Section II
Proposed Rules

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:

6A-1.09401: Student Performance Standards

PURPOSE AND EFFECT: To update the student performance standards for Social Studies Grades 9-12.

SUMMARY: This amendment removes four benchmarks within the state academic standards for 9-12 Social Studies in accordance with the criteria set forth in s. 1001.42(8)(c)3., F.S., as amended by House Bill 1557 in 2022.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Based on experience in the past, when standards were revised, there was no adverse impact or regulatory cost of the proposed rule. It is not expected to exceed any of the economic criteria set forth in s. 120.541(2)(a), F.S., and will not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

6A-1.09401 Student Performance Standards.

(1) Student Performance Standards in Florida are defined as state academic standards and establish the core content of the curricula to be taught and specify the core content knowledge and skills that K-12 public school students are expected to acquire. The state academic standards are rigorous and reflect the knowledge and skills students need for success in college and careers. The standards and benchmarks describe what students should know and be able to do at grade level progression for kindergarten to grade 8 and in grade bands for grade levels 9-12. The access points contained in the state academic standards provide access to the general education curriculum for students with significant cognitive disabilities. These standards, benchmarks, and access points are contained in the following publications which are hereby incorporated by reference and made a part of this rule.

(a) through (c) No change.

Building Code Administrators and Inspectors Board

RULE NO. RULE TITLE:

61G19-5.006: Citations

PURPOSE AND EFFECT: The Board proposes a rule amendment add additional violations that may be resolved through issuance of a citation.

SUMMARY: The proposed rule amendment updates the minor issue to the citations.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

61G19-6.016 Voluntary Certification Categories.

The following voluntary certification categories are created.

(1) Through (2) No Change.

(3) Roofing Inspector. Roofing Inspector means a person who is qualified to inspect residential and commercial roofs. In order to obtain this voluntary certification the Board will require either: four (4) years (48 months) of roofing experience primarily performing activities and duties in the roofing trade with passage of the standardized roofing inspectors' examination as approved by the board; state certification as a roofing contractor; or a state certified general contractor who was certified prior to 1974.

(4) Modular Inspector. This license is required for inspection of all modular buildings constructed to the Florida Building Code and administered under Chapter 553, Part I, F.S., unless otherwise provided for in Florida Statutes.

(a) Modular Inspector means a person who is authorized to inspect any manufactured (modular) building and systems incorporated therein designed and built to comply with the Florida Building Code pursuant to Part I, Chapter 553, F.S. In order to obtain this voluntary certification, the Board will require the applicant to pass the standardized modular

inspectors' examination and the applicant must have three (3) years (36 months) experience as an inspector with local government and/or state government or three years (36 months) experience as an inspector with an independent inspection/plans review agency under contract with a state agency or three (3) years (36 months) experience as a registered or certified state general, building, or residential contractor or job superintendent, project manager or quality control manager, the latter as provided for in Chapter 61-41, F.A.C., in a supervisory capacity that included operational control and direction of building, mechanical, electrical and plumbing personnel or subcontractors on residential or commercial projects.

(b) No Change.

(5) Modular Plans Examiner. This license is required for plans reviews of all modular buildings constructed to the Florida Building Code and administered under Chapter 553, Part I, F.S., unless otherwise provided for in Florida Statutes.

(a) Modular Plans Examiner means a person who is authorized to review plans for any manufactured (modular) building and systems incorporated therein designed and built to comply with the Florida Building Code pursuant to Part 1, Chapter 553, F.S. In order to obtain this voluntary certification, the Board will require the applicant to pass the standardized modular plans inspectors' examination and the applicant must have three (3) years (36 months) experience as a plans examiner with duties involving primarily modular building and systems with local and/or state government. As an alternative, the applicant must have three (3) years (36 months) experience as a plans examiner with duties involving primarily modular buildings and systems with an independent inspection/plans review agency under contract with a state department or three (3) years (36 months) experience as a registered or certified state general, building, or residential contractor or job superintendent, project manager or quality control manager, the latter as provided for in Chapter 61-41, F.A.C., in a supervisory capacity that included operational control and direction of building, mechanical, electrical and plumbing personnel or subcontractors on residential or commercial projects.

(a) Through (f) No Change.

(g) For purposes of this section, the term “four years’ experience” shall mean four years (48 months) of experience primarily performing activities and duties corresponding to the certification category sought.

1. For any employment or work experience where all or substantially all of the applicant’s work time was not confined to the activities and duties of a single certification category, the applicant shall indicate what percentage of the applicant’s time was spent on activities and duties for each certification category.

2. For applicants applying for a single trade license, the Board shall not consider credit for periods of employment or work experience where less than 33% of the applicant’s work time activities and duties applied to that one certification category.

3. For any employment or work experience where the applicant performed duties involving multiple certification categories, the Board shall allow an applicant to pro-rate or allocate the times spent with appropriate documentation, or testimony acceptable to the Board, showing the time spent with

each employer and the percentage of time spent performing the detailed activities that are described by the applicant on proper affidavits or work experience, including tally sheets with a complete breakdown. The period of time used for one category of certification, absent extraordinary detail and justification, shall not be allowed to be creditable to multiple certification categories, sometimes referred to as “double dipping”, which may result in disciplinary proceedings.

RULE NO. RULE TITLE:

64B5-2.013: Dental Examinations

The Board of Dentistry hereby gives notice: of the issuance of an Order regarding the Petition for Variance or Waiver, filed on October 21, 2022, by Taira Yusufova. The Notice of Petition for Variance or Waiver was published in Vol. 48, No. 208, of the October 25, 2022, Florida Administrative Register. Petitioner sought a variance from or a waiver of Rule 64B5-2.013(1)(b), F.A.C, which requires all parts of the ADEX shall be completed within eighteen (18) months from the initial start of any portion of the examination. A failure to complete all parts of the examination within eighteen (18) months will require the applicant to retake the entire examination. For reasons set forth in the Petition Petitioner requested a variance or waiver from Rule 64B5-2.013 F.A.C., to waive the requirement that all parts of the ADEX be completed within eighteen (18) months of the initial start of examination and requested that the board accept her ADLEX results obtained after the eighteen (18) months of the start of the examination and grant the application to practice Dentistry in the State of Florida. The Board considered the instant Petition at a duly noticed public meeting held on November 18, 2022, in Dania Beach, Florida. The Board's Order was filed on March 01, 2023. The Board determined that

Petitioner has a unique factual situation which combined to demonstrate compliance with the rule was impossible. Accordingly, the Board finds the Petitioner has established that a strict application of this rule would violate principles of fairness and that the Petitioner has or will meet the underlying purpose of the statute via other means.
