Proposed Rules**

DEPARTMENT OF HEALTH

Board of Medicine

RULE NO.: 64B8-42.001 **RULE TITLE:** Licensure by Endorsement

PURPOSE AND EFFECT: The purpose of the rule amendment is to update the incorporated application.

SUMMARY: Update application.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE TITLE: Procedures Regarding Topical Ocular Pharmaceutical Agents

PURPOSE AND EFFECT: The purpose of the rule amendment is to update the procedures for changing the formulary of topical ocular pharmaceutical agents.

SUMMARY: Update procedures.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly

regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members and the substance of the rule, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary because the rule has no impact on any persons or businesses; and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SUMMARY: The Department of the Lottery will conduct the Cash Payday Second Chance Promotion beginning July 1, 2019, and continuing through September 9, 2019, in which three second chance drawings will be held and cash prizes awarded.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER19-45 Cash Payday Second Chance Promotion

(1) Beginning July 1, 2019, and continuing through September 9, 2019, (“Promotion Period”) the Florida Lottery will conduct the Cash Payday Second Chance Promotion (“Promotion”) in which players can enter non-winning Florida Lottery Scratch-Off tickets (also known as instant tickets) from the following WEEK FOR LIFE family of games into a Cash Payday Second Chance Promotion second chance drawing for a chance to win a cash prize:

- (a) Game Number 1423, \$500 A WEEK FOR LIFE;
- (b) Game Number 1424, \$1,000 A WEEK FOR LIFE;
- (c) Game Number 1425, \$2,500 A WEEK FOR LIFE; and
- (d) Game Number 1426, \$5,000 A WEEK FOR LIFE.

Non-winning Scratch-Off lottery tickets from any of the WEEK FOR LIFE family of games listed in paragraphs (1)(a) through (d) above, may be entered throughout the entire Promotion Period for entry into the next available drawing. Winning Scratch-Off tickets from the above-listed WEEK FOR LIFE family of games cannot be used for entry into a Cash Payday Second Chance Promotion second chance drawing.

(2) How to Enter.

(a) To enter a non-winning WEEK FOR LIFE Scratch-Off ticket into one of the second chance drawings, players must enter on the Florida Lottery’s website at flalottery.com. On the home page of the Florida Lottery’s website, players can click on the Cash Payday Second Chance Promotion banner and follow the directions. Players will be prompted to log in or register. The 24-digit ticket serial number (4-digit game number and 20-digit ticket number) is located below the play area on the front of a WEEK FOR LIFE Scratch-Off ticket under the latex covering. Players are to scratch off the latex covering to reveal the number and enter the entire 24-digit ticket serial number in the designated ticket entry area on the website.

(b) Entry Determination. Each non-winning WEEK FOR LIFE Scratch-Off ticket is assigned a predetermined number of entries that corresponds to the price of the non-winning ticket, as shown in the table below.

| Ticket Price Point | Game | Number of Entries |
|--------------------|---|-------------------|
| \$1 | Game Number 1423, \$500 A WEEK FOR LIFE | 1 |
| \$2 | Game Number 1424, \$1,000 A WEEK FOR LIFE | 2 |
| \$5 | Game Number 1425, \$2,500 A WEEK FOR LIFE | 5 |
| \$10 | Game Number 1426, \$5,000 A WEEK FOR LIFE | 10 |

Each valid ticket number may only be entered one time and only into one drawing. Tickets should not be mailed to the Florida Lottery unless players are contacted by the Florida Lottery and requested to do so. Non-winning tickets received in the mail by the Florida Lottery will not be entered in a drawing and will not be returned. The odds of winning depend on the number of entries entered. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met.

(c) Promo Code. A player may earn 20 additional entries by entering a promo code at the time the player enters a non-winning WEEK FOR LIFE family Scratch-Off ticket number into a drawing. Players may obtain the promo code from a Florida Lottery retailer or a Florida Lottery District Office by asking for it. A non-winning WEEK FOR LIFE family Scratch-Off ticket number must be entered to enable the promo code feature and the ticket number and the promo code must be entered at the same time. The promo code will be valid throughout the Promotion Period; however, a player may only enter the promo code one time, into one drawing, with one non-winning WEEK FOR LIFE family Scratch-Off ticket number during the Promotion Period.

(3) Prizes. The following table sets forth the prizes available in the Promotion.

| Prizes per Drawing | | | |
|--------------------|--------------|------------------------------------|--------------------|
| Prize Level | Prize Amount | Number of Prizewinners per Drawing | Total Prizewinners |
| Top Prize | \$20,000 | 2 | 6 |
| Second Prize | \$5,000 | 3 | 9 |
| Third Prize | \$1,000 | 45 | 135 |
| Total | | 50 | 150 |

(4) Drawings. A total of three second chance drawings will be held. Prizewinners for each drawing will be randomly selected from entries submitted and received before midnight ET on the last day of the entry period for that drawing. The entry periods and drawing dates are set forth in the table below.

| Drawing | Entry Period | Drawing Date |
|---------|------------------------------------|--------------------|
| 1 | July 1, 2019- July 22, 2019 | July 24, 2019 |
| 2 | July 23, 2019- August 12, 2019 | August 14, 2019 |
| 3 | August 13, 2019- September 9, 2019 | September 11, 2019 |

In each of the drawings, a total of seventy-five valid entries will be drawn by the Florida Lottery using a certified random number generation process. The first and second valid entries drawn will win a top prize of \$20,000. The third through fifth valid entries drawn will each win a second prize of \$5,000. The sixth through fiftieth valid entries drawn will each win a third prize of \$1,000. The fifty-first through the seventy-fifth valid entries drawn will be used in the order in which they were drawn and in the order of need to select an alternate top, second, or third prize winner in the event a top, second, or third prize cannot be awarded. Drawings shall be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm.

(5) Notification.

(a) The prizewinners in each second chance drawing will be posted on flalottery.com after the drawing.

(b) The Florida Lottery will attempt to notify each prizewinner by telephone or email using the contact information provided in the prizewinner’s registration data no later than one business day (Monday-Friday) after the prizewinners are posted on the Florida Lottery’s website. The Florida Lottery deems the winner’s registration data as the prizewinner’s official contact information, including the physical mailing address. The Florida Lottery will not attempt to further locate a prizewinner if attempts to reach the winner by telephone or email are unsuccessful. If the Florida Lottery is unable to have contact by telephone or email with a prizewinner within fourteen calendar days of the date the prizewinners are posted on the website, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate prizewinner in accordance with subsection (4) above. If the Florida Lottery is unable to have contact by email or telephone with the alternate prizewinner within fourteen calendar days of the date of notification, the alternate prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to the next alternate prizewinner. This process will continue until an alternate prizewinner is contacted or the Florida Lottery has exhausted the list of alternate prizewinners due to unsuccessful notification attempts or due to failure by a prizewinner or an alternate prizewinner to timely provide required claim documentation as set forth in subsection (6) below. If the Florida Lottery exhausts the list of alternate prizewinners, the prize will not be awarded.

(6) How to Claim a Prize. To claim any prize in a second chance drawing, the prizewinner must submit to the Florida Lottery the original valid non-winning WEEK FOR LIFE Scratch-Off ticket bearing the entry number selected in the drawing. Without such ticket, the prizewinner will forfeit his or her right to claim a prize. The prizewinner must submit the valid entry ticket along with a completed Winner Claim Form DOL 173-2, revised 9/13, or Spanish Winner Claim Form DOL 173-2S, revised 9/13 and a copy of acceptable identification as set forth in the rule of the Florida Lottery governing payment of prizes. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011. Forms DOL 173-2 and DOL 173-2S are hereby incorporated by reference and may be obtained at any Florida Lottery office or retailer, from the Florida Lottery’s website at flalottery.com, or by writing to: Florida Lottery, Customer Service, 250 Marriott Drive, Tallahassee, Florida 32399-4016. The required documentation must be received by the Florida Lottery no later than fourteen calendar days after the Florida Lottery has made

personal contact with the prizewinner. If the Florida Lottery has not received the required documentation from a prizewinner by the fourteenth calendar day after notification, the prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate prizewinner in accordance with subsections (4) and (5) above. The same timeframe for a prizewinner to return required documentation to the Florida Lottery shall apply to an alternate prizewinner.

(7) Award of Top Prizes. Upon the Florida Lottery's timely receipt of a top prize winner's required documentation, the Lottery will award a prize of \$20,000, less applicable federal income tax withholding.

(8) Award of Second Prizes. Upon the Florida Lottery's timely receipt of a second prize winner's required documentation, the Lottery will award a prize of \$5,000.

(9) Award of Third Prizes. Upon the Florida Lottery's timely receipt of a third prize winner's required documentation, the Lottery will award a prize of \$1,000.

(10) Taxes. Except as specifically described herein, all federal, state and/or local taxes or other fees on the prizes won in the Cash Payday Second Chance Promotion will be the responsibility of the prizewinner. Thirty percent federal income tax withholding will be withheld from any prize won by a nonresident alien prizewinner in the Promotion, regardless of the amount of the prize. The reporting and subsequent payment of any additional federal, state and/or local taxes shall be the responsibility of the nonresident alien prizewinner.

(11) Other Restrictions and Provisions.

(a) All prizes are subject to the provisions of Chapter 24, Florida Statutes, and rules promulgated thereunder. Prizes shall be paid in accordance with the rule of the Florida Lottery governing payment of prizes. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(b) All prizewinners will be analyzed for state-owed debt. If a prizewinner is identified as owing an outstanding debt to any state agency or owes child support collected through a court, the debt will be offset in accordance with section 24.115(4), Florida Statutes. If the debt is an amount less than the amount of the prize, the balance of the prize after deduction of the debt shall be awarded. If the debt is an amount greater than the amount of the prize, the entire prize amount will be applied to the outstanding debt.

(c) Players must be at least 18 years of age. Persons prohibited by section 24.116, Florida Statutes, from purchasing a Florida Lottery ticket are not eligible to enter the Cash Payday Second Chance Promotion.

(d) By entering the Cash Payday Second Chance Promotion, a player gives his or her permission for the Florida Lottery to photograph and/or videotape and record the prizewinner with or without prior notification and to use the name, photograph, videotape, and/or recording of the prizewinner for advertising or publicity purposes without additional compensation.

(2) How to Play CASH4LIFE.

(a) CASH4LIFE is a multi-state Draw lottery game (also known as an online terminal game) which is offered to players in Florida by the Florida Lottery via authorized Florida Lottery retailers. In CASH4LIFE, players select five numbers from a field of one (1) through sixty (60) and one number from a separate field of one (1) through four (4) for each Play.

(b) Players may make their CASH4LIFE ticket selections by: using a play slip; using a Florida Lottery vending machine ("vending machine") if a vending machine for Draw game ticket purchases is available at the retailer location; telling the Florida Lottery retailer ("retailer") their desired selections; or by requesting to use the Play it Again feature.

(c) Play Slips. There are five panels on a play slip, each containing an upper play area and a lower play area. Each panel played will cost \$2.00 per Play, per drawing. Players may mark their desired numbers on the play slip by selecting six numbers (five in the upper play area and one in the lower play area) from each panel played. Players may also mark the "QP" (Quick Pick) box located at the bottom of each play area for the terminal to randomly select any or all of the six numbers from either or both play areas. A "Void" box is also located at the bottom of each panel and should be marked by the player if an error was made in his or her selections in a panel. For each panel played, the first five of the six numbers appearing in a

single horizontal row on a CASH4LIFE ticket shall be the numbers selected from the upper play area of the play slip, and the last number shall be the Cash Ball Number selected from the lower play area of the play slip. Players may mark the \$10 “Quick Picks for next draw” box to receive one ticket with five sets of six randomly selected numbers for the next CASH4LIFE drawing or may mark the \$20 “Quick Picks for next draw” box to receive one ticket with ten sets of six randomly selected numbers for the next CASH4LIFE drawing. Players may mark Quick Picks in addition to panel plays. Advance Play may also be added to play future drawings as further provided in paragraph (2)(d) below. Play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. The use of mechanical, electronic, computer-generated or any other non-manual method of marking play slips is prohibited. Play slips may be processed through a Florida Lottery full vending machine or processed by a Florida Lottery retailer to obtain a ticket.

(d) Advance Play. Players may play up to thirty consecutive CASH4LIFE Drawings by using the “advance play” feature. To use the advance play feature, players may select the number of drawings on the play slip or tell the retailer their desired number of consecutive advance drawings. The number of consecutive drawings marked will include the next available drawing and will apply to each panel (A-E) played. In the event that a planned change in the CASH4LIFE game requires that the number of advance plays available for purchase be reduced to zero before implementation of the change, an advance play countdown schedule will be posted on the Florida Lottery’s website.

(e) Vending Machine. If a vending machine is available at a retailer location and the vending machine provides for Draw game purchases, the vending machine may be used by a player to process CASH4LIFE play slips and purchase tickets for one or more drawings.

(f) Telling the Retailer. Retailers also are authorized to manually enter numbers selected by a player. Players electing to make their CASH4LIFE ticket selections by telling the retailer must specify the number of drawings and their desired number selections (or tell the retailer they desire to use the quick pick feature for the terminal to randomly select one or more of the numbers).

(g) Play It Again. A player may request to “Play it Again” to replay a previously purchased CASH4LIFE ticket. If requested, a retailer shall process the original ticket provided by the player and print a new ticket which will have the same selected numbers, number of panels, and number of drawings as the original ticket, except as follows. An original ticket with advance play will be rejected and cannot be replayed if the number of drawings on the ticket exceeds the number of advance play drawings that are available at the time of

requested ticket replay due to implementation of an advance play countdown for the CASH4LIFE game. Tickets older than sixty days cannot be replayed.

(3) CASH4LIFE Drawings.

(a) CASH4LIFE Drawings to determine the CASH4LIFE Winning Numbers shall be conducted at the studios of New Jersey Lottery Headquarters (or elsewhere as determined by the Party Lotteries) each calendar day at approximately 9:00 p.m., ET; however, the day, time or location of Drawings may be modified as determined by the Directors and publicly announced by the Party Lotteries. Substitute Drawings may be held at the discretion of the state holding the Drawing. All drawings shall be public and witnessed by an independent certified public accounting firm.

(b) Manner of Conducting Drawings. The drawing officials will select, at random, with the aid of mechanical devices or any other selection methodology as authorized by the Party Lotteries, the CASH4LIFE Winning Numbers.

(c) Neither the Party Lotteries nor the Florida Lottery shall be responsible for incorrect circulation, publication or broadcast of official Winning Numbers.

(4) Determination of Prize Winners.

In order for a ticket to be a winning ticket, numbers appearing in a single horizontal row (the Player Number Sequence and the Cash Ball Number) on the ticket must match the official CASH4LIFE Winning Numbers in any order for the drawing date for which the ticket was purchased, in one of the following combinations:

(a) Top Prize: Five numbers selected from the first set of balls plus the Cash Ball Number selected from the second set of balls.

(b) Second Prize: Five numbers selected from the first set of balls and not the Cash Ball Number from the second set of balls.

(c) Third Prize: Four numbers selected from the first set of balls plus the Cash Ball number selected from the second set of balls.

(d) Fourth Prize: Four numbers selected from the first set of balls and not the Cash Ball Number from the second set of balls.

(e) Fifth Prize: Three numbers selected from the first set of balls plus the Cash Ball Number selected from the second set of balls.

(f) Sixth Prize: Three numbers selected from the first set of balls and not the Cash Ball Number from the second set of balls.

(g) Seventh Prize: Two numbers selected from the first set of balls plus the Cash Ball Number selected from the second set of balls.

(h) Eighth Prize: Two numbers selected from the first set of balls and not the Cash Ball Number selected from the second set of balls.

(i) Ninth Prize: One number selected from the first set of balls and the Cash Ball Number selected from the second set of balls.

(5) Limited to Highest Prize Won. The holder of a winning ticket may win only one prize per Play in connection with the CASH4LIFE Winning Numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(6) CASH4LIFE Prize Fund. The CASH4LIFE Prize Fund for all prize categories shall consist of fifty-five percent of each drawing period’s sales but may be higher or lower based upon the number of winners at each prize level and funding required to contribute to the Top or Second Prize.

(7) Prizes, Odds of Winning, Percent of Prize Fund to Be Paid in Prizes. The following table sets forth the prizes, the odds of winning each prize per play, and the percent of each dollar in sales anticipated to be paid in prizes in each prize level:

| <u>Prize Level</u> | <u>Prize</u> | <u>Odds of Winning per Play</u> | <u>Percent of Prize Fund Anticipated to Be Paid in Prizes</u> |

| <u>Ninth</u> | <u>Free Ticket</u> | <u>1:13</u> | <u>14.00%</u> |
| <u>Total</u> | | | <u>100.00%</u> |

The overall odds of winning a prize in a CASH4LIFE Drawing are 1 in 8.

* Leap Day does not count for purposes of prize calculation.

** The Cash Option amount will be determined as set forth herein.

(8) Prize Liability Limitation. In the event that a Liability Limit would be exceeded for a particular Draw, the prize amounts for Top and Second Prizes shall be adjusted in accordance with a formula established by the Party Lotteries so that the aggregate liability for prizes in such Draw shall not exceed the Liability Limit.

(a) Top Prize – For any drawing, if the total liability exceeds \$7,000,000 (there is more than one Top Prize Winning Play), the Top Prize amount for each Winning Play shall be \$7,000,000 divided by the number of Winning Plays on Winning Tickets sold.

(b) Second Prize – For any drawing, if the total liability exceeds \$5,000,000 (there are more than five Second Prize Winning Plays), the Second Prize amount for each Winning Play shall be \$5,000,000 divided by the number of Winning Plays on Winning Tickets sold.

(c) In the event that any single drawing should produce more than seven Top Prize Winning Plays and at least one Second Prize Winning Play, both the Top Prize and Second Prize will become pari-mutuel prizes. The total prize pool to be allocated equally among the total number of Winning Plays in this scenario will total \$7,000,000 plus the lesser of \$5,000,000 or \$1,000,000 multiplied by the number of Second Prize Winning Plays. Each Top Prize and Second Prize Winning Play will share the defined prize pool equally for the cash value, and the Annual Payment Option will be calculated as set forth in paragraphs (9)(b) and (10)(b).

(9) Top Prize Payment. In any single drawing, a Top Prize shall be divided equally among the number of Top Prize Winning Plays. Except as provided herein, a Top Prize shall be paid either in annual payments (“Annual Payment Option”) or in a lump sum cash payment (“Cash Option”). Top Prize winners have sixty days after the winning draw date to choose between the two payment options. Once the Top Prize winner signs the Winner Claim Form, files a claim and exercises the winner’s chosen option, the election of that option shall be final and cannot be revoked, withdrawn or otherwise changed. If the Top Prize winner does not elect the Cash Option within sixty days after the winning draw date, the Annual Payment Option will be applied, except as provided in subparagraph (9)(b) 2., below. Shares of the Top Prize shall be determined as follows:

(a) If there is one Top Prize Winning Play, the annual payment prize value will be \$1,000 per day for life, paid in annual installments of \$365,000, or a one-time lump sum cash prize payment of \$7,000,000.

(b) If there is more than one Top Prize Winning Play and the Liability Limit is exceeded, the Top Prize will be paid on a pari-mutuel basis. The Top Prize Cash Option shall be a lump

sum cash amount equal to \$7,000,000 divided by the number of Top Prize Winning Plays for the drawing, rounded down to a whole dollar value. The annual payment amount shall be the pari-mutuel cash value divided by \$7,000,000, multiplied by \$365,000.

1. If there is more than one and less than or equal to fourteen Top Prize Winning Plays, the minimum annual payment prize value will be \$500 a week for life, paid in annual installments.

2. In the event there are fifteen or more Top Prize Winning Plays among the Party Lotteries, no Annual Payment Option shall be available. Rather, the prize money for the Top Prize shall be \$7,000,000 divided equally among all Top Prize Winning Plays and paid in one lump sum payment to each winner. The minimum Top Prize shall not be less than any prize payout for the second through the ninth prizes for the same CASH4LIFE Drawing.

(10) Second Prize Payment.

(a) Except as provided herein, a Second Prize shall be paid either in annual payments ("Annual Payment Option") or in a lump sum cash payment ("Cash Option"). Second Prize winners have sixty days after the winning draw date to choose between the two payment options. Once the Second Prize winner signs the Winner Claim Form, files a claim and exercises the winner's chosen option, the election of that option shall be final and cannot be revoked, withdrawn or otherwise changed. If the Second Prize winner does not elect the Cash Option within sixty days after the winning draw date, the Annual Payment Option will be applied, except as provided in paragraph (10)(b), below. For each Second Prize Winning Play, the annual payment prize value will be \$1,000 per week for life, paid in annual installments of \$52,000, or a one-time lump sum cash prize payment of \$1,000,000, unless a liability limit would be exceeded.

(b) If a liability limit is exceeded for the Second Prize, the Second Prize shall be paid on a pari-mutuel basis. The Second Prize Cash Option shall be an amount equal to \$5,000,000 divided by the number Second Prize Winning Plays. The annual payment amount shall be the pari-mutuel cash value of the Winning Play divided by \$1,000,000 multiplied by \$52,000. If the liability limit is exceeded and the annual payment prize value of a Second Prize falls below \$500 per week for life, then all Second Prize Winning Plays will be paid in a single lump sum cash payment and no Annual Payment Option will be available. The minimum Second Prize value shall not be less than any prize payout for the Third through the Ninth Prize levels for the same CASH4LIFE Drawing.

(11) Annual Payment Schedule. The winner of a Top Prize or Second Prize who elects the Annual Payment Option will receive the first full annual installment as soon as reasonably possible after the prize claim is validated. All subsequent

annual payments for prizes claimed by an individual will be paid in equal annual installments for the Measuring Life of the winner, with a guaranteed minimum of twenty years of payments. All subsequent annual payments for prizes claimed by a trust, corporation or other legal entity shall be paid in equal installments, such that the total payments (including the initial installment) equal twenty years of payments.

The project will be delivered using the Construction management at Risk method and construction will be on an extremely fast track and specific time allotment for construction during Summer of 2020 which is a MANDATORY requirement to be met if applying for this project.

The contract for construction management services will consist of two phases, pre-construction and construction. Failure to negotiate an acceptable fee at any phase of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager's contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.
