NOTICE TO PROFESSIONAL CONSULTANTS
The University of Central Florida announces that Professional Services in the discipline of architecture will be required for the project listed below:
Project No. BR-445
Project and Location: Center for Public Safety, Forensic Science and Security, University of Central Florida, Orlando, Florida 32816-3020.
The project consists of the design and construction of a new facility that contains approximately 2,300 sq. ft. of classrooms, 4,780 sq. ft. of teaching labs, 24,965 sq. ft. of research labs, 1,200 sq. ft. study/library, 11,060 sq. ft. of office/computers, and 900 sq. ft. of support services.
The new building will provide "state of the art" technology for simulation and professional training. Also included will be forensic labs and storage of hazardous materials. In keeping with local structures, the use of tilt wall construction is preferred for speed and feasibility of construction.
This facility will be located near the current Navy Simulation facility in the Central Florida Research Park. The user groups are made up of a partnership between: The University's Center for Public Safety, National Center for Forensic Science and the U.S. Navy. The construction cost will be approximately \$7,612,260.
This facility will be in the planning phase in the year 1999.
The selected firm will provide design, construction documents, and construction administration for the referenced project.

INSTRUCTIONS
Firms desiring to apply for consideration must submit a letter of application.
The letter of application should have attached:
1. The most recent version of the Board of Regents "Professional Qualifications Supplement" dated 2/99, completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to
