FISH AND WILDLIFE CONSERVATION COMMISSION

Marine Fisheries

RULE NO.: RULE TITLE:
68B-41.004 Bag and Vessel Limits; Bycatch Allowance

PURPOSE AND EFFECT: The Commission will consider a draft rule proposal to modify recreational bag and vessel limits for dolphinfish in Atlantic state waters. Currently, in Florida state waters, private recreational fishermen have a limit of 10 dolphinfish per person or 60 per vessel, whichever is less, and passengers on any vessels for hire trips are limited to 10 dolphinfish per person. In recent years, private recreational and for-hire fishermen have raised concerns about the declines in size and abundance of dolphinfish in south Florida, and recently, the South Atlantic Fishery Management Council reduced the recreational vessel limit from 60 to 54 fish in Atlantic federal waters. The FWC Commission has expressed interest in taking a proactive management approach and further lowering dolphinfish recreational limits for Atlantic state waters. The effect of these rule amendments would be to reduce recreational bag and vessel limits in Atlantic state waters to help address stakeholder concerns on size and abundance of dolphinfish and clarify that captain and crew are prohibited from retaining a daily bag and possession limit.

SUBJECT AREA TO BE ADDRESSED: Subject areas to be addressed in the rule development notice include reducing the recreational bag and vessel limit for dolphinfish in Atlantic state waters and clarify that captain and crew are prohibited from retaining a daily bag and possession limit.

RULE NO.: RULE TITLE:

65C-22.001 General Requirements

The Department of Children and Families ("Department") hereby gives notice: An order has been issued that disposes of the petition for waiver or variance from section 2.5.5 of the Child Care Facility Handbook ("Handbook"), which is incorporated by reference in subsection 65C-22.001(6), Florida Administrative Code, from Grace Place. Section 2.5.5 of the Handbook requires each child, when transported by a child care facility, to be seated in a back seat in an individual factory installed seat belt or federally approved child safety restraint. For children aged 4 years, a separate carrier, a vehicle built-in child seat, or a child booster seat must be used with appropriate seat belt. Children aged 5 years and older must be in seat belts. Based on a review of the request, Petitioner is using Besi child over-the-shoulder mount restraints for the four-year-old children being transported by the facility. The Department determined that Petitioner's use of Besi restraints complies with section 2.5.5 of the CCF Handbook. Therefore, no waiver or variance is needed, provided Petitioner installs and uses the product in accordance with the manufacturer's instructions and maintains a copy of those instructions. As such, the requested variance or waiver was denied.

A copy of the Order or additional information may be obtained by contacting: Agency Clerk, Department of Children and Families, 2415 North Monroe Street, Suite 100, Tallahassee, FL 32303 or agency.clerk@myflfamilies.com.
