61G15-19.008 Confidentiality of Investigations

PURPOSE AND EFFECT: The Board proposed the rule amendments to revise and update the rule language to include the newest iteration of the sunset language for citations and confidentiality of investigations.

SUMMARY: To revise and update the rule language for citations and confidentiality of investigations.

#### SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect

regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NOS.: RULE TITLES:  
 61G15-35.0021 Definitions  
 61G15-35.003 Qualification Program for Special Inspectors of Threshold Buildings and Special Inspectors of Threshold Buildings (Limited)

PURPOSE AND EFFECT: The Board proposed the rule amendments to update the rule language to include the newest iteration of the sunset language.

SUMMARY: To update the rule language to include the newest iteration of the sunset language.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 471.008, 471.015(7) FS.

LAW IMPLEMENTED: 471.015(7), 553.79(5)(a) FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Thomas Jung, Petitioner on November 20, 2023. The following is a summary of the agency's disposition of the petition:

The Commission denied the Petition because Petitioner’s factual situation is fundamentally different from that of Attorney Restaino, the Commission declines to issue the requested statement or “grant the same opportunities” to Petitioner as the Florida Supreme Court granted to Attorney Restaino. Because the Commission cannot approve and issue statement requested by Petitioner but has insufficient information with which to offer a contrary or differing statement, the Petition for Declaratory Statement must be denied.
