## Florida Department of Education

Florida Career and Professional Education Act Career and Professional Academies

Welcome to the main registration page for the Career and Professional Education (CAPE) Academies. This system is only for the registration of CAPE academies at the High School level. All Middle School academies must be registered using a separate system. Below you will see a list of previously registered CAPE academies for the 2010-2011 school year. If you are reregistering a previously registered academy for the 2011-2012 school year, please follow the instructions in Section I. Please note that all academies offered in 2010-2011 **must be re-registered** if you plan to offer them for the 2011-2012 school year. If you are registering a new academy that was not previously offered in the 2010-2011 school year, please follow the instructions in Section II.

### Section I: Instructions for Reregistering an Academy:

A matrix will appear under Previously Registered Academies heading with a list of academies registered for a previous school year.

\*If you are not planning to offer a previously registered academy, no action is necessary.

- Select the re-register academy icon (↻) to register the academy for the 2011-2012 school year
- The initial check mark icon (✓) indicates the academy has completed the initial registration for the 2011-2012 school year
- The finalized check mark icon (✔) indicates the academy has completed the initial registration and registration has been finalized for the 2011-2012 school year

A matrix will appear under 2011-2012 Registered Academies heading after an academy has successfully registered for the 2011-2012 school year.

### Section II: Instructions for Registering a New Academy:

Select the link "Submit A New Academy" to register a new Career and Professional Academy. (Please note that if minor changes have occurred to an existing academy it should be re-registered. An existing academy should only be registered as a new academy if significant changes to the career cluster and certifications offered have occurred. If you are splitting a single academy into multiple academies, then a new academy needs to be created for each breakout.)

- The initial check mark icon (✓) indicates the academy has completed the initial registration for the 2011-2012 school year
- The finalized check mark icon (✔) indicates the academy has completed the initial registration and registration has been finalized for the school year

A matrix will appear under 2011-2012 Registered Academies heading after an academy has successfully registered for the 2011-2012 school year.

### Florida Department of Education

Florida Career and Professional Education Act Career and Professional Academies

### Registration of High School Career and Professional Academies Florida Career and Professional Education Act

**Purpose:** The purpose of this registration is the identification of the Career and Professional Academies operating in 2011-2012 (s. 1003.493, F.S.). School districts are eligible for bonus full-time equivalent (FTE) membership for students who complete an industry-certified career and professional academy program and who are issued an industry certificate, according to guidelines established by s. 1011.62(1)(o), Florida Statutes. Districts may be eligible for additional funding in 2012-2013 based on students enrolled in 2011-2012. Only students from eligible career and professional academies will be eligible to generate additional FTE.

**Guidelines:** By registering, your district is certifying that these academies meet the statutory requirements of the Florida Career and Professional Education Act. Districts must submit all information for each academy that had students in 2011-2012; District must submit information for any academy that meets ALL of the statutory requirements of s. 1003.493, F.S. Note: This system is designed to reject any registration attempt that does not meet ALL of the criteria found in Section II of the registration application.

All fields are required.

ACADEMY ELEMENTS (per s. 1003.493, F.S.)

Note: This system will reject any registration attempt that does not meet ALL of the criteria found in this Section of the registration application.

- Provide a rigorous standards-based academic curriculum integrated with a career curriculum.
- Include one or more partnerships with postsecondary institutions, businesses, industry, employers, economic development organizations, or other appropriate partners from the local community. Such partnerships must provide opportunities for:
  1. Instruction from highly skilled professionals who possess industry-certification credentials for courses they are teaching.
  2. Internships, externships, and on-the-job training.
  3. A postsecondary degree, diploma, or certificate.
  4. The highest available level of industry certification.
  5. Maximum articulation of credits pursuant to s. 1007.23, F.S., upon program completion.
- Provides shared, maximum use of private sector facilities and personnel.
- Provides personalized student advisement, including a parent-participation component, and coordination with middle schools to promote and support career exploration and education planning as required under s. 1003.4156, F.S. Coordination with middle schools must provide information to middle school students about secondary and postsecondary career education programs and academies.
- Promotes and provide opportunities for career and professional academy students to attain, at minimum, the Florida Gold Seal Vocational Scholars award pursuant to s. 1009.536, F.S.

- Provides instruction in careers designated as high growth, high demand, and high pay by the regional workforce development board, the chamber of commerce, economic development agencies, or the Agency for Workforce Innovation
- Delivers academic content through instruction relevant to the career, including intensive reading and mathematics intervention required by s. 1003.428, F.S., with an emphasis on strengthening reading for information skills.
- Offers applied courses that combine academic content with technical skills
- Provides instruction resulting in competency, certification, or credentials in workplace skills, including, but not limited to, communication skills, interpersonal skills, decision making skills, the importance of attendance and timeliness in the work environment, and work ethics
- Includes a plan to sustain career and professional academies.
- Redirects appropriated career funding to career and professional academies

**Note: This system will reject any registration attempt that does not meet ALL of the criteria found in Section II (above) of the registration application.**

**Section III.**

**ACADEMY TYPE**

Only one academy type may be selected. Choose the one that best applies to the academy.

- Career and Professional Academy that offers at least one industry certification on the 2011-2012 Industry Certification Funding List through enrollment in Secondary CTE program.

**NOTE: If you choose this selection Section IV must be completed.**

- Career and Professional Academy that offers industry certification(s) on the 2011-2012 Industry Certification Funding List through dual enrollment only.

**NOTE: If you choose this selection Section IV must be completed.**

- Career and Professional Academy that offers coursework leading to an industry certification on the Comprehensive Industry Certification List but not on the 2011-2012 Industry Certification Funding List.

**NOTE: Please skip Section IV.**

**Section IV.**

**FUNDING-ELIGIBLE INDUSTRY CERTIFICATIONS**

Students who earn certifications in 2011-2012 listed on the above documents may generate bonus funding upon graduation from high school (see s. 1011.62(1)(o), F.S., for details on the funding calculation).

- Autodesk Certified User - AutoCAD
- Autodesk Certified User - Autodesk Inventor
- Autodesk Certified Associate - AutoCAD
- Autodesk Certified Associate - AutoCAD Architecture

For multiple selections, hold down the Ctrl key (PC) or the Command key (Mac) while clicking the desired selections. To un-select, hold down the Ctrl key (PC) or the Command key (Mac) and click on the undesired selections.

**Section V.**

**CERTIFICATIONS EARNED IN 2011-2012**

Provide an estimate of the number of industry certifications that will be earned in 2011-2012 by students in the academy

**Section VI.**

**PERFORMANCE ELEMENTS (per s. 1003.493, F.S.)**

**Note: By checking below, you are indicating that you acknowledge awareness of the following performance criteria. The system will not complete registration of this academy if the boxes below are not selected.**

- All courses offered lead to an industry certification or college credit linked directly to the career theme of the course.
- If the passage rate on an industry certification examination associated with the academy falls below fifty percent (50%), the academy must discontinue enrollment of new students the following school year and each year thereafter until the pass rate is above fifty percent (50%).

Note: By checking above, you are indicating that you acknowledge awareness of the following performance criteria. The system will not complete registration of this academy if the boxes below are not selected.
