RULE NOS.: RULE TITLES:

64B12-8.020 Disciplinary Guidelines

64B12-8.024 Out-of-State Telehealth Discipline

PURPOSE AND EFFECT: The Board proposes to establish disciplinary guidelines for Out of State Telehealth Registrants pursuant to 456.47(4)(i).

SUMMARY: The Board proposes to update rule language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

64B12-8.020 Disciplinary Guidelines.

(1) The Board provides within this rule disciplinary guidelines which shall be imposed upon applicants or licensees whom it regulates under Chapter 484, F.S., or a telehealth provider registered under section 456.47(4), F.S.. The purpose of this rule is to notify applicants and licensees of the ranges of penalties that will routinely be imposed unless the Board finds it necessary to deviate from the guidelines for the stated reasons given within this rule. The ranges of penalties provided below are based upon a single count violation of each provision listed; multiple counts of the violated provisions or a combination of the violations may result in a higher penalty than that for a single, isolated violation. Each range includes the lowest and highest penalty and all penalties falling between. The purposes of the imposition of discipline are to punish the applicants or licensees for violations and to deter them from future violations; to offer opportunities for rehabilitation, when appropriate; and to deter other applicants or licensees from violations.

(2) No change.

(3) When the Board finds an applicant or licensee whom it regulates under Chapter 484, F.S., or a telehealth provider registered under section 456.47(4), F.S., has committed any of the acts set forth in Sections 456.072, 456.47, or 484.014, F.S., it shall issue a final order imposing appropriate penalties within the ranges recommended in the following disciplinary guidelines:

(3) A suspension may be for a definite term or may be accompanied by a corrective action plan established by the Board, as stated in rule 64B12-8.020, F.A.C.

(4) A suspension for a definite term may be terminated early only upon approval of the Board. A suspension accompanied by a corrective action plan may be lifted upon successful compliance with the corrective action or otherwise determined by the Board.

(5) A “corrective action plan” must accompany a suspension and includes rehabilitative provisions established by the Board which are narrowly tailored to address the conduct which resulted in the underlying disciplinary violations. In order to satisfy a corrective action plan, the Registrant must provide proof of successful completion of all provisions to the Board. A corrective action plan may follow a suspension for a definite term and require continued suspension until successful compliance with the corrective action plan. Nothing in this paragraph shall be interpreted as restricting the Board’s ability to impose a suspension for a definite term absent or accompanied by a corrective action plan.
