Americans With Disability Act of 1991. If special accommodations are needed in order to attend the Pre-bid or Bid opening, contact Emily J. Hamby, (352)392-1331, Ext. 303, within three (3) days of the event.

NOTICE TO CONSTRUCTION MANAGERS

The University of Florida on and behalf of the Board of Regents, a public corporation of the State of Florida, announces that construction management services will be required for the project listed below:

Project No.: BR-180, Project and Location: WUFT TV/FM Weimer Hall Addition. The project consists of 13,790 GSF addition to the Weimer Hall to include new television and radio broadcast spaces with advanced broadcasting and recording technology. The estimated construction cost is \$2,150,000.00.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, ensuring the inclusion of Minority Business Enterprises (MBEs). Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract. Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, staff and consultants; and ability to meet the minority business enterprise participation requirements. Finalists will be provided with a copy of the building program and the latest documentation prepared by the project architect/engineer, a description of the final interview requirements and a copy of the standard State University System's construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.
