DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
 Division of Hotels and Restaurants
 RULE NO.: RULE TITLE:
 61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On August 24, 2018, the Division of Hotels and Restaurants received a Petition for a Routine Variance for subsection 61C-4.010(7), Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, from Oceans International LLC located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 44/167 on August 27, 2018. The Order for this Petition was signed and approved on date September 13, 2018. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Puerto Libre Cargo at 8436 NW 61 St., Miami, FL 33166 are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of The Yielding Seed (Oceans International LLC) and/or Puerto Libre Cargo changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

RULE NO.: RULE TITLE:

64B5-16.002 Required Training

The Board of Dentistry hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on April 5, 2018 by The Florida Dental Association. The Notice of Petition for Waiver or Variance was published in Volume 44, Number 70, of the April 10, 2018, Florida Administrative Register. The Petitioner was seeking a waiver or variance of paragraph 64B5-16.002(3)(b), Florida Administrative Code, entitled, "Required Training," which

requires that applicants provide documentation of the training and experience of faculty members which establishes their qualifications to teach specified subject areas. Applicants who have had a professional license revoked, suspended, or otherwise acted against, in Florida or in another jurisdiction, may be disqualified from participation as instructors.

The Board considered the instant Petition at a duly-noticed public meeting, held August 24, 2018, in Tampa, Florida. The Board further finds that Petitioner established that applying the requirements of the aforementioned rule to its circumstances would violate principles of fairness and impose substantial hardship.
