PLACE: RP Funding Center in the Sikes Hall (J) at 701 W. Lime Street, Lakeland, Florida 33815

GENERAL SUBJECT MATTER TO BE CONSIDERED: FDOT District One, in partnership with the Central Florida Regional Planning Council and the Treasure Coast Regional Planning Council, studied and developed ways to improve mobility, safety, quality of life, and economic vitality along the South Florida Avenue (SR 37) corridor between Ariana Street and Pine Street in Lakeland. A Master Plan was developed through community engagement and coordination with local government agencies and other community partners.

In cooperation with the City of Lakeland, FDOT studied current and future traffic and developed an alternative roadway configuration for South Florida Avenue. FDOT will conduct a lane elimination test for approximately one year. The Road Diet test will consist of a lane closure of the outside travel lanes for both northbound and southbound directions from Ariana Street to Lime Street. South Florida Avenue will be reduced from the five-lane configuration to a three-lane configuration by using a concrete traffic separator to close the outside lanes.

Once the Road Diet is in place, traffic counts will be taken on South Florida Avenue, adjacent side streets and parallel streets. This will help to assess the feasibility of a future road diet design option and evaluate the impact of a reduction in travel lanes to the roadway's level of service and the associated impact of traffic diverted to the City's network of parallel reliever roadways.

The Florida Department of Transportation (FDOT) announces a hearing to which all persons are invited.

DATE AND TIMES: Tuesday, April 9, 2019, 5:00 p.m. Open House; 6:00 p.m. Formal Presentation

PLACE: Coquina Presbyterian Church, 2085 W. Granada Blvd., Ormond Beach, FL 32174

GENERAL SUBJECT MATTER TO BE CONSIDERED: Financial Project Identification (FPID) No.: 991900-5

The Florida Department of Transportation (FDOT) will hold a public hearing about proposed plans to improve safety on West Granada Boulevard (State Road (S.R.) 40) at the intersection with Interchange Boulevard. Based on the recommendations of a study conducted in December 2018, FDOT is proposing to modify the existing full median opening at this intersection to a westbound directional opening. Improvements will still allow westbound traffic on West Granada Boulevard to turn left onto Interchange Boulevard, however, only right turns will be allowed out of Interchange Boulevard onto West Granada Boulevard. This modification improves safety in the area by reducing the number of conflict points at this location.

The public hearing will be Tuesday, April 9, 2019, at the Coquina Presbyterian Church, 2085 W. Granada Blvd., Ormond Beach, FL 32174. The hearing will begin as an informational open house at 5 p.m. where displays and other project information will be available for review. Staff also will be available to discuss the project and answer questions. A presentation will begin at 6 p.m., followed by public comments. A court reporter will be present to record proceedings, and assist with comments, as part of the project record. Written comments can be submitted at the hearing, sent by mail to Dave Mixon, Florida Department of Transportation, 719 S. Woodland Boulevard M.S. 562, DeLand, FL 32720; or emailed to Dave.Mixon@dot.state.fl.us no later than Friday, April 19, 2019. All written and oral comments will become part of the project's public record.

Persons with disabilities who require accommodations under the Americans with Disabilities Act, or persons who require translation services (free of charge), should contact Kelly Hiden, Public Involvement Specialist, by phone at (407)508-0839, or via email at kelly@valerin-group.com at least seven (7) days prior to the meeting.
