(3) Notification Process for Closure or Modification of Unpermitted Connections. Notice of the Department's intended action will be provided in accordance with Rule 28-106.111, F.A.C. The Department's action will become final unless a timely petition for a hearing is filed in accordance with Rules 28-106.104, 28-106.201, and 28-106.301, F.A.C. In order to be timely, the petition must be filed with the Department's Clerk of Agency Proceedings within 21 days after receipt of the Department's notice, in accordance with Rule 28-106.111, F.A.C. The process to be followed by the Department in the

~~closure or modification of unpermitted connections shall be consistent with the requirements of this rule chapter and Chapter 120, Florida Statutes.~~

(a) With regard to grandfathered connections, the Department shall give written notice, ~~by certified mail with return receipt~~, to the property owner or lessee, with a copy to the occupant, for a connection if Significant Changes, as defined in Section 335.182(3)(b), Florida Statutes, have occurred or if the connection is found to cause a safety or operational problem (as specified in this rule chapter). The notice will identify the specific information on the hazard and request that the deficiencies be corrected, the connection be closed, or that a written agreement on a schedule for the correction be approved by the Department within 30 days of receipt of the notice.

1. If the reason for the closure or modification is due to Significant Change as defined in Section 335.182(3)(b), Florida Statutes, the notice will state the basis of the Department's determination and require the filing of a permit application by a specified date. ~~The notice will state that the Department's determination and the requirement to file an application will become final and conclusive after 30 calendar days of the receipt of notice, unless an administrative hearing pursuant to Section 120.57, Florida Statutes, is requested by the property owner or lessee.~~ Where the Department's requirement to file an application has become final and no timely application has been filed, the Department ~~will~~ ~~may~~ take immediate action to close or modify the connection in accordance with the notice.

2. If the reason for the closure or modification is a safety or operational problem, the notice will state the basis of the Department's determination and describe the changes necessary to reduce hazard or correct the situation. ~~The notice will state that the Department's determination will become final and conclusive after 30 calendar days of the receipt of notice, unless an administrative hearing pursuant to Section 120.57, Florida Statutes, is requested by the property owner or lessee.~~

(b) With regard to unpermitted/non-grandfathered connections, the Department shall give written notice, ~~by certified mail with return receipt~~, to the property owner or lessee, with a copy to the occupant, directing that the connection be closed or that a permit application be filed within 21 ~~the 30~~ days of receipt of the written notice. If a timely request for administrative proceeding is filed, or a permit application or a request for an administrative proceeding is filed within the 21 30 days, no further action on the closure of the unpermitted connection shall occur until review of the application or the administrative proceeding is complete. If the connection is not closed and no timely application or request for an administrative proceeding is filed, the Department will take immediate action to install barriers across, close, or modify the connection.

1. If a timely application has been filed, at the time at which the location and design of the connection are agreed to by the Department, the Department shall allow the existing connection to be used for a period of time specified or until the connection specified in the permit application is constructed and the existing connection removed. Modifications, relocation, or closure of unpermitted connections may be required by the Department as a requirement of permit approval, subject to the requirements of this rule chapter and Chapter 120, Florida Statutes. If the application is approved, the existing connection will be allowed to remain in place and continue to be used until the replacement connection is constructed or modifications to the existing connections are made. If the application is denied, the Department shall notify the property owner or lessee, with a copy to the occupant, of the denial and shall immediately close the unpermitted connection(s), subject to the provisions of this rule chapter and Chapter 120, Florida Statutes.

2. In lieu of filing an application, the property owner or lessee may challenge the requirement to file a permit application by filing a timely written request (within ~~21~~ 30 days of receipt of notice) for an administrative proceeding stating the reasons why a permit is not required for the connection. In such a case, final action to close or modify the unpermitted connection shall be taken in accordance with the results of the administrative proceeding.

3. Notwithstanding any other provisions of ~~paragraph 14-96.012(3)(b)~~, the Department reserves the right to install barriers across, modify, or close a connection at such time as it appears that the continued operation of the connection constitutes a safety or operational problem to the State Highway System. The Department shall provide reasonable or written notice of its impending action prior to taking action to install barriers across or close the connection.

RULE TITLE: Claims Payment  
RULE NO.: 59G-5.110

PURPOSE AND EFFECT: The purpose of this rule is to incorporate Medicaid’s policy on direct reimbursement to recipients. Medicaid normally makes payments only to providers. However, Medicaid can directly reimburse a recipient who has been denied or terminated from eligibility, has had the denial or termination reversed either by agency action or on appeal, and has paid for covered services during the term of ineligibility. To receive payment, the recipient must submit valid receipts to the Agency for Health Care Administration. All payments shall be made at the Medicaid established payment rate in effect at the time the service was given. The effect will be that the direct reimbursement policy will be incorporated in rule.

SUMMARY: This rule amendment will incorporate in rule Medicaid's policy on making direct payment to Medicaid recipients.

59G-5.110 Claims Payment.

(1)(a) The agency provides eligible individuals with access to Medicaid services and goods by direct payment to the Medicaid provider upon submission of a payable claim to the fiscal agent contractor. Except as provided for by law or federal regulation rule, policy, or directive, payments for services rendered or goods supplied shall be made by direct payment to the provider except that payments may be made in the name of the provider to the provider's billing agent if designated in writing by the provider. Direct payment may be made to a recipient who paid for medically necessary, Medicaid-covered services received from the beginning date of eligibility (including the three-month retroactive period) and paid for during the period of time between an erroneous denial or termination of Medicaid eligibility and a successful appeal or an agency determination in the recipient's favor. The services must have been covered by Medicaid at the time they were provided. Medicaid will send payment directly to the recipient upon submission of valid receipts to the Agency for Health Care Administration. All payments shall be made at the Medicaid established payment rate in effect at the time the services were rendered. Any services or goods the recipient paid before receiving an erroneous determination or services for which reimbursement from a third party is available are not eligible for reimbursement to the recipient, upon submission of a payable claim to the fiscal agent contractor. Except as

provided by law, rule, policy, or directive, payments for services rendered or goods supplied shall be made by direct payment to the provider except that payment may be made in the name of the provider to the provider's billing agent if designated in writing by the provider.

(b) Recipients will be notified in writing of their right to reimbursement. This information shall be given when they are notified that their appeal has been upheld or the agency determines before the hearing that an erroneous decision was made. This notice shall be provided on a Medicaid Direct Payment Notice to Applicant/Recipient, AHCA 5240-0001 (November 1998), incorporated by reference.

(c) If Medicaid needs additional information from a recipient to determine eligibility for direct reimbursement, Medicaid will notify the recipient in writing on a Medicaid Direct Payment Notice, AHCA 5240-0002 (November 1998), incorporated by reference.

(d) If Medicaid needs additional information from a provider, and the recipient is not able to obtain the information, Medicaid will request the information from the provider in writing on a Medicaid Direct Payment Notice to Provider, AHCA 5240-0003 (November 1998), incorporated by reference.

(e) Medicaid will notify recipients in writing whether they are eligible for direct reimbursement on a Medicaid Direct Payment Notice of Disposition, AHCA 5240-0004 (November 1998), incorporated by reference.

PURPOSE AND EFFECT: Effective October 1, 1998, the Florida Legislature enacted the Relative Caregiver Program. (Chapter 98-403, Section 70, Laws of Florida; section 39.5085, Florida Statutes (F.S.)). In so doing, the Legislature made a commitment to assist grandparents and other relatives who assume court-approved placement and care responsibilities for a child and thereby spare the child from the trauma of placement in shelter or foster care. The Legislature recognized that most children living in grandparent or other relative placements do not need intensive supervision by the court or the department, and that family preservation and stability for the child could be significantly enhanced by a straightforward program consisting of financial support and provision of medical and other relevant services to the child and relative caregiver. The Relative Caregiver Program provides additional placement options and incentives that will achieve permanency and stability for many children who are at risk of foster care placement because of abuse, abandonment, or neglect. This rule chapter establishes the policies and procedures for department and privatized contractor's administration of the Relative Caregiver Program, including initial eligibility determination, maintaining eligibility after initial determination, calculating the amount of the payment, reporting, tracking, judicial review, case plan, and home study requirements.

65C-24.001 Definition of Terms.

(1) "Medicaid" means medical assistance, funded under Title XIX of the Social Security Act, which provides basic health care to various coverage groups. Children who are eligible for Relative Caregiver Program payments are eligible for Medicaid coverage.

(2) "Relative Caregiver Program Payment" means a monthly payment for the relative caregiver who would be unable to serve in that capacity without the relative caregiver payment because of financial burden. The benefit payment is used towards the cost of providing care for the child, including food, clothing, shelter, daily supervision, school supplies, and personal incidentals.

(3) "Specified degree of relationship" refers to the non-parental relative with whom the child resides. A child must be living with a relative within the fifth degree in order to be eligible for the Relative Caregiver Program. Such relatives include siblings (whole- or half blood, adoptive, or step-siblings); aunts, uncles, nieces and nephews; grandparents and great-grandparents; first cousins and first cousins once removed; relatives within the fifth degree of a father who has legally acknowledged paternity; individuals of preceding

generations denoted by the prefix grand, great-grand or great-great-grand; legal spouses of any listed persons even though the marriage terminated by death or divorce.

(4) “W.A.G.E.S. (Work and Gain Economic Self-Sufficiency) Temporary Cash Assistance” means Florida’s program for providing cash assistance to needy families with dependent children.

#### 65C-24.002 Federal Funding Requirements.

Florida receives federal funding for the relative caregiver monthly benefit payment from the Temporary Assistance for Needy Families (T.A.N.F.) block grant. The relative caregiver payment is not related to Title IV-E; however, the child must meet the criteria for Temporary Cash Assistance child-only eligibility pursuant to 65A-1.203-65A-1.205; 65A-1.301-65A-1.303; 65A-1.400; 65A-1.503(2); 65A-1.504(1), (3), (5); 65A-1.521; 65A-1.701(4), (5), (14), (26), (32), 65A-1.702; 65A-1.703(2); 65A-1.704-65A-1.708; 65A-1.716(4); 65A-1.900; 65A-4.208(2)(a), (3), (5)(a),(d), (9), 65A-4.209(1), (2), (3), (5), (6), (7), (8); 65A-4.210; 65A-4.213 and 65A-4.216, Florida Administrative Code (F.A.C.). #### 65C-24.003 Home Study Requirements.

(1) Relative Caregiver who receive assistance under the Relative Caregiver Program must be capable, as determined by a home study, of providing a physically safe environment and a stable, supportive home for the children under their care, and must assure that the children’s well-being is met, including, but not limited to, the provision of immunizations, education, and mental health services as needed.

(2) Open cases involving relative placements ordered by the court prior to October 1, 1998, shall be reviewed to determine if a home study was conducted. If the home study, predisposition study (PDS) or other case file documentation supports the criteria required by 39.508(3), F.S., the district administrator or designee shall sign a statement certifying that the case meets the home study requirements. This certification shall serve as an interim approval for up to 90 days until the family services counselor completes a new home study and obtains the court’s approval for the continued placement. If the home study is unfavorable, yet the placement is safe, stable and in the child’s best interest, the district administrator or designee shall sign a statement which documents reasons for recommending approval of the continued placement. The recommendation shall then be presented to the court for a determination as to whether the placement should continue.

(3) For all new cases on and after October 1, 1998, the home study requirements established in 39.508(3), F.S., shall be followed in conducting a Relative Caregiver Program home study. In addition, a determination shall be made and documented of the child’s feelings, if the child is at an age and capable of reliably expressing such feelings, concerning placement with these relatives.

(4) With the exception of paragraph (2), the department shall not place the child or continue the placement of the child in the home of the proposed caregivers if the results of the home study are unfavorable. The written home study must be completed and filed with the court prior to or at the time the department recommends the relative placement or the continued relative placement. A copy of the home study shall be placed in the case file of the department.

However, provided the child meets eligibility requirements pursuant to 65A-4.201-4.216, F.A.C., a T.A.N.F. child-only grant shall be available during the interim period until the child is adjudicated dependent and placed in the legal custody of the relative pursuant to 39.508(9)(a)3. or 4., F.S. At that time, the assistance eligibility shall be transferred to the Relative Caregiver Program. The relative must be informed of this option. If the review demonstrates that the payment should be lowered, the relative caregiver shall be notified of his or her right to a fair hearing. “Changed circumstances” shall be defined to include the following:

(a) The child begins receiving supplemental security income.

(b) The child begins receiving unearned income such as social security benefits or court-ordered child support.

(c) The child is no longer living in the home with the relative caregiver.

(d) The child's age category changes.

In the case of adoption by the relative, an adoption subsidy equal to but not exceeding the foster care board rate shall be available. A long-term custody order or guardianship appointment subsequent to an adjudication of dependency and placement with the relative shall not affect continuing eligibility for the Relative Caregiver Program benefit.

In both types of placements, the relative caregiver shall be invited to contribute to the development and implementation of a case plan, and shall be considered a participant entitled to notice and opportunity to contribute at 6-month judicial reviews unless or until the court excuses participation.

(2) Prior to recommending to the court a non-emergency placement with a relative, the department shall conduct a home study pursuant to the requirements of 39.508(3)(a), F.S. The home study shall provide the basis for the placement recommendation as well as future work with the relative and the removal family, and must be included as part of the predisposition study filed with the court.

(4) Unless modified by the court, the placement shall continue until the child reaches age 18, leaves the home, or is adopted, whichever occurs sooner.

(2) Subsequent to adjudication and disposition pursuant to subsection 39.508(9)(a)3. or 4., F.S., the department shall consider making a recommendation to the court for guardianship, or for long-term custody to the relative provided that the conditions under subsection 39.508(9)(a)5.a., F.S. are met. Eligibility for Relative Caregiver Program benefits shall not be affected so long as the child has previously been adjudicated dependent and placed in the custody of the relative pursuant to subsection 39.508(9)(a)3. or 4., F.S.

65C-17.004      Criteria  
65C-17.005      Fee Waiver and Change in Allowance Procedures

**NOTICE OF CHANGE**

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 24, No. 48, November 25, 1998, issue of the Florida Administrative Weekly:

65C-17.002 Definitions.

For purposes of this rule, the following definitions contained within the Master Trust Declaration shall apply:

(3) “Current needs” of a client beneficiary means:

(a) The cost of providing the particular residential services being utilized by the client, as determined by the department in accordance with the procedures established in Chapter ~~65-6~~ **65G**, Florida Administrative Code (F.A.C.);

(5) "Fee waiver" means a reduction or deferment of assessed fees pursuant to the procedures established in this chapter and in Rule ~~65-6.022~~ ~~65C-6.022~~, F.A.C. Any child who is in the custody, care and control of the department in foster care pursuant to Chapter 39, F.S., is eligible to apply for a fee waiver.

(9) "Personal Allowance" means an amount (in addition to the \$11.00 monthly foster care allowance – See definition (6) above) set aside from a child's Social Security Administration Title II (SSA), Supplemental Security Income (SSI), Veterans' (VA) or other federal benefit payment for the child's personal needs before any amounts are applied to the cost of care. See ss. 402.33(3); Rule ~~65-6.018~~ ~~65C-6.018~~, F.A.C. For children in foster care receiving a federal benefit payment, the amount set aside shall be no less than \$15.00 per month. The child is eligible to apply for a change in the monthly allowance through the fee waiver review process. The personal allowance, as well as any other portion of the benefit payment not deducted for cost of care, shall be placed in the child's current needs trust account and shall be available to the child at all times. Pursuant to s. 402.17, F.S., the department is authorized to transfer funds to an account for the long-term and other needs of the child if the amount in the current needs account accumulates to the extent that it endangers the child's eligibility for benefits (the eligibility limit is \$2,000). The personal allowance shall be used to obtain clothing, recreational needs or activities, therapeutic equipment, transportation, and other personal and comfort items for the child. If a child has other special needs which cannot be provided by the department, another local, state or federal source, or from the child's family members or other responsible party, the fee waiver process established in 65C-17.005 shall be used to document the necessity of providing the essential item to the child.

65C-17.004 Criteria.

Any determination as to whether funds should be transferred to a different subaccount for the client, or whether, subject to availability of funding, a fee waiver or change in allowance should be granted shall be made by utilizing the following criteria to balance current and long-term needs of Family Safety and Preservation program Master Trust client beneficiaries:

(1) Expressed preferences of the client previously made known to the caseworker and, ~~when possible~~, documented in a PASS, PASS-ND, Independent Living or other case plan. The department caseworker shall work with each client who is completing a PASS or PASS-ND plan.

65C-17.005 Fee Waiver and Change in Allowance Procedures.

(1) Notice regarding the client's ability to request a fee waiver or a change in the foster care or personal allowance shall be provided in DCF Form 285D, October, 1997, which is incorporated by reference herein (form is available at the

central program office, 1317 Winewood Blvd., Building 7, Tallahassee, Florida 32399-0700), at the time of each judicial review to the child, the child's guardian ad litem (if appointed), the child's attorney (if appointed), the child's parents (unless parental rights have been terminated), the child's foster parents, and the child's department caseworker. A copy of the notice shall also be filed with the court.

(2) Requests for fee waiver or a change in the foster care or personal allowance shall be directed to the district fee waiver review committee, utilizing CF Form 285, November, 1997, which is incorporated by reference herein (form is available at the central program office, 1317 Winewood Blvd., Building 7, Tallahassee, Florida 32399-0700). The request must be case specific and individualized. The person making the fee waiver or change in foster care or personal allowance request shall attach receipts, bills, certified statements or other documentation necessary to substantiate the request.

(4) The fee waiver review shall be conducted in accordance with the guidelines in Rule 65C-17.004. The chairman of the fee waiver committee shall be responsible for audiotaping the proceeding and ensuring that the client's fiscal file or other location designated by the district. ## Section V Petitions and Dispositions Regarding Rule Variance or Waiver

### DEPARTMENT OF STATE

NOTICE IS HEREBY GIVEN that the Department of State has taken action on a Petition for Variance received from Florida International University, The Art Museum, on December 15, 1998. Notice of receipt of the petition was published on January 9, 1999 in the Florida Administrative Weekly, Vol. 25, No. 1. No public comment was received. Petitioner sought a variance from the provision contained in the 1999-2000 Cultural Institutions Program Guidelines requiring museums to submit evidence of final accreditation from the American Association of Museums by December 31, 1998. The guidelines are incorporated by reference into Rule 1T-1.001, F.A.C., by Rule 1T-1.001(4)(f), F.A.C. On February 9th, 1999, the Department granted a variance of the deadline with conditions. No appeal of the order was taken. The Department found that due to circumstances beyond Petitioner's control, the Petitioner's museum accreditation application was not able to be considered by the AAM by the Department's December 31, 1998 deadline. The Petitioner is scheduled to be considered for final accreditation by the AAM prior to the beginning of the 1999-2000 grant cycle. Based on principles of fairness, the Department granted a variance from the deadline. The variance contains conditions.

A copy of the final order may be obtained from: Vivian Smith, Agency Clerk, Department of State, LL-10, The Capitol, Tallahassee, FL 32399-0250, telephone (850)414-5536.

NOTICE IS HEREBY GIVEN that the Department of State has taken action on a Petition for Emergency Waiver or Variance received from Florida International University, The Wolfsonian, on January 11, 1999. Notice of receipt of the petition was published on January 22, 1999 in the Florida Administrative Weekly, Vol. 25, No. 3. No public comment was received. Petitioner requested an emergency waiver or variance of two deadlines contained in the 1999-2000 Cultural Institutions Program Guidelines. Petitioner sought a variance or waiver of the provision requiring applications to be submitted to the Department by September 1, 1998, and the provision requiring museums to submit evidence of final accreditation from the American Association of Museums by

December 31, 1998. The guidelines are incorporated by reference into Rule 1T-1.001, F.A.C., by Rule 1T-1.001(4)(f), F.A.C. On February 9th, 1999, the Department granted a variance of the two deadlines. The variances contain conditions. No appeal of the order was taken. The Department found that The Wolfsonian was proceeding expeditiously with the accreditation process prior to and after the merger with Florida International University, and that the merger caused the delay in the Petitioner being able to receive accreditation by the AAM by the Department's deadline. The Petitioner is scheduled to be considered for final accreditation by the AAM prior to the beginning of the 1999-2000 grant cycle. The Department also found that the Petitioner was not informed of the provisions of Section 120.542, Florida Statutes. Based on principles of fairness, the Department granted variances of the two deadlines with conditions.

A copy of the final order may be obtained from: Vivian Smith, Agency Clerk, Department of State, LL-10, The Capitol, Tallahassee, FL 32399-0250, telephone (850)414-5536.

DATE AND TIME: March 15, 1999, 10:00 a.m.

PLACE: 1317 Winewood Boulevard, Building 3, Room 414, Tallahassee, Florida 32399-0700

PURPOSE: To provide for discussion of the department's intent to further amend administrative rule 65A-1.5061, FAC, concerning temporary cash assistance eligibility requirements for teens.

This rule was previously scheduled for hearing on December 21, 1998 by notice of proposed rulemaking in the Florida Administrative Weekly, Vol. 24, No. 48, November 25, 1998. In the notice of proposed rulemaking, the proposed rule text provides for deeming of parents' income to a teen parent and the teen parent's child(ren) if the teen parent is under age 18 or is 18 years of age and a full-time student. This statement is based upon the definition of a minor for temporary cash assistance eligibility purposes.

The proposed rule amendment deleted the definition of a minor. The department proposes: to retain and amend the definition of a minor; to define when a teen is an adult; and, to clarify use of the terms unwed minor parent and teen parent. Additionally, because the definition of a minor is retained, the department intends to amend the rule title and the statement concerning parent-to-child deeming of income.

In regard to school attendance, the department intends to provide for a ten-day pending period for the teen parent who is not in school, but who expresses an interest in school, to provide verification of registration and attendance.

These interrelated items are the only ones proposed for discussion in this public hearing. As a result, no itemized agenda will be prepared.

Any person desiring more information about this hearing or special accommodations under the Americans with Disabilities Act should contact: Audrey Mitchell, Program Administrator, Economic Self-Sufficiency Program, Building 3, Room 412D, 1317 Winewood Boulevard, Tallahassee, Florida 32300-0700 or telephone (850)488-3090.
