RULE NO.: RULE TITLE:

68A-27.003: Florida Endangered and Threatened Species List; Prohibitions

68A-27.005: Designation of Species of Special Concern; Prohibitions; Permits

PURPOSE AND EFFECT: The purpose of this rulemaking is to maintain consistency with federal listing and taxonomic determinations for five Federally-listed species on the Florida Endangered and Threatened Species List. The proposed rule will remove the Panama City crayfish as a species of special concern under Rule 68A-27.005, F.A.C., and will add the species as a Federally-designated Threatened Species under Rule 68A-27.003, F.A.C. Proposed revisions also would update the scientific names of the shinyrayed pocketbook (*Hamiota subangulata*), Choctaw bean (*Obovaria choctawensis*), round ebonyshell (*Reginaia rotulata*), and eastern indigo snake (*Drymarchon couperi*) in Rule 68A-27.003, F.A.C. The effect of these rule amendments will be to update the listing status of one species and update the scientific names of four species.

SUMMARY: The purpose of the proposed rule changes is to maintain consistency among state and federal lists of protected species. The Panama City crayfish was listed as threatened under the federal Endangered Species Act in January 2022.

Rule 68A-27.0012, F.A.C., states that if a species is federally listed, it will “be listed by the Commission as a Florida Endangered and Threatened Species by virtue of the federal designation.” The proposed rule will remove the Panama City crayfish as a species of special concern under Rule 68A-27.005, F.A.C., and will add the species as a Federally-designated Threatened Species under Rule 68A-27.003, F.A.C. The proposed final rule also will update the taxonomy of the federally listed shinyrayed pocketbook, Choctaw bean, round ebonyshell, and eastern indigo snake for consistency with the Federal List of Endangered and Threatened Wildlife.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the nature of the rule and the preliminary analysis conducted to determine whether a SERC was required.

RULE NOS.: RULE TITLES:

68A-27.0021 Designation of Candidate Species; Prohibitions; Permits

68A-27.003 Florida Endangered and Threatened Species List; Prohibitions

PURPOSE AND EFFECT: The purpose of this rulemaking is (1) to add the striped newt (*Notophthalmus perstriatus*) to the Florida Endangered and Threatened Species List as a State-designated Threatened species and (2) to incorporate in rule by reference the Species Conservation Measures and Permitting Guidelines (Guidelines) for the striped newt. The effect of this rule revision is a change in listing status for the striped newt found warranted by the Commission, thereby providing the species with the protections for State-designated Threatened species in Chapter 68A-27, F.A.C.

SUMMARY: The proposed rule changes finalize the state listing process for the striped newt. In 2019, the FWC received a request to evaluate the striped newt for listing as State-designated Threatened, and the Commission approved a Biological Review Group to evaluate the status of the species. Based on this evaluation, staff made a listing status recommendation to Commissioners in 2021. Commissioners agreed that the species warranted listing as State-designated Threatened and approved incorporating the striped newt into Rule 68A-27.0021, F.A.C., as a Candidate species, with direction to staff to develop a management plan and Guidelines. Commissioners approved the management plan and proposed rule revisions November 30, 2022. The proposed rule revisions will complete the listing process by removing the striped newt from the Candidate Species List in Rule 68A-27.0021, F.A.C., adding the species as State-designated Threatened to Rule 68A-27.003, F.A.C., and incorporating the Guidelines in rule by reference. The Guidelines provide information on ways to avoid take, authorize take in certain circumstances, and provide minimization and mitigation options when take cannot be avoided.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the nature of the rule and the preliminary analysis conducted to determine whether a SERC was required.

Board of Cosmetology

NOTICE IS HEREBY GIVEN that Florida Board of Cosmetology has received the petition for declaratory statement from Bryee Prieto. The petition seeks the agency's opinion as to the applicability of (Petitioner did not provide a rule or statute) as it applies to the petitioner.

Petitioner’s petition, filed on November 18, 2022, asks the following questions: “Is it legally possible to be a mobile aesthetician? If this business is allowed, what services can be done? Which medical professional must oversee, can it be a doctor or can a NP or PA work? Are certified estheticians who administer micro needling certifications still active although the ability was removed in 2021? Are estheticians still allowed to micro needle under a medical professional? Is nano-needling included with the micro needling rule? Does the ability to perform micro needling require a tattoo license? If that is the case, then mobile micro needling won’t be allowed since you need a standalone building to legally function with that license? If nano-needling is not included with micro needling, would nano-needling be allowed mobile aesthetics? If mobile aesthetics isn’t possible, how do I move forward to start the process of getting the business venture approved?” Except for good cause shown, motions for leave to intervene must be filed within 21 days after the publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Krista Woodard, Executive Director, Board of Cosmetology, 2601 Blair Stone Road, Tallahassee, Florida 32399-0783, Krista.Woodard@myfloridalicense.com.
