statutes. A timely and successful response to a notice of noncompliance is not a first offense for purposes of a citation or regular discipline.

(2) The minor rule violations for which the Board authorizes the Department to issue a notice of noncompliance for a first offense are:

(a) Failure to maintain on file with the Council the current address at which any notice required by law may be served by the Department, the Board, the Council, or its agents, as required by Rule 64B8-50.008, F.A.C.

RULE NO.: RULE TITLE:

64B32-6.007 Continuing Education Requirements for Reactivation of License

PURPOSE AND EFFECT: The Board proposes the development of a rule amendment to update the language regarding continuing education requirements for reactivation of license.

SUMMARY: Update rule language regarding continuing education requirements for reactivation of license.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge

to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On July 31, 2017 the Division of Hotels and Restaurants received a Petition for a Routine Variance for subsection 61C-4.010(7), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Lila Catering Corp. located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 43, No. 148, F.A.R., on August 1, 2017. The Order for this Petition was signed and approved on August 17, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Alani Café Corp. (4315 NW 7 St Suite 30 Miami, FL 33126), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Lila Catering Corp. and/or Alani Café Corp. changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On August 4, 2017 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Point Pizza LLC located in Coral Springs. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and the three-compartment sink.

The Petition for this variance was published in Vol. 43, No. 152, F.A.R., on August 7, 2017. The Order for this Petition was signed and approved on August 17, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink and the three compartment sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink and the three-compartment sink are provided with hot and cold running water under pressure, and that the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

RULE NO.: RULE TITLE:

61C-5.001 Safety Standards

NOTICE IS HEREBY GIVEN that on June 26, 2017, the Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety, received a petition for Regency Palms Condominium, license number 104087, located at 5065 Royal Palms Way, New Port Richey, FL 34652 (VW2017-102) and a petition for Regency Palms Condominiums, license number 105584, located at 5089 Royal Palms Way, New Port Richey, FL 34652 (VW2017-101). License number 105584 is issued to Royal Palms Way, not Regency Palm Condominiums and will herein be referred to as Royal Palms Way. For both petitions, Petitioner sought an emergency variance of the requirements of ASME A17.1b-2009, Sections 2.2.2.5, 3.27.4, 5.2.1.2, and 5.2.2.14, as adopted by subsection 61C-5.001(1), Florida Administrative Code, due

to the elevators being manufactured to a newer code, which poses a significant economic/financial hardship.

DEPARTMENT OF HEALTH

Division of Environmental Health

RULE NO.: RULE TITLE:

64E-11.004 Food Protection

The Department of Health hereby gives notice:

On July 5, 2017, the Department of Health issued an order in response to a petition for a variance filed on March 10, 2017, by Johnny Velasco, REHS, CP-FS, representing Advanced Fresh Concepts Franchise Corp., regarding the “Sushi Rice and Raw Animal Products”. Petitioner sought a variance from Rule subsections 64E-11.004(2) and (8), Florida Administrative Code, which require all potentially hazardous foods to be kept at 41 degrees Fahrenheit or below or 140 degrees Fahrenheit or above, except during necessary periods of preparation and storage, as well as, raw fish and seafood products be cooked to an internal temperature of 145 degrees Fahrenheit or above for at least 15 seconds. Notice of the petition was published in the March 24, 2017, edition of the Florida Administrative Register. The Department found that the Petitioner demonstrated that the underlying intent of the statute could be achieved by alternative means and that strict application of the rules would create a substantial hardship in the Petitioner's particular circumstance. Therefore, pursuant to the requirements of Section 120.542(2), Florida Statutes, the Department GRANTED W/CONDITIONS Petitioner’s request for a variance.

A copy of the Order or additional information may be obtained by contacting: Agency Clerk, Department of Health, Office of the General Counsel, 4052 Bald Cypress Way, Bin A02, Tallahassee, Florida 32399-1703.

The Notice of Petition for Declaratory Statement was published June 27, 2017 in Volume 40, No. 123 of the Florida Administrative Register. The Petitioner sought the Board's opinion on whether the following activities would be deemed to be in violation of cited optometry statutes and rule: (a) becoming an owner of a vision care network company co-owned by laypersons; and (b) contracting with a vision care network company not owned by a licensed optometrist to render optometry covered services to members of HMOs contracted with the network. The Board considered the Petition at its meeting held on July 19, 2017, in Lake Buena Vista, Florida. The Board's Order was filed on August 4, 2017. The Petition filed in this cause is in substantial compliance with the provisions of Section 120.565, F.S., and Rule 28-105.0022, F.A.C. Based upon the facts contained in the Petition and the testimony of Petitioner, the Board has determined that the operation of a vision care network company does not constitute the practice of optometry, and there is no prohibition on a licensed optometrist taking an ownership interest in a vision care network company co-owned with persons not licensed to practice optometry.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Dr. Anthony Spivey, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin C07, Tallahassee, FL 32399-3255, (850)488-0595, Anthony.Spivey@flhealth.gov.
