In order to protect a student’s PII from potential misuse and in order to protect students from data mining or targeting for marketing or other commercial purposes, school boards and charter school governing boards must adopt policies that provide for review and approval of any online educational service that students or their parents are required to use as part of a school activity. These policies are required whether or not there is a written agreement governing student use, and whether or not the online educational service is free. These policies are required even if the use of the online educational service is unique to specific classes or courses.

(b) For any online educational service that a student is required to use, a district must provide notice on its website of the PII information that may be collected, how it will be used, when it will be destroyed and the terms of re-disclosure. APPROVING CITY OF KEY WEST ORDINANCE NO. 22-

20

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Key West, Florida (“City”), by Ordinance No. 22-20 (“Ordinance”).

FINDINGS OF FACT

1. Section 380.0552, Florida Statutes, and Rule 28-36.002, Florida Administrative Code, designate the City as an area of critical state concern.

2. The City adopted the Ordinance on July 7, 2022 and rendered it to the Department on August 8, 2022.

3. The Ordinance amends Section 122-232, *Accessory units*, of the City’s Land Development Regulations to modify the permit formula of the building permit allocation methodology by changing the accessory unit equivalency from 0.55 to 0.78 dwelling unit.

4. The Ordinance also amends Section 122-233, *Special criteria applicable to accessory units*, to increase the maximum monthly rent for rented accessory units to 25% of the monthly median household income for Monroe County.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. *See* Section 380.05(6), Florida Statutes.

6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

7. The Ordinance is consistent with the City's Comprehensive Plan generally, as required by Section 163.3177(1), Florida Statutes, and is specifically consistent with Policy 1-1.16.3.

8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See Section 380.05(6), Florida Statutes. The Principles for Guiding Development for the City are set forth in Rule 28-36.003, Florida Administrative Code.

9. The Ordinance is consistent with the Principles for Guiding Development for the City as a whole, and specifically furthers the following Principles:

- (1)(a) Strengthen local government capabilities for managing land use and development;
- (1)(h) Protection of the public health, safety, welfare and economy of the City of Key West, and the maintenance of Key West as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 22-20 is consistent with the City's Comprehensive Plan and the Principles for Guiding Development for the City and is hereby APPROVED.
