Section II Proposed Rules

DEPARTMENT OF HEALTH

Board of Medicine

RULE NO.: 64B8-8.0011 **RULE TITLE:** Standard Terms Applicable to Orders

PURPOSE AND EFFECT: The proposed rule amendments are intended to delete outdated language regarding the providing of community service in disciplinary cases and to set forth criteria for Respondent's to attend webinars for the purpose of meeting CME requirements imposed by Board orders.

SUMMARY: The proposed rule amendments delete language regarding community service for disciplinary cases since the Board no longer imposes community service requirements. Additionally, the rule permits Respondents to complete continuing education by attending webinars provided the webinars meet specific criteria.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described

herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule amendment will make it easier for Respondents to meet the requirements for continuing education imposed by the Board's order by allowing the continuing education to be obtained through webinars. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 458.309(1), 458.331(5) FS.

LAW IMPLEMENTED: 458.331(5) FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Claudia Kemp, J.D., Executive Director, Board of Medicine/MQA, 4052 Bald Cypress Way, Bin # C03, Tallahassee, Florida 32399-3253.

THE FULL TEXT OF THE PROPOSED RULE IS:

64B8-8.0011 Standard Terms Applicable to Orders. Unless otherwise approved by the Board or its designee, or addressed by the Final Order, the following are the terms applicable to all Final Orders rendered by the Board in disciplinary proceedings.

- (1) through (3) No change.
- (4) Continuity of Practice.

(a) Tolling Provisions. In the event the Respondent leaves the State of Florida for a period of 30 days or more or otherwise does not or may not engage in the active practice of medicine in the State of Florida, then certain provisions of the requirements in the Board's Order shall be tolled and shall remain in a tolled status until Respondent returns to the active practice of medicine in the State of Florida. Respondent shall notify the Compliance Officer 10 days prior to his/her return to practice in the State of Florida. The following requirements shall be tolled until the Respondent returns to active practice:

- 1. through 3. No change.

~~4. Any provisions regarding community service shall be tolled.~~

~~4.5. No change.~~

(b) Active Practice. In the event that Respondent leaves the active practice of medicine for a period of one year or more, the Respondent may be required to appear before the Board and demonstrate the ability to practice medicine with reasonable skill and safety to patients prior to resuming the practice of medicine in the State of Florida.

~~(5) Community Service and Continuing Education Units. All community service requirements, continuing education units/courses must be completed, and documentation of such completion submitted to DOH/Client Services, at the address set forth in subsection (3) above. Documentation of completion of community service hours must be confirmed by an official from the organization at which the community service was performed. Documentation of completion of community service hours solely from the Respondent will not be accepted.~~

~~(a) Definition of Community Service. "Community service" shall be defined as the delivery of volunteer services to an entity which is exempt from federal taxation under 26 U.S.C. s. 501(c)(3), without fee or cost to the patient or the entity, for the good of the people of the State of Florida. Community service shall be performed outside the physician's regular practice setting. Community service plans must be pre-approved by the Board's Probationer's Committee.~~

~~(a)(b) Continuing Education. Continuing education imposed by Board Order shall be in addition to those hours required for biennial renewal of licensure. Said continuing education courses must be pre-approved by the Board's Probationer's Committee and shall consist of a formal live lecture format.~~

(b) In lieu of live lecture format set forth in paragraph (5)(a) above, the Board will permit Respondents to complete required continuing medical education by attending webinars. The webinar must be pre-approved by the Board's Probationer's Committee, upon demonstration by the Respondent that the webinar meets the following conditions:

1. the webinar must contain specific relevant learning objectives;
 2. the webinar must provide for an interactive format;
 3. the webinar must provide for a post-course assessment;
- and
4. the webinar provider must ensure attendance.

(6) through (11) No change.

Page 15

EDUCATOR CERTIFICATION QUALIFICATIONS FOR SPECIALIZED INSTRUCTIONAL PERSONNEL**Highly Qualified Teachers**

The Elementary and Secondary Education Act (ESSA) places a major emphasis on highly qualified teachers (HQT). This federal law establishes requirements for determining if a teacher meets the criteria for being reported as “highly qualified” under ESSA. It is important to note that current Florida Statutes and SBE Rules relating to the classification of teachers reported for Florida purposes as “in-field,” “qualified,” or “out-of-field” are not the same as the federal highly qualified designation requirements. Thus, a teacher may be considered “in-field” pursuant to the requirements of the CCD, but will not be classified as a HQT in the ESSA reporting.

Any Field Certification Coverage

Some courses listed in the CCD display the appropriate certification as “Any Field When Certificate Reflects Bachelor or Higher Degree; or “Any Academic Coverage.” These coverages may not meet the requirements of ESSA “HQT” and will, therefore, be subject to review and change.

These requirements will remain in place until full implementation of the Every Student Succeeds Act (ESSA).**Dropout Prevention, Teenage Parent, and Department of Juvenile Justice Programs**

To be “in-field” and “highly qualified” when assigned to Dropout Prevention, Teenage Parent, or Department of Juvenile Justice programs, teachers must be certified in the specific core academic areas being taught or use a High, Objective, Uniform State Standard of Evaluation (HOUSSE) plan to document HQT in the core academic areas being taught, as authorized by Rule 6A-1.0503, F.A.C. subjects as identified in the CCD.

Page 17

Highly Qualified ESE Requirements for Teachers Teaching Core Content Courses for Students with Disabilities

To meet the personnel qualification requirements of 20 U.S.C.1412(a)(14)(A-E), as amended by the Every Student Succeeds Act (ESSA), All K-12 ESE-certified teachers teaching ESE courses in the core academic subjects as described in Section 4 must be highly qualified have the

content knowledge and skills to serve students with disabilities. Therefore, these teachers must be certified in the appropriate core academic subjects areas as noted below.

- An ESE-certified teacher teaching students in Grades K-6 enrolled in 7700 (Grades K-5 students) and 7800 (Grade 6 students) series core academic subject courses must be highly qualified certified in elementary education.
- An ESE-certified teacher teaching 7800 and 7900 series core academic courses must be highly qualified for either elementary, middle or secondary level content area certification. The level of instruction is based on the grade level content that is being taught, not the reading or mathematics performance level of the student, certified in the content area of the course number assigned.
- An ESE-certified teacher of 7800 or 7900 series core academic courses may use the Middle Grades Integrated Curriculum (MGIC) subject area test to meet HQT certification requirements when the content of the ESE course is applicable to MGIC. The use of MGIC certification for infield purposes is governed by the grandfathering provision of the Department’s May 13, 2011, memorandum.

A newly hired middle (Grades 7 and 8)/secondary special education content teacher, if highly qualified in language arts, mathematics, or science at the time of hire, may have two additional years and use of the High, Objective, Uniform State Standard of Evaluation (HOUSSE) option to document HQT in the additional content subjects.

Teachers providing hospital/homebound (H/H) services (with the ESE H/H course numbers 7755020, 7855020, or 7900030 utilized), must be highly qualified for certified in the basic core academic subjects taught. Note: 1) If a H/H teacher is teaching a general education course, the teacher must meet certification requirements in accordance with the general education course number; 2) Course 7900030 continues as a non-credit course.

Note: Refer to the table below for additional information regarding types of courses, scheduling methods/service delivery, and certification and HQT requirements.

Certification Requirements for Different Scheduling Methods Used for Students with Disabilities

Information is provided in the table below on scheduling methods/service delivery with corresponding certification/qualification and HQT requirements based on various types of courses. Districts should exercise discretion

in implementing these options based on the consideration of appropriateness to student needs and related staffing issues.

Table starting on Page 17

Page 22

Access Courses For Students With Significant Cognitive Disabilities

Access courses are intended only for students with a significant cognitive disability. Access courses are designed to provide students with access to the general curriculum. Access courses in the core academic areas require teachers to be highly qualified certified in the applicable core content area in accordance with the level of instruction.

DEPARTMENT OF EDUCATION

State Board of Education

The Financial Emergency Board for the School District of Jefferson County announces a public meeting to which all persons are invited.

DATE AND TIME: May 12, 2017, 1:00 p.m.: this meeting has been cancelled

PLACE: Turlington Building.

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Financial Emergency Board meeting scheduled for May 12, 2017, 1:00 p.m. (published May 5, 2017, in Vol. 43, No. 88, F.A.R.) has been cancelled and will be rescheduled.

DEPARTMENT OF TRANSPORTATION

The Florida Department of Transportation (FDOT), District One, announces a hearing to which all persons are invited.

DATE AND TIME: Thursday, May 18, 2017, 5:00 p.m., open house; 6:00 p.m., formal presentation

PLACE: Fort Meade Mobile Home Park Activity Center, 1046 S.E. 2nd Street, Fort Meade, FL 33841

GENERAL SUBJECT MATTER TO BE CONSIDERED: This Public Hearing is being conducted to give interested persons an opportunity to review the preferred bridge alternative under consideration and to express their views concerning the location, conceptual design, and social, economic, and environmental effects of the proposed improvements to the US 98/John Singletary Bridge (Bridge No. 160064) in Polk County, Florida. Financial Project ID No. 434886-1-22-01. This bridge was constructed in 1931 and has two 10-foot wide travel lanes and a 5.4-foot wide sidewalk on the north side. These dimensions are functionally obsolete. The need for the project is to provide a bridge built to current standards. The purpose of this project is to study ways to correct these identified deficiencies and maintain the connection between Downtown Fort Meade to the west and the City of Frostproof to the east, as US 98 serves as the main access road between the two cities. This project is also intended to enhance safety conditions as well as movement/access across the Peace River for motorists, pedestrians, and bicyclists, while minimizing potential impacts to the natural and human environments. The existing bridge (Bridge No. 160064) has been determined to be a significant historic bridge according to the Section 106 process of the National Historic Preservation Act (NHPA) of 1966 (36 CFR Part 800); however, based on an evaluation of all PD&E Study alternatives, it is not feasible to keep the historic bridge in place. Several mitigation options are being evaluated. The proposed improvements require the replacement of the National Register of Historic Places eligible US 98/John Singletary Bridge. As part of the project development process and in accordance with Section 4(f) of the Department of Transportation Act of 1966 and Section 106 of the NHPA, FDOT is seeking comments and input from the public, interested parties, and governmental agencies concerning the effects of the project on the activities, features, and attributes of this resource and the mitigation options under consideration for the proposed impacts. FDOT intends to make a programmatic Section 4(f) impact determination on this resource. At the conclusion of the presentation, attendees who complete a speaker's card will be given the opportunity to make an oral statement that will become part of the public hearing record. Persons wishing to submit written statements or other exhibits, in place of or in addition to oral statements, may do so at the hearing or by sending them to Bill Hartmann,

P.E., FDOT District One, P.O. Box 1249, Bartow, FL 33831. All exhibits or statements postmarked on or before May 29, 2017 will become part of the public hearing record. The draft environmental and engineering reports developed by the Department will be available for public review starting on April 27, 2017 through May 29, 2017 at the Fort Meade Public Library, located at 75 East Broadway Street in Fort Meade, FL 33841 and FDOT, District One, located at 801 N. Broadway Avenue, Bartow, FL 33830.

A copy of the agenda may be obtained by contacting: Project Manager Bill Hartmann, P.E., FDOT District One, P.O. Box 1249, Bartow, FL 33831, (863)519-2293, william.hartmann@dot.state.fl.us. The hearing is developed in compliance with Title VI of the Civil Rights Act of 1964 and related statutes. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has declined to rule on the petition for declaratory statement filed by Marlin 1 LLC on May 5, 2017. The following is a summary of the agency's declination of the petition:

On March 7, 2017, Office of Financial Regulation (Consumer Finance) received a Petition for declaratory statement from Marlin 1 LLC. Marlin 1 LLC is contemplating starting a private lending company that would provide short-term loans not exceeding \$25,000 at an interest rate of 18% per annum, to both individuals and small businesses. The petition seeks a declaratory statement from the Office on whether a consumer finance license pursuant to Chapter 516, Florida Statutes would be required. On May 5, 2017, the Office issued a Final Order. The facts provided in the Petition are inadequate for the Office to make a determination whether Petitioner's proposed activities are lawful. Petitioner states that the loans would provide 'for a higher default rate of interest'. However, Petitioner does not state what this higher rate of interest would be, how long it would last, the loan amounts to which the interest rate would correlate, and what the maximum rate would be. Petitioner also mentions 'the imposition of late fees', but does not say how much these fees would be and under what specific conditions they would be imposed. Without this information, the Office cannot ascertain whether Petitioner's proposed conduct would be lawful. A declaratory statement is not available to Petitioner because the facts provided in the Petition are not clearly identified or delineated.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9784, Agency.Clerk@flofr.com, or online at <https://real.flofr.com/ConsumerServices/SearchLegalDocuments/LDSearch.aspx#/searchLegalDocuments>.

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has declined to rule on the petition for declaratory statement filed by Square, Inc. on May 5, 2017. The following is a summary of the agency’s declination of the petition:

On April 10, 2017, Office of Financial Regulation (Consumer Finance) received a Petition for declaratory statement from Square, Inc. Petitioner is a licensed money transmitter under Chapter 560, Part II, Florida Statutes. Petitioner facilitates processing of tax and wage payments by U.S. businesses for their U.S. employees. Petitioner’s money transfer services are accessible solely via its Internet website and mobile device application. Petitioner does not provide money transfer services through physical locations or authorized vendor locations. The petition seeks a declaratory statement from the Office on whether requirements under Rule 69V-560.703(2)(c), Florida Administrative Code apply to the Petitioner. On May 5, 2017, the Office issued a Final Order. the Office finds Petitioner is seeking a determination regarding its past or present and recurring activities. In the instant matter the Office cannot render a declaratory statement to Petitioner because Petitioner is seeking a determination as to acts which have already occurred, or which are now occurring. Any further analysis is unnecessary; and the Office therefore, makes no determination regarding the merits of Petitioner's arguments.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9784, Agency.Clerk@flofr.com, or online at <https://real.flofr.com/ConsumerServices/SearchLegalDocuments/LDSearch.aspx#/searchLegalDocuments>.

DEPARTMENT OF EDUCATION

University of Florida

University of Florida IT Move

NOTICE TO DESIGN/BUILDER:

The University of Florida Board of Trustees announces that Design/Build services will be required for the project listed below:

Project: UF-628, UF Information Technology Move (Located Off-Campus)

The project consist of the renovating the second and third floors of an office building located off-campus. The two floors will be phased in two projects with some overlap. The renovated area per floor is approximately 11,675 square feet and is expected to start immediately after a design/builder has been selected.

The total project budget is \$2,400,000.00, including fees, surveys & tests, , permits/inspections, and contingencies. Construction shall be “fast-tracked” to begin immediately after selection with a substantial completion date October 2017, for the second floor and March 2018, for the third floor. (Gold) LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory. The contract for design/build services will consist of two parts. Part one services include design, construction administration, value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) proposal based on

60/100% Construction Documents, for which the design/builder will be paid a fixed fee.

If the GMP is accepted, part two, the construction phase, will be implemented. In part two of the contract, the design/builder becomes the single point of responsibility for completion of the construction documents, performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for part one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design/builder's contract.

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection, structural, and civil engineering consultants for this project and will be provided as a part of Basic Services. The selected applicant will also be required to provide insurance coverage for General Liability, Automotive Liability, Workers' Compensation, and Builder's Risk.

Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design and construction ability, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and the applicant or its architectural, landscape architectural, and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide design/build services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the DBQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Design/Builder Qualifications Supplement" (DBQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).

5. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for all construction, architectural, landscape architectural, and engineering entities (applicant firm and consulting firms) from the appropriate governing board.

6. Proof of bonding capacity and proof of design consultants' (architecture and engineering) ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design/builder must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific DBQS forms, instructions, Project Fact Sheet, facilities program, UF Design and Commissioning Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Design/Builder agreement, and other project and process information – can be found on the Planning Design & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Planning Design & Construction office by 3:00 p.m. local time on Wednesday June 7, 2017. Facsimile (FAX) submittals are not acceptable and will not be considered.

A petition for an administrative hearing must be received by the Department on or before the 21st day after your receipt of this notice.

FLORIDA HOUSING FINANCE CORPORATION
PUBLIC NOTICE TO QUALIFIED HOMEBUYERS AND
LENDERS FHFC 2017 MORTGAGE CREDIT
CERTIFICATE PROGRAM

The Florida Housing Finance Corporation (“FHFC”) proposes to implement a program (the “Program”) to provide Mortgage Credit Certificates (“MCCs”) to residents of the State of Florida who purchase new or existing residences within the State. An MCC reduces the amount of income tax a qualified homeowner pays by providing a non-refundable, federal tax credit during the life of a mortgage loan. After all other credits and deductions are taken into account the value of the MCC is applied directly to a homeowner’s remaining tax liability.

No sooner than 90 days following publication of this Notice, FHFC intends to issue MCCs according to the guidelines summarized below.

The credit rate on an MCC will be at least 10% and not more than 50%, depending upon loan size. The annual amount of the tax credit will be equal to the lesser of (a) the sum equal to the credit rate multiplied by the yearly interest paid or accrued on the homeowner’s mortgage loan or (b) \$2,000. If the credit rate is 20% or less, there is no \$2000 cap. The amount of the credit may not exceed the homeowner’s total tax liability for a specified year, but excess credit may be carried forward for up to three subsequent tax years. Use of an MCC will reduce the deduction for home mortgage interest on the homeowner’s tax return. An MCC expires on the date the mortgage loan relating thereto is paid in full or refinanced and is revoked on the date the residence to which it relates ceases to be the taxpayer’s primary residence. FHFC reserves the right to adjust the MCC credit rate or make allocations to specific sectors of the housing industry or to conform to market demand or future tax legislation.

To be eligible for an MCC, an applicant must (1) purchase a new or existing single-family home within the state; (2) acquire a new mortgage loan (refinancing of an existing mortgage or land contract is not permissible, except for certain construction loans); (3) continuously occupy the home as a primary residence within 60 days of its purchase; (4) purchase a home with a purchase price that does not exceed the applicable county limits; these limits range between \$253,809

and \$595,293; please refer to FHFC’s website at www.floridahousing.org for the specific purchase price limits for the county you are purchasing in; (5) have a household income, including all household members age 18 and older, that does not exceed the limits for the applicable county; these limits will range between \$57,700 and \$122,220 depending upon household size and the county of purchase; (6) have not had an ownership interest in a principal residence within the preceding three years, except for qualified homebuyers purchasing homes in federally designated targeted areas or certain qualifying veterans; and (7) pay a nonrefundable \$500 program administration fee at the time of loan closing. The applicant must sign all documents and affidavits which are needed to demonstrate eligibility for an MCC, and the regulations, rulings and interpretations issued by the Internal Revenue Service shall control in the event of a conflict with other requirements. FHFC reserves the right to adjust and/or waive the application fee and adjust the purchase price and income limits for the Program to reflect housing costs and market conditions within federal guidelines.

Until the total credit authority is exhausted, a qualifying taxpayer may obtain an MCC in connection obtaining financing relating to the purchase of an eligible residence from any participating lender, including, but not limited to, banks, savings and loan associations, mortgage banking firms and credit unions. The applicant must meet the credit and underwriting criteria established by the participating lender which provides the mortgage loan. MCC applications will be accepted on a first-come, first-served basis. There is no allocation of MCCs by lender; however, for the first year of the Program, 20% will be targeted to persons purchasing single-family homes in Targeted Areas.

Banks, savings and loan associations, credit unions, mortgage companies and other financing institutions and individuals are invited to participate as lenders. Each participating lender will be required to sign a Participation Agreement, which outlines the lender’s loan review and reporting responsibilities, and pay to FHFC a one-time fee of \$1000. FHFC will make a list of participating lenders available to the public upon request. An applicant may also obtain a loan from a lender not on such list if the lender agrees to participate in the Program.

MCCs cannot be used with FHFC-financed mortgage revenue bond loans or with any mortgage loans subsidized by other tax-exempt obligations. Current federal tax law may require a payment to the federal government of a “recapture” tax if the homeowner sells or otherwise transfers his or her home to someone else within nine years after the MCC is issued.

For more information on the Program, to participate in the Program as a lender or to receive a copy of the current list of participating lenders or a list of the eligible Targeted Areas, contact: Charles Jones at the Florida Housing Finance

Corporation, 227 North Bronough St., Suite 5000,
