The caseworker shall keep the child informed of all purchases. Also, if the expenditure equals \$500 or more, the caseworker shall notify the child's parent(s) (unless termination of parental rights has occurred), the guardian ad litem, and the child's attorney (if one is appointed) of the purchase.

The Department designee must review and return a decision to approve or deny the request within 10 calendar days.

(b) The lead agency must notify the client's parent(s) (unless termination of parental rights has occurred), the guardian ad litem (if one is appointed), and the child's attorney (if one is appointed) if the total purchase amount is equal to \$500 or more.

(c) A personal allowance in the amount of \$30.00 per month must be set aside in the current needs subaccount for each client receiving a federal benefit. A PASS, Independent Living, or other case plan shall be developed for each member of this Master Trust client beneficiary group. A copy of the plan shall be kept in the client's case file and a copy shall also be filed with the court exercising jurisdiction over the client. As part of the PASS or Independent Living plan, ~~the caseworker is responsible for ensuring that~~ a vocational aptitude assessment may be completed to assist in identifying a reasonable work goal based on strengths and abilities, ~~and report is done on each client who is able to participate. Unless waived or performed in house, costs of such assessment shall be charged against the client's applicable trust subaccount.~~

(e) If a client has other special needs which cannot be provided by the Department, another local, state, or federal source, such as Medicaid, other community resources, from the client's family members, or other responsible party, the fee waiver process established in rule 65C-17.005, F.A.C., may be used to request sufficient funds to provide the essential item to the client.

(f) Pursuant to the General Provisions of the Master Trust Declaration, each client, his or her parent(s) or legal guardian(s) (unless termination of parental rights has occurred), and, if applicable, the client's attorney or guardian ad litem, shall receive an annual accounting of the receipts, disbursements and current balance of the client's subaccount(s). 65C-17.004 Criteria for Fee Waiver and Change in Personal Allowance.

(1) A request for fee waiver or change in personal allowance shall be for a specific sum, no longer than six months in duration and is subject to availability of funding. A request shall be effective the month the request and all supporting documentation is received by the Department. However, the effective date may be retroactive to the month form CF 285D, Notice of Fee Waiver Assessment and Rights of the Foster Child, is filed with the court in accordance with 65C-17.003(2)(h): for the effective date to be retroactive, the application with supporting documentation must be submitted to the Department within three months of the date form CF 285D is filed with the court.

(2) The request must be client specific and individualized based on the client's current or long-term needs.

(3) A decision to grant a fee waiver or change in personal allowance must be made by utilizing the following criteria:

(a) Expressed preferences of the client. When age and developmentally-appropriate, the committee shall consider the clients preferences in relation to short-term and long-term goals.

(b) Needs of the client. The committee shall consider the specific needs and abilities of a client when reviewing requests for services, equipment, and items to be purchased and their potential to improve the client's quality-of-life.

Any determination as to whether funds should be transferred to a different subaccount for the client, or whether, subject to availability of funding, a fee waiver or change in allowance should be granted shall be made by utilizing the following criteria to balance current and long term needs of Family Safety and Preservation program Master Trust client beneficiaries:

(1) Expressed preferences of the client previously made known to the caseworker and documented in a PASS, PASS-ND, Independent Living or other case plan. The department caseworker shall work with each client who is completing a PASS or PASS ND plan.

(2) Age of the client. Although PASS and the Independent Living program are primarily geared toward clients age 15 and older, younger children are eligible for a fee waiver or change in allowance in order to obtain goods or services linked to goals

in the case plan. For example, a young child may exhibit special talents or abilities which would be enhanced by specialized training, classes, or equipment.

(3) Health status and needs of the client. Children who are confined to bed or who have limited mobility benefit from in-home physical therapy, tutoring, visual aids such as television or video cassette recordings, or a specially adapted computer or wheelchair.

(c)(4) Status of the case. The client's permanency goal and goal date must be considered. (such as goal of reunification, long term substitute care, or independent living). If the goal is reunification, the committee shall consider whether the funds are utilized to promote a successful reunification while monitoring care must be taken to monitor subaccount balances to avoid making the client child or family ineligible for benefits when the client child returns home. If the goal is long term substitute care, quality of life considerations become more critical. When Another Planned Permanent Living Arrangement (APPLA) independent living is the permanency goal, educational, and vocational needs, and youth and young adult transition services become the primary focus for utilization of funds as well as sufficient funds for such needs as an apartment and transportation become primary.

(d)(5) Amount and duration of request. The committee shall consider benefits, including the amount of money currently available in the current needs account and other income or assets the client may have outside of the account. If the client receives SSI benefits, the committee should consider if the expenditure plan sufficiently reflects that the funds that would accumulate upon approval will not exceed the maximum countable \$2,000 resource limit. to the child as a personal allowance in his master trust account. If benefits terminate at age 18 (such as Social Security Act Title II benefits) future needs (such as those enunciated in a PASS ND, subsidized independent living or other case plan) shall be a priority in terms of the amount of money set aside as savings for the child. If a fee waiver is being requested, the child's own resources shall be considered in the determination of whether to grant the waiver. However, absence of personal resources shall not make the child ineligible to apply for a fee waiver.

(e)(6) Other resources reasonably available to the client. The committee shall consider other resources such as voluntary or court ordered child support paid into the child's current needs account, or other family or community support that can be used to meet the needs of the client. A fee waiver shall not be used to purchase goods or services for which the client is eligible from community agencies or other federal and state programs, unless such goods or services are shown to be unavailable.

(7) If a fee waiver is contemplated, the duration of the proposed waiver. A fee waiver shall be subject to availability of

funding and shall normally be limited to a sum certain; for example, \$250 security deposit plus \$100 utilities deposit for a total fee waiver of \$350.

(8) Relationship of the proposed transfer or fee waiver to the client's PASS, PASS ND, Independent Living or other case plan. The proposed transfer or fee waiver must be directly related to the goal(s) in the plan in one or more of the following ways:

(a) The client's interests and abilities in relation to the goals expressed in the plan need to be assessed in order to determine if the goals are realistic;

(b) The client's vocational assessment supports the goals, but the client needs remedial tutoring or classes in specified areas, along with books, supplies or transportation;

(c) As shown by the client's vocational assessment or academic record, remedial classes are not necessary, but the client needs funding for such things as tuition, fees, books, supplies, supported employment services, attendant or child care expenses, equipment, tools, or uniforms for school, training or to do a job;

(d) The client's academic record, interests, and motivation clearly support the client's college potential and justify funding of a prepaid college tuition plan;

(e) The client's independent living plan includes realistic and practical means for continuing to finance an apartment and other living expenses. In this regard, a fee waiver or change in allowance can be granted to enable the child to accumulate savings as part of the articulated plan for the child's use upon discharge from foster care.

(9) If the child is applying for an increased personal or foster care allowance, he or she must be able to demonstrate either that his or her necessary expenses are greater than the current foster care or personal allowance or that he or she is incurring increased expenses for clothing, recreational needs or activities, transportation, or other expenses related to the child's age, current activities and interests (for example, expenses related to sports activities). Approval of requests for increased allowance are subject to availability of funding.

**Section VII
Notice of Petitions and Dispositions
Regarding Declaratory Statements**

DEPARTMENT OF HEALTH

Board of Nursing

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Hailey Lafferty, APRN, on November 06, 2023. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 49, No. 218, of the November 8, 2023, Florida Administrative Register. The Petitioner sought a Declaratory Statement from the Board to obtain clarification as to Section 464.012(3), F.S., as to whether Petitioner as an APRN, PMHNP-BC with less than two years' experience is able to prescribe controlled substances schedules II-IV operating under a collaborative agreement with a psychiatrist. At the duly-noticed public meeting held on December 7, 2023, in Bonita Springs, Florida, the Board found that the statutory language is clear and section 394.455(36), F.S., requires 2 years of post-master's clinical experience under the supervision of a physician. The Board's Final Order was filed on January 16, 2024.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399,

MQA.Nursing@flhealth.gov, or by telephone at (850)245-4125.

DEPARTMENT OF HEALTH

Board of Nursing

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Viki Beth Freinberg, RN, on September 18, 2023. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 49, No. 188, of the September 27, 2023, Florida Administrative Register. The Petitioner seeks a Declaratory Statement from the Board regarding the applicability of Section 456.072(1)(bb), F.S., and asks the following questions: 1. "Would the act of manually expelling fluids from surgical incisions of patients who have undergone liposuction be categorized as a "wrong procedure" or "medically unnecessary" if done by a registered nurse in Florida? Especially with no direct supervision of a physician being physically present and immediately available to me while performing the procedure?" 2. "If this manipulation is found to be neither a "wrong procedure" nor "medically unnecessary" for a registered nurse to perform without the direct supervision of a physician, can Petitioner perform this procedure on patients in non-sterile environments such as the patient's residence, a hotel room, or a standard non-sterilized office?" Petitioner asks whether the performance of each specific procedure would be a disciplinary violation. At the duly-noticed public meeting held on December 7, 2023, in Bonita Springs, Florida, the Board found that it is unable to provide a general opinion on whether a particular act or procedure would constitute a disciplinary violation. To find that a disciplinary violation has occurred, the Department must conduct an investigation and the Board has to determine from a review of the specific facts of the case if a violation occurred. Based on the foregoing, the Board voted to decline to answer the petition. The Board's Final Order was filed on January 12, 2024.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399, MQA.Nursing@flhealth.gov, or by telephone at (850)245-4125.

DEPARTMENT OF HEALTH

Board of Nursing

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Viki Beth Freinberg, RN, on September 07, 2023. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 49, No. 188, of the September 27, 2023, Florida Administrative Register. The Petitioner seeks a Declaratory Statement from the Board regarding the applicability of Section 464.003(19), F.S., and asks the following questions: 1. "Is it within my scope of practice as a Registered Nurse in Florida to perform massages for body contouring or body-sculpting purposes?" 2. "Does my scope of practice allow me to utilize non-invasive or non-surgical electrical devices designed to dissolve or eliminate subcutaneous fat deposits, thereby contributing to body slimming and contouring, especially without the direct supervision of a physician?" Examples of these devices were listed in the petition. At the duly-noticed public meeting held on December 7, 2023, in Bonita Springs, Florida, the Board found that the petition filed in this matter is not in substantial compliance with the provisions of Section 120.565, Florida Statutes and Rule 28-105, Florida Administrative Code. The petition fails to describe Petitioner's particular set of circumstances and does not provide enough information for the Board to appropriately respond to the questions presented. Based on the failure of Petition to sufficiently describe her particular circumstances and lack of information, the Board voted to decline to answer the petition due to insufficient information and the petition's lack of conformance with Rule 28-105, Florida Administrative Code. The Board's Final Order was filed on January 12, 2024.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399, MQA.Nursing@flhealth.gov, or by telephone at (850)245-4125.

DEPARTMENT OF HEALTH

Board of Nursing

The Petitioner seeks a Declaratory Statement from the Board as to whether Petitioner, as a Florida Registered Nurse, can be delegated the task of medication administration of Neuromodulator Cosmetic medication and cosmetic filler treatments from a licensed physician who performed a patient exam, prescribed the Neuromodulator Cosmetic medication and cosmetic filler treatments with detailed instructions, and who delegated the administration task to Petitioner. Except for good cause shown, motions for leave to intervene must be filed within 21 days after the publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Joe R. Baker, Jr., Executive Director, Board of Nursing, 4052 Bald Cypress Way, Bin #C02, Tallahassee, Florida 32399, MQA.Nursing@flhealth.gov, or by telephone at (850)245-4125.
