NOTICE TO CONSTRUCTION MANAGERS

The Florida State University announces that Construction Management Services will be required for the project listed below:

Project and Location:

Project No.: BR-244

Project: Business School Hospitality Program Improvements

Location: Pottsdamer Road, Florida State University, Tallahassee, Florida

This project consists of the construction of a new 25,113 gsf clubhouse facility and improvements to an existing golf course with related practice area to be utilized for the operation of the Seminole Golf Course and Club. The facility will provide interdependent space in a unique collaborative effort to serve the needs of three separate departments: the Professional Golf Management program, in the College of Business, Department of Hospitality Administration; the Department of Business Services, which oversees the operation of the golf course and club through an independent contractor; and the Department of Intercollegiate Athletics, which uses the facilities for the men's and women's golf teams.

The project construction budget is \$3,361,815.

The contract for construction management will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses,
