

Also, the Board determined that the Petition is frivolous and it is inappropriate for the Board to issue a Declaratory Statement when what Petitioner desires is a reinterpretation of the plain wording of Section 484.006(3), Florida Statutes, to mean something it has never meant.

A copy of the Petition and the Board's Final Order may be obtained by contacting: Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

DEPARTMENT OF EDUCATION

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees, announces that construction management services will be required for the project listed below:

Project No.: UF-215

Project: CREC Citrus Pathology Laboratory

Location: Lake Alfred, FL.

The project consists of the construction of a 2-story 7840 square foot laboratory/office facility that will be an addition to existing building #7124. The estimated construction cost is \$1,850,022.00.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 60% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract. Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; and qualification of the firm's personnel, staff and consultants. Finalists will be provided with a copy of the building program and the latest documentation prepared by the project architect/engineer, a description of the final interview requirements and a copy of the standard University of Florida construction management agreement. The Selection Committee may reject all proposals and stop the
