NOTICE TO CONSTRUCTION MANAGERS

The University of Florida Board of Trustees, announces that construction management services will be required for the project listed below:

Project No.: UAA-19

Project Name and Location: Golf Course Club House Renovation and Expansion, Gainesville, Florida

The project consists of renovating about 2400 square foot of the existing Club House, upper and lower floors including expansion of the entrance and utilizing the available open patio space for offices and creating lounge for male and female teams. Also, add about 7200 new square foot where the lower level will be used for golf cart storage, cleaning and repair. The upper level will be used as a terrace for gathering and holding events before and after the games. The terrace will include restrooms and concessions. The need for the project is to utilize the space, create individual offices for male and female assistant coaches, and create a lounge area for the players to gather.

Estimated construction budget is about \$1.8M.

The contract for construction management services will consist of two phases. Phase I is pre-construction services, for which the construction manager will be paid a fixed fee. Phase I services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, phase II, the construction phase, will be implemented. In phase II of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase I of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract. Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; and qualification of the firm's personnel, staff and consultants. Finalists will be provided with a copy of the building program and the latest documentation prepared by the project architect/engineer, a description of the final interview requirements and a copy of the standard University of Florida construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed project specific "Construction Manager Qualifications Supplement" available from the website: www.facilities.ufl.edu. Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be

considered. No submittal material will be returned. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. The Construction Manager Qualifications Supplement forms, the Construction Manager Project Fact Sheet and instructions for registering as an applicant can be found on the Facilities Planning & Construction website.

Eight (8) bound copies of the required proposal must be received in the Facilities Planning & Construction Division office by 3:00 p.m., local time, on Friday, June 23, 2006. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

The University of South Florida announces that continuing professional services are required for the following discipline: Mechanical, Electrical and Plumbing Engineer (1) (Tampa Campus with ability to include other campuses as required). Projects included in the scope of this agreement will be specific projects for renovations, alterations, new construction and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. Continuing Service contracts for these projects provide that the consultant will be available on an as-needed basis for an initial period of one (1) year with an Owner's option to renew for one (1) additional year at a time up to a total of two (2) additional years. This selection is based upon Mechanical, Electrical and Plumbing Engineering services only. Other services (including architectural, structural, etc.) required for specific projects shall be provided as part of basic services through the selected MEP engineer(s) based upon project need. Use of USF continuing service consultants by the selected MEP engineer(s) shall be encouraged. The consultant receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing

service professionals under contract during the same time period. Blanket professional liability insurance shall be required for the contract. Services required to be provided under the Continuing Service Contracts include the development of record drawings by the Continuing Service Consultant for projects designed by that consultant to reflect as-built conditions to facilitate the University's space management program. The plans and specifications for University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

INSTRUCTIONS:

Firms desiring to provide professional services shall submit one original submittal and six (6) copies consisting of a letter of interest and a completed "USF Professional Qualifications Supplement for Mechanical, Electrical and Plumbing Engineer" form dated May 2006 and any required or additional information within the proposal limits as described in the PQS General Instructions. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida. Submittals must not exceed 40 pages, including the "USF Professional Qualifications Supplement" and letter of interest. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data may not be considered. No submittal material will be returned. Submittals become part of the public record.

Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability, design ability, past performance, workload, volume of USF work (including USF Foundation), and location. As part of the University of South Florida's strategic plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. The "USF Professional Qualification Supplement for Mechanical, Electrical and Plumbing Engineer" form dated

May 2006 and "Project Fact Sheet", which includes project information, may be obtained by contacting: Kathy Bennett, Contracts Administrator, Facilities Planning and Construction, University of South Florida, FPC110, 4202 East Fowler Avenue, Tampa, Florida 33620-7550, e-mail kbennett@admin.usf.edu, (813)974-3098, (813)974-2625, Fax (813)974-3542. All Interested firms are invited and encouraged to attend a Pre-Submittal Meeting to be held at 2:00 p.m., Eastern Time, on Friday, June 16, 2006, at the University of South Florida, Tampa Campus, Facilities Planning and Construction, Conference Room FPC109, 4202 East Fowler Avenue, Tampa, Florida, to review the scope and requirements of this project. Requests for meetings by individual firms will not be granted. It shall be noted that no communication shall take place between the applicants and the employees of the University of South Florida, except as provided at the Pre-Submittal Meeting, the Pre-Interview Meeting and the request for information, the PQS and Fact Sheet. Requests for any project information must be in writing to the above address. One (1) original and six (6) bound copies of the above required proposal data shall be submitted to: Joseph P. D'Azzo, Assistant Director and Division Head, Facilities Planning and Construction, University of South Florida, 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550. Applications that do not comply with the above instructions may be disqualified. Application material will not be returned. Submittals must be received at the above campus address (4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550), to the attention of Joseph P. D'Azzo, Assistant Director and Division Head, by 2:00 p.m. Eastern Time, on Tuesday, June 27, 2006. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered. The Selection Committee reserves the right to waive any irregularities and may reject all proposals and stop the selection process at any time.

FLORIDA COALITION FOR CHILDREN

Request for Information

UPDATE: The Florida Coalition for Children has extended their decision making process on the previously advertised RFI due to anticipated agency feedback. Interested parties are encouraged to submit a proposal until June 9, 2006. The purpose of this request for information is to determine what options are available to the Florida Coalition for Children to develop a comprehensive risk management program for its members. Our membership includes Community Based Care Lead Agencies and Service Providers in Florida’s child welfare system. The Coalition is seeking a working partnership with an insurance entity to help the Coalition manage the risk issues and establish a viable self-insurance program. The Coalition is willing to entertain many different approaches to the development of the risk management program.

NEW EXTENDED DEADLINE: Friday, June 9, 2006.

For a copy of the RFI please visit our website at www.FloridaCoalitionforChildren.com, write us at 864 E. Park Avenue, Tallahassee, Florida 32301, email mike@floridacoalitionforchildren.com or call (850)561-1102.

DEPARTMENT OF COMMUNITY AFFAIRS

NOTICE OF PUBLIC HEARING
 COMMUNITY DEVELOPMENT BLOCK GRANT
 DISASTER RELIEF FUNDING

The Department of Community Affairs (DCA) announces the opening of a public comment period and the publication of the proposed 2005 Disaster Recovery Initiative Action Plan related to funds provided by the US Department of Housing and Urban Development through Docket No. FR-5051-N-0, Federal Register / Vol. 71, No. 29; Department of Defense Appropriations Act, 2006.

PURPOSE: To receive comments on the Action Plan for supplemental Community Development Block Grant disaster relief funding made available to the State of Florida by the US Department of Housing and Urban Development (HUD), Docket No. FR-5051-N-0, Federal Register / Vol. 71, No. 29; Department of Defense Appropriations Act, 2006.

PLAN SUMMARY: Congress allocated the funding for the purpose of assisting in the recovery from the federally declared disasters related to Hurricanes Katrina, Wilma and Rita as described in the disaster declarations mentioned in the Federal Register. Funds are for “disaster relief, long-term recovery and restoration of infrastructure in the most impacted and distressed areas related to the consequences of the hurricanes in the Gulf of Mexico in 2005” as stated in the federal notice. Cities and counties, entitlement and non-entitlement, as well as federally recognized Indian Tribes, are eligible to apply for assistance. Applicants must document and certify that there is no other funding available to address the need. The State of Florida is required to submit an Action Plan to the U.S. Department of Housing and Urban Development (HUD) in order to receive this supplemental funding. The Action Plan must contain specific elements outlined in federal regulations, including the method by which the funding will be allocated. The purpose of this notice is to receive comments on the proposed plan. Comments will be accepted from the date that the Action Plan is posted to the website until June 12, 2006.

ACTION TO BE TAKEN: A copy of the draft Action Plan will be posted to the following website: <http://www.floridacommunitydevelopment.org/disasterrecovery.cfm>

Written comments are encouraged. They may be mailed to the address listed below, and must be received no later than 5:00 p.m. on June 12, 2006.
