NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that Professional Services in the discipline of architecture will be required for the project listed below:

PROJECT NO.: BR-237

PROJECT: Communications Lab

LOCATION: Florida State University, Tallahassee, Florida

This project consists of the construction of a new facility that will replace the majority of the existing Moore Athletic Center. The new facility will provide approximately 109,000 net assignable square feet of new space for the College of Communications, the College of Human Sciences, general academic use and the Athletic Department. This project will also remodel approximately 46,585 net assignable square feet of existing space. Most of this existing space to be retained is located in the relatively new Daisy Flory addition adjacent to the north end zone seating; and in the newly remodeled football locker rooms. The selected firm will be retained in two phases. In the first phase, the firm will be required to provide advanced programming services to finalize program and budget requirements. In the second phase, the firm will be required to provide design, construction documents and construction administration for the referenced project.

The project is budgeted at \$20,333,900 for construction. The project delivery system will be construction management. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000 and will be provided as a part of basic services.

INSTRUCTIONS

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Board of Regents "Professional Qualifications Supplement," dated either 02/99 or 09/99. Applications on any other form or on versions dated prior to 2/99, will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit six (6) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information and selection criteria may be obtained through our website, [www.vpfa.fsu.edu/fpc](http://www.vpfa.fsu.edu/fpc), or by contacting:
