Data Element Number: **115680**

Data Element Name: **Dropout Prevention/Juvenile Justice Programs**

The Dropout Prevention Program type(s) in which the student participated.

Students enrolled in alternative schools should be reported in a dropout prevention program.

Students served by Title I, Part D funds should be reported in a dropout prevention program.

Note: In surveys 2 and 3 the student should be in the program during survey week to be reported. Also, in surveys 2 and 3 only one code is reported. Codes R and E take priority because they are used to identify the proper status of students in the school grading system. In survey 5, in the Dropout Prevention Program Data format, report students who were served at any time during the school year and, for students participating in more than one program, school, or term, record the code for each program, in each term, at each school in which the student participates.

In the Federal/State Indicator Status format, for Survey 5, report code Z.

Code	Definition/Example
A	Disciplinary Programs: Programs designed to provide intervention for students who are disruptive in the traditional school environment. Note: This may include in-school suspension programs. This code does not apply to students who have been assigned to this program as an alternative to expulsion – use code E for these students.
D	Educational Services in Residential Department of Juvenile Justice Programs: Educational Programs provided to students in detention; and non-secure and secure residential programs.
E	Alternative to Expulsion Programs: Programs designed for students who are subject to district school board policies for expulsion for repeated or serious offenders.
J	County or City Jail: Educational programs provided to students in county or city jail.
N	Non-School Institution for Neglected Students: Programs in which children and youth in a non-school institution identified as neglected are provided prevention and transition services with Title I, Part D Funds.
P	Teenage Parent Programs: Educational programs which are designed to provide a specialized curriculum and other services to meet the needs of students who are pregnant, students who are parents or babies of TAP students.
R	Dropout Retrieval Programs: Alternative programs serving students who have officially been designated as dropouts.

Data Element Number: **115680**

Data Element Name: **Dropout Prevention/Juvenile Justice Programs**

S Educational Services in School Institutions for Neglected Students:

Educational programs provided to children and youth in a school institution (residential or nonresidential) identified as neglected are serving students with Title I, Part D funds.

T Educational Services in Non-Residential Department of Juvenile Justice Programs:

Educational programs provided to students in DJJ prevention and day treatment programs. These students are not adjudicated.

U Educational Alternative Programs:

Educational programs which are designed to offer variations of traditional instructional programs and strategies for the purpose of increasing the likelihood that students who are unmotivated or unsuccessful in traditional programs remain in school and obtain a high school diploma or its equivalent. This code does not apply to students who are participating in this program as a retrieved dropout - use code R for these students.

Note: Examples of Educational Alternative Programs include but are not limited to course modifications, credit recovery, integrated curriculum, alternative curriculum, flexible schedules and self paced curriculum. Typically alternative education programs apply alternative strategies that lead to improvement in academic performance, student attendance or student behaviors.

W Supplemental Supports Programs:

Programs in which At-Risk students are provided services with Title I, Part D funds. Services are provided outside of a traditional classroom setting. Examples include after school tutoring services and summer services when school is not in session.

Z Not Applicable. (Use this code only on the Federal/State Indicator Status record for all students in survey period 5. This code is not applicable for the Dropout Prevention Program Data format and cannot be reported).

Data Element Name: **Fund Source: ESSA Title III**

A one-character code to identify whether a teacher's position or the program a teacher is teaching in is funded under Title III of the Every Student Succeed Act (ESSA).

Code	Definition/Example
N	No Title III funds are used to pay this teacher or fund the program in which the teacher is teaching.
Y	The teacher or program receives Title III funds.
Z	Not applicable. Report code Z for survey periods 1 and 4.

Note: Title III is a 100% federally funded supplemental program that concentrates on delivering language instruction educational programs to students who have a primary language other than English. This program is designed to improve the education of English Language Learners (ELL) children and youths by helping them learn English and meet challenging state academic content and student academic achievement standards. The program also provides enhanced instructional opportunities for immigrant children and youths.

If Title III funds are used in any way to provide supplemental assistance to the teacher or program use code Y.

For example:

- A teacher is NOT funded with Title III funds but textbooks specific to the ELL students and used in this class were purchased using Title III funds; thus a Y code is used. In other words, the program is being supplemented with Title III funds to enhance the instructional opportunities for ELL students.
- A teacher teaching ELL students, not paid by Title III and having no supplemental services or materials in the class that were purchased using Title III funds. Use code N.
- A school with a specific instructional program model (bilingual, sheltered, two-way) that includes an instructional ELL coach paid with Title III funds who works with the teachers at the site. Use code Y.

DOE INFORMATION DATABASE REQUIREMENTS VOLUME I:
AUTOMATED STUDENT INFORMATION SYSTEM
AUTOMATED STUDENT DATA ELEMENTS

Year: 2022-23

Data Element Number: **126425**

Data Element Name: **Grade Promotion Status**

Grade promotion status is defined as the change in grade assignment at the end of a regular school year or summer session. For example, if a PK-12 student meets all criteria for advancement to the next highest grade in his or her current school at the end of the regular 180 day school year or the summer session, that student is considered to have been promoted. Conversely, any PK-12 student who has not met all criteria for advancement to the next highest grade should be considered as retained. Codes and definitions follow:

Code	Definition/Example
A	Promoted to a higher grade without meeting levels of performance for pupil progression based on meeting criteria for a good cause exemption or because of a prior retention in third grade.
D	Student with disabilities opted to remain in school, or a non-disabled student opted to remain in school for one additional year. *
N	Not enrolled in a KG-12 program in the district at the end of the school year. **
P	Academically promoted to a higher grade, graduated, completed, or reported with withdrawal code WPO.
R	Retained in same grade at the end of the school year.
Z	Promotion status not applicable. Use this code for PK unless the PK student is promoted to kindergarten; for students in continuous progress schools who have not been promoted; for students enrolled part-time in District 71, and for students in grades 30 and 31.

COMMENT:

Definitions are abbreviated on the permanent record. See Automated Student Permanent Record document.

* Use for additional years beyond graduation and completion year. The Individuals with Disabilities Education Act (IDEA) requires that districts must provide a free and appropriate education (FAPE) to all students who have not reached age 22 and who have not earned a regular high school diploma (34 CFR 300.101), or students who deferred receipt of the standard diploma per s. 1003.4282(10)(c), F.S. This requirement applies even if the student has received a special diploma, a certificate of completion, or a special certificate of completion. Additionally, districts may choose to continue to offer FAPE through the school year in which student turns 22. Section 1003.4282(6)(c), F.S. allows students who are entitled to a certificate of completion to remain in high school either as a full-time student or a part-time student for up to one additional year and receive special instruction to remedy his or her identified deficiencies.

** Any student withdrawing prior to the end of the school year and receiving a diploma, certificate, or WPO withdrawal code should be coded P rather than N.

For example, an incident of vandalism or robbery might be a part of an initiation into a gang or a fight might be caused by group rivalry. Report an incident as gang related only if you are sure that gang affiliation/association contributed to that incident. Factors to be considered when determining whether the incident is gang related include, but are not limited to the following: A gang is a somewhat organized group of some duration, sometimes characterized by turf concerns, symbols, special dress or colors. The group is recognized as a gang by its members and others. One or more of those involved in the incident admits to gang affiliation/association or admits that gang affiliation/association was a contributing factor to the incident. One or more of those involved was identified by his/her parents as a gang member/associate. One or more involved were wearing clothing, tattoos, or a style of dress "known" to be associated with gang(s). Students/witnesses to the incident alleged that the incident or one or more of those involved in the incident was gang related or affiliated/associated with a gang. The determination of whether or not the incident was gang related should be based on a reasonable interpretation of the totality of the circumstances.
