Subpart A—General

§ 363.1 What is the State Supported Employment Services program?

(a) Under the State supported employment services program, the Secretary provides grants to assist States in developing and implementing collaborative programs with appropriate entities to provide programs of supported employment services for individuals with the most significant disabilities, including youth with the most significant disabilities, to enable them to achieve an employment outcome of supported employment in competitive integrated employment. Grants made under the State supported

§ 363.2

employment services program supplement a State's vocational rehabilitation program grants under 34 CFR part 361.

(b) For purposes of this part and 34 CFR part 361, "supported employment" means competitive integrated employment, including customized employment, or employment in an integrated work setting in which an individual with a most significant disability, including a youth with a most significant disability, is working on a short-term basis toward competitive integrated employment, that is individualized and customized, consistent with the unique strengths, abilities, interests, and informed choice of the individual, including with ongoing support services for individuals with the most significant disabilities—

(1)(i) For whom competitive integrated employment has not historically occurred; or

(ii) For whom competitive integrated employment has been interrupted or intermittent as a result of a significant disability; and

(2) Who, because of the nature and severity of the disability, need intensive supported employment services, and extended services after the transition from support provided by the designated State unit in order to perform the work.

(c) *Short-term basis.* For purposes of this part, an individual with a most significant disability, whose supported employment in an integrated setting does not satisfy the criteria of competitive integrated employment, as defined in 34 CFR 361.5(c)(9), is considered to be working on a short-term basis toward competitive integrated employment so long as the individual can reasonably anticipate achieving competitive integrated employment—

(1) Within six months of achieving a supported employment outcome; or,

(2) In limited circumstances, within a period not to exceed 12 months from the achievement of the supported employment outcome, if a longer period is necessary based on the needs of the individual, and the individual has demonstrated progress toward competitive

(b) Except as provided in paragraph (a)(2) of this section, a State may not use funds under this part to provide extended services to individuals with the most significant disabilities.

(2) Discrete postemployment services in accordance with 34 CFR 361.48(b) by using funds made available under 34 CFR part 361 to an individual who is eligible under this part.

(b) Any amount made available to a State for any fiscal year in accordance with paragraph (a) will be regarded as an increase in the State's allotment under this part for such year.

(ii) In the event that a designated State agency uses more than 50 percent of its allotment under this part to provide supported employment services to youth with the most significant disabilities as required by § 363.22, there is no requirement that a designated State agency provide non-Federal expenditures to match the excess Federal funds spent for this purpose.

(3) Except as provided under paragraphs (b) and (c) of this section, non-Federal expenditures made under the vocational rehabilitation services portion of the Unified or Combined State Plan supplement to meet the non-Federal share requirement under this section must be consistent with the provision of 2 CFR 200.306.

(b) Federal funds appropriated for a fiscal year and reserved for the provision of supported employment services to youth with the most significant disabilities, in accordance with §363.22 of this part, remain available for obligation in the succeeding fiscal year only to the extent that the State met the matching requirement, as described in §363.23, for those Federal funds by obligating, in accordance with 34 CFR 76.707, the non-Federal share in the fiscal year for which the funds were appropriated. Any reserved funds carried over may only be obligated and expended in that succeeding Federal fiscal year for the provision of supported employment services to youth with the most significant disabilities.
