THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

59G-6.090 Payment Methodology for County Health Departments.

(1) This rule applies to all county health departments (CHD)s rendering Florida Medicaid clinic services to recipients in accordance with Rule 59G-4.055, Florida Administrative Code, (F.A.C.).

(2) Definitions.

(a) Allowable Cost – Cost(s) incurred for recipient-related health care services, except as outlined in subsection (5).

(b) Buy-back – A provision that allows a CHD to decrease the Medicaid Trend Adjustment from the established percent to zero percent.

(c) County Health Department (CHD) Clinic Services – Florida Medicaid primary and preventive health care services, related diagnostic services, and dental services.

(d) Encounter – A face-to-face visit occurring on a specific day between a recipient and health care professional(s). Two Encounters occurring on the same day will not be reimbursed separately, even if the visits are for different types of services.

(e) Filing Due Date – Date that is no later than five calendar months after the close of a CHD’s cost reporting year; or, date that is within six months of a CHD’s cost reporting year, if a certified report is filed.

(f) Legislative Unit Cost – The weighted average per diem of the state anticipated expenditure after all rate reductions, but prior to any Buy-back.

(g) Medicaid Trend Adjustment – A proportional percentage rate reduction that is uniformly applied to all Florida Medicaid providers' Rate Period, which equals all recurring and nonrecurring budget reductions on an annualized basis and is applied to all components of the prospective per diem.

(h) Rate Period – July 1 of a calendar year through June 30 of the next calendar year.

(i) Rate Setting Due Date – April 15: all cost reports received by Florida Medicaid on or before April 15 of each Rate Period will be used to establish the reimbursement rates for the subsequent Rate Period.

(j) Rate Setting Unit Cost – The weighted average per diem after all rate reductions but prior to any Buy-backs, which is based on submitted cost reports.

(3) Reimbursement. The Agency for Health Care Administration (AHCA) will reimburse for Florida Medicaid services rendered by Florida Medicaid-enrolled CHDs at a rate-per-visit, based upon the total Allowable Cost for each clinic in accordance with section 409.908, Florida Statutes (F.S.).

(4) Reimbursement Methodology.

The Agency for Health Care Administration establishes reimbursement Encounter rates for each CHD that renders services in accordance with Title 42, Code of Federal Regulations (CFR), section 440.90. The rates become effective on July 1 of the applicable Rate Period and are calculated as follows:

(a) Setting Individual CHD Rates. To determine reimbursement Encounter rates, AHCA will perform the following:

1. Review and adjust each CHD's cost report (available to AHCA as of the Rate Setting Due Date) to reflect the results of desk and field audits.

2. Determine each CHD's Encounter rate by dividing total Allowable Cost by total allowable Encounters.

3. Adjust each CHD's Encounter rate with an inflation factor based on the Consumer Price Index (CPI) at the midpoint of the CHD's cost reporting period divided by the CPI projected for the midpoint of each Rate Period.

(b) Method of Establishing Historical Rate Reductions.

1. To establish historical rate reductions, AHCA will apply a recurring methodology that incorporates the reductions imposed in the following manner:

a. Divide the total amount of each recurring reduction imposed by the number of visits originally used in the rate calculation for each rate setting period, which will yield a rate reduction per diem for each Rate Period.

b. Multiply the resulting rate reduction per diem for each Rate Period by the projected number of visits used in

establishing the current budget estimate, which will yield the total current reduction amount to be applied to current rates.

c. In the event that the total current reduction amount is greater than the historical reduction amount, AHCA will hold the rate reduction to the historical reduction amount.

2. The recurring methodology includes an efficiency calculation wherein the reduction amount is subtracted from the CHD prospective rate to calculate the final prospective rate, which cannot exceed the \$180 ceiling rate nor be lower than the \$100 floor rate. If the floor rate is higher than the CHD prospective rate, the CHD prospective rate (which cannot exceed cost) will be used.

(c) Applying Historical Reductions to Rates. The Agency for Health Care Administration will perform the following:

1. Apply the first rate reduction based on the calculations outlined above and proportionately reduce the rates until the required savings is achieved.

2. Compare the unit cost for the current rate setting to the budgeted unit cost for state fiscal year (SFY) 2010-2011, which is (\$163.10). If the unit cost for the current rate setting is less than the budgeted unit cost for SFY 2010-2011, no further rate reduction will be required.

3. Utilize the Buy-back CHD Clinic Services amount provided in the General Appropriations Act for the applicable Rate Period for rate reductions that were effective on or after July 1, 2008.

4. The total Buy-back amount must not exceed the total reductions.

(5) Exclusion. Costs related to the following services are excluded from each CHD's reimbursement Encounter rate and will be reported in the cost report under non-allowable service(s):

(a) Ambulance services.

(b) Home health services.

(c) Women, Infant and Children (WIC) certifications and recertifications.

(d) Any health care services rendered away from the clinic, at a hospital, or a nursing home, including off-site radiology and clinical laboratory services. However, services rendered away from the clinic may be reimbursable under a Florida Medicaid service-specific coverage policy, if the services were provided in accordance with the applicable coverage policy.

(e) Prescription drugs and immunization costs.

(6) Cost Settlement. Reimbursement rates may be adjusted under one of the following conditions:

(a) Submission of amended cost reports.

(b) The results of a desk or on-site audit.

Reimbursement to participating county health departments for services provided shall be in accordance with the Florida Title XIX County Health Department Reimbursement Plan (the Plan), Version XV, effective date July 1, 2017, available at

~~[http://www.flrules.org/Gateway/reference.asp?No=Ref\\_09081](http://www.flrules.org/Gateway/reference.asp?No=Ref_09081), incorporated by reference. The player should check the junk mail or spam folder if he or she does not promptly receive an email confirmation. After confirming registration, a player may log in. Thereafter, the player may directly log in by selecting his or her preferred "Sign in" method. Players that have participated in a previous Florida Lottery Collect 'N Win Promotion (POWERBALL® Power Cruise™ Promotion, Game Day Cash Promotion, Fast Play™ Replay Second Chance Promotion, or Cold Hard Cash Second Chance Promotion) need not re-register and may directly log in.

(b) Web Browser. (c) Regardless of whether a player chooses to participate in the Promotion by smartphone, tablet or web browser the following provisions shall apply:

1. the player may use the same account login information to enter tickets;

2. the player will only be required to register one time; and

3. the player's entry history will be cumulative among the entry platforms.

(3) How to Earn Entries.

(a) Prior to entering tickets, a player should verify that he or she has successfully navigated to the "Enter Tickets" page

for the POWERBALL® New Year's Eve Promotion. The "Select Promo" button from the navigation bar can be used by a player to select the POWERBALL® New Year's Eve Promotion or other promotion(s) to participate in; however, a player must be in the POWERBALL® New Year's Eve Promotion view to enter tickets, collect symbols, and earn entries into the POWERBALL® New Year's Eve Promotion. All tickets entered, symbols collected, and entries earned within a promotion view will remain in that view and cannot be transferred between promotions.

(b) To collect play symbols and earn entries into a drawing, a player may scan the barcode on the bottom of a POWERBALL ticket using a camera on a smartphone or tablet, or a player may manually enter the 19-digit ticket number (located near the bottom of the ticket) on the entry page at flalottery.com/nyre. Four game cards will appear on the screen. Each game card contains four spots to collect the four symbols. A POWERBALL ticket number entered will randomly generate a quantity (2, 4, 6, 8, or 10) of symbols and place them automatically in an available game card. When all four symbols have been collected on a game card, the player will earn one entry into the drawing. The number of tickets needed to generate one entry can range from one ticket entered up to a maximum of seven tickets entered. When a filled game card generates an entry into a drawing, the symbols will be cleared on that game card, and a player can begin collecting more symbols. A player may earn multiple entries during the entry period; however, a player may only manually enter or scan up to two hundred tickets per day. Each ticket number can only be scanned or entered one time to earn entries for one drawing. The purchase price of a ticket does not affect the number of symbols generated or the number of entries produced. Entries that include training tickets that were produced by a retailer terminal while in training mode or tickets with invalid ticket numbers will be disqualified from the applicable drawing or drawings. The odds of winning depend on the number of entries in each drawing. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. POWERBALL lottery tickets should not be mailed to the Lottery for entry into a Promotion drawing. POWERBALL lottery tickets received in the mail by the Florida Lottery will not be entered into a drawing and will not be returned.

(4) Coupons. During the Promotion Period, 4,000 buy one get one coupons will be generated for every "nth" ticket scanned or entered statewide up to approximately 129 coupons per day. When an nth ticket is generated, a coupon will be added to the "My Coupons" section of the "Coupons" page of the player's account. 1,000 of each of the following coupons will be randomly generated during the Promotion:

(a) Buy one \$6 POWERBALL with Power Play ticket, get a free \$1 PICK 2™ straight/box Quick Pick ticket.

(b) Buy one \$6 POWERBALL with Power Play ticket, get a free \$1 PICK 3™ straight/box Quick Pick ticket.

(c) Buy one \$6 POWERBALL with Power Play ticket, get a free \$1 PICK 4™ straight/box Quick Pick ticket.

(d) Buy one \$6 POWERBALL with Power Play ticket, get a free \$1 PICK 5™ straight/box Quick Pick ticket. Coupons may be redeemed by players at a Florida Lottery retailer or a Florida Lottery District Office by presenting the coupon barcode on their mobile device for scanning, or players may redeem the coupon by printing the coupon from the website and presenting a hardcopy. Coupons may not be redeemed by mail. Coupons are valid for one use only and must be redeemed by 11:59:59 ET on October 31, 2019. The odds of winning a coupon depend on the number of tickets entered per day.

(5) Drawing and Number of Prizes. The Florida Lottery will conduct one drawing in the Promotion. Prizewinners for the drawing will be randomly selected from entries submitted and received before midnight ET on August 31, 2019. Prizewinners will be randomly selected using a certified random number generation process. The drawing shall be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm. A total of fifty VIP Experience prizes will be available.

(6) Prizewinner Notification.

(a) The prizewinners in the drawing will be announced and posted on flalottery.com on September 9, 2019, or as soon as thereafter as practicable.

(b) The Florida Lottery will attempt to notify each prizewinner by telephone or email using the contact information provided in the prizewinner’s registration data no later than one business day after the prizewinners are posted on the Florida Lottery’s website. The Florida Lottery deems the prizewinner’s registration data as the prizewinner’s official contact information, including the physical mailing address. The Florida Lottery will not attempt to further locate a prizewinner if attempts to reach the prizewinner by telephone or email are unsuccessful. If the Florida Lottery is unable to have contact by telephone or email with a prizewinner within

five business days of the date the prizewinners are posted on the website, the prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will select an alternate prizewinner in accordance with subsection (5) above. If the Florida Lottery is unable to have contact by email or telephone with the alternate prizewinner within five business days of the date of notification, the alternate prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will select the next alternate prizewinner. This process will continue until an alternate is contacted or the Florida Lottery has exhausted the list of alternates due to unsuccessful notification attempts or due to failure by a prizewinner or an alternate prizewinner to timely provide required claim documentation as set forth in subsection (7) below. Notwithstanding the foregoing notification attempt provisions, the Florida Lottery will not continue notification attempts past October 11, 2019, due to booking time constraints. If the Florida Lottery exhausts the list of alternate prizewinners or if the Lottery is unable to contact an alternate by October 11, 2019, the prize will not be awarded.

If the Florida Lottery does not receive the required documents from a prizewinner by the seventh business day after notification, the prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate prizewinner as described in subsections (5) and (6), above. (b) To participate in the trip portion of the prize, the prizewinner must travel to New York City, New York, on or about December 29, 2019 and return to the prizewinner’s original departure city on or about January 1, 2020. The trip portion of the prize includes those items set forth in subparagraphs (8)(a) 1.-7. and 9. above. In the event a proxy is appointed, the original prizewinner shall receive the \$250 pre-loaded card; entry into the preliminary drawing, and if selected as a finalist, entry into the \$1 Million Prize drawing; and the entire value of the VIP Experience prize shall remain taxable income to the original prizewinner. Should the proxy, for any reason, be unable to travel, neither the prizewinner nor the proxy may appoint another proxy; and the trip portion of the prize shall be forfeited. In such case, however, the prizewinner will still receive the \$250 pre-loaded card; entry into the preliminary drawing; and if selected as a finalist, entry into the \$1 Million Prize drawing, and the entire value of the VIP Experience prize shall remain taxable income to the original prizewinner.

(c) If the prizewinner claims the prize with the Florida Lottery but fails to make travel arrangements with the fulfillment company by December 1, 2019, the VIP Experience shall be forfeited except for the \$250 pre-loaded card. The \$250 pre-loaded card will be mailed to the prizewinner immediately

after the booking timeframe has passed and the entire value of the VIP Experience prize will remain taxable income to the prizewinner.

(d) If the prizewinner resides fewer than two hundred miles from New York City, New York, ground transportation will be provided in lieu of airline transportation.

(e) The prizewinner and his or her guest (“Guest”) must travel on the same itinerary.

(f) If the prizewinner is under the age of twenty-one, the Guest must be at least the age of majority in the Guest’s state of residence. If the prizewinner is twenty-one or older, the Guest may be under the age of eighteen but must be at least thirteen years old (as of the first date of travel), and if the Guest is a minor in the Guest’s state, the prizewinner must be the parent or legal guardian of the Guest.

(g) All expenses involved with or related to the trip portion of the prize not specifically included in the description of the trip portion of the prize, including ground transportation, transfers, additional hotel amenities (e.g. spa services, internet access, phone calls, laundry services, room service), hotel fees and gratuities, airline change fees, airline premium seat fees, airline baggage fees (both checked and carry on), travel insurance and personal expenses such as laundry, valet service, photos, souvenirs, and other incidentals, are the responsibility of the prizewinner and the Guest.

(h) The prizewinner will be required to submit a valid major credit card to the hotel to cover all expenses not specifically awarded as part of the trip portion of the prize.

(i) The date and location of any of the events or activities included in the trip portion of the prize (“Events”) are subject to change. If any Event is delayed, postponed, or canceled for any reason, in whole or in part, the prizewinner will not receive compensation in lieu of any such delayed, postponed, or canceled element of the VIP Experience prize.

(j) Except as provided herein for a proxy, no prize element substitution, cash substitution, assignment, or transfer of the trip portion of the prize or any elements thereof is permitted. Any unused elements of the trip portion of the prize will be forfeited, will not be redeemable for cash, and will not reduce the VIP Experience prize value awarded for tax purposes.

(k) Notwithstanding the foregoing, if the prizewinner misses his or her flight, reasonable efforts will be used to reschedule the flight at the prizewinner’s expense. If the flight is not able to be rescheduled in a reasonable time for prizewinner’s participation in the Events, the prizewinner shall:

1. forfeit and not participate in the trip portion of the prize;
2. receive the \$250 pre-loaded card; and
3. remain eligible for the \$1 Million Prize drawing.

(l) If the prizewinner is unable to travel in connection with the VIP Experience for any reason after tickets have been booked, the prizewinner shall:

1. forfeit and not participate in the trip portion of the prize;
2. receive the \$250 pre-loaded card; and
3. remain eligible for the \$1 Million Prize drawing.

(m) Regardless if the prizewinner fails to attend the Event at which the \$1 Million Prize drawing occurs; the prizewinner will remain eligible for the \$1 Million Prize drawing.

(n) A proxy may be appointed to accept the \$1 Million Prize on the prizewinner’s behalf at the time of the drawing; however, in such event, the prizewinner will still receive the \$1 Million Prize (less any tax withholdings and outstanding debt setoff, if applicable).

(o) Prizewinners who do not elect to take a Guest, or whose Guest, for any reason, does not actually take the trip, are still subject to the full amount of any taxes due on the total value of the VIP Experience prize.

(9) Preliminary Finalist Drawing and \$1 Million Prize Drawing. All prizewinners, including prizewinners from other Lotteries participating in their states’ New Year’s Eve Promotion, will be entered into a preliminary finalist drawing anticipated to be conducted on or about December 29, 2019, in which five finalists will be selected for the \$1 Million Prize drawing. The \$1 Million Prize drawing is anticipated to be conducted on or about January 1, 2020, in which one \$1 Million prize will be awarded. A prizewinner is not required to be present at the preliminary finalist drawing to be entered or selected in the preliminary finalist drawing, nor is a finalist required to be present at the \$1 Million Prize drawing to be entered or selected in the \$1 Million Prize drawing. Both the preliminary finalist drawing, and the \$1 Million Prize drawing will be conducted by the Multi-State Lottery Association (MUSL) using a certified random number generation process. Drawings will be witnessed by an independent auditor employed by an independent certified public accounting firm. The finalists selected in the preliminary finalist drawing will be announced on or about December 29, 2019. The \$1 Million prizewinner will be announced on or about January 1, 2020. The odds of being selected as a finalist depend on the total number of valid eligible entries (which includes entries from other participating Lotteries) in the preliminary finalist drawing. The odds of a finalist winning the \$1 Million Prize in the \$1 Million Prize drawing are 1 in 5.

(10) Payment of \$1 Million Prize and State-Owed Debt. If the prizewinner in the \$1 Million Prize drawing is a Florida winner, the prizewinner will be required to complete a Winner Claim Form DOL-173-2, Revised 9/13, or Spanish Winner Claim Form DOL-173-2S, Revised 9/13, and provide a copy of acceptable identification as set forth in the rule of the Florida Lottery governing payment of prizes in order to claim the prize. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011. The prizewinner will

be analyzed for Florida state-owed debt. If the prizewinner is identified as owing any outstanding debt to any state agency or owes child support collected through a court, the debt will be offset in accordance with section 24.115, Florida Statutes. If the debt is an amount less than \$1 Million, the balance of the prize less applicable income tax withholding and after the debt is offset shall be awarded. If the debt is an amount greater than \$1 Million, the entire prize amount after applicable income tax withholding will be applied to the outstanding debt. If the prizewinner in the \$1 Million Prize drawing does not have outstanding state-owed debt, the \$1 Million Prize will be awarded less applicable income tax withholding. Payment of the prize will be made in accordance with the rule of the Florida Lottery governing payment of prizes. Applicable tax forms for the \$1 Million Prize will be issued by the Florida Lottery to the prizewinner separately from the tax forms for the VIP Experience prize.

(11) Taxes. Except as specifically mentioned herein, all federal, state and/or local taxes or other fees on VIP Experience prizes and, if applicable, the \$1 Million Prize, will be the responsibility of the prizewinner.

(12) Other Restrictions and Provisions.

(a) The right to claim a prize cannot be assigned to another person or entity.

(b) All prizes are subject to the provisions of Chapter 24, Florida Statutes, and rules promulgated thereunder. Prizes will be paid in accordance with the rule of the Florida Lottery governing payment of prizes. Copies of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(c) Persons prohibited by Section 24.116, Florida Statutes, from purchasing a Florida Lottery ticket are not eligible to enter the POWERBALL® New Year's Eve Promotion.

(d) By entering the POWERBALL® New Year's Eve Promotion, a player gives his or her permission for the Florida Lottery to photograph and/or videotape and record the prizewinner with or without prior notification and to use the name, photograph, videotape, and/or recording of the prizewinner for advertising or publicity purposes without additional compensation.
