DEPARTMENT OF FINANCIAL SERVICES

Finance

NOTICE IS HEREBY GIVEN that the Florida Office of Financial Regulation has issued an order disposing of the petition for declaratory statement filed by III CRE Bridge Loan Fund L.P. on July 27, 2018. The following is a summary of the agency's disposition of the petition:

On 5/16/2018, the Florida Office of Financial Regulation (Consumer Finance) received a Petition for declaratory statement from III CRE Bridge Loan Fund L.P. The petition sought a declaratory statement from the Office on whether its proposed business model (of originating loans that are made for commercial or business purposes, as evidenced by the fact that they would only be made to entities formed for the purpose of purchasing, developing or redeveloping property) requires licensure as a mortgage lender or mortgage broker under Chapter 494, Florida Statutes. On 7/27/2018, the Office issued a Final Order on the Petition for Declaratory Statement. The Office determined that under the circumstances described, the transactions described by Petitioner are outside of the defined parameters of a mortgage loan as that term is defined in subsection 494.001(24), Florida Statutes. The proposed commercial or business purpose loans will be made to entities, formed for the purpose of purchasing, developing, or redeveloping property consisting of one to four dwelling units with an eye to resale or rental. Further, the proposed loan transactions will not be made for personal, family or household use, since any borrower or any guarantor in the transaction will not occupy the loan property at any time before loan satisfaction. Therefore, the proposed transactions described by Petitioner would not be considered mortgage loans, as that term is currently defined in chapter 494, Florida Statutes. Under current law, Petitioner's proposed activities would not require

licensure as a mortgage loan originator, mortgage broker, or mortgage lender, pursuant to chapter 494, Florida Statutes.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.

Division of Resource Management

RULE NO.: RULE TITLE:

62C-16.0051 Reclamation and Restoration Standards

Notice of Intent

The Department of Environmental Protection intends to issue a variance to Mosaic Fertilizer, L.L.C. The variance is for relief from subsection 378.209(1), F.S., requiring reclamation to be completed within 2 years after the completion of mining operations and relief from paragraph 62C-16.0051(12)(b), F.A.C., which requires that contouring for all acres mined shall be completed no later than 18 months after an area is capable of being contoured. The site is located in Polk, Hardee and Manatee Counties. The file has been designated as MMR_0142476-076, MOS-FG-VA (2018).

A person whose substantial interests are affected by the Department’s action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information:

- (a) The name and address of each agency affected and each agency’s file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner’s representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner’s substantial interests are or will be affected by the agency determination;
- (c) A statement of when and how the petitioner received notice of the agency decision;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency’s proposed action;
- (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency’s proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency’s proposed action.

However, any person who has previously asked the Department for notice of this agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication. The failure to file a petition within the appropriate time period shall constitute a waiver of that person’s right to request an

administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it.

A person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing.
