DEPARTMENT OF CHILDREN AND FAMILY SERVICES

NOTICE IS HEREBY GIVEN that the Department of Children and Family Services received on August 18, 2006, a Petition for Declaratory Statement pursuant to Section 120.565, Florida Statutes, requesting the Department opine as to the application of Section 397.311(18), Florida Statutes, and Rule 65D-30.0061, Florida Administrative Code, to the operation of the petitioner, a licensed substance abuse treatment provider.

A copy of the Petition may be obtained by writing: Office of the Agency Clerk, Department of Children and Family Services, 1317 Winewood Blvd., Bldg. 2, Room 204, Tallahassee, FL 32399-0700.

DEPARTMENT OF FINANCIAL SERVICES

NOTICE IS HEREBY GIVEN THAT Division of State Fire Marshal has received the petition for declaratory statement from Stephen M. Hodges, Petitioner, filed August 2, 2006. The petition seeks the agency’s opinion as to the applicability of paragraph 69A-58.008(1)(a), F.A.C., as it applies to the petitioner.

The Petition requests an interpretation of paragraph 69A-58.008(1)(a), Florida Administrative Code, and specifically asks the Division of State Fire Marshal: 1. Is it the intent of this rule to preclude pre-kindergarten through first grade students from using media centers that are located on the second floor? 2. Is the local authority having jurisdiction (Fire Department) allowed to require correction of deficiencies utilizing the local code enforcement board? 3. May the local authority having jurisdiction (Fire Department) require financial compensation for state mandated inspections of the local school board?

A copy of the Petition for Declaratory Statement may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, (850)413-3604, or (850)413-4238, Fax (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to Lesley.Mendelson@fldfs.com

2. A copy of the firm's current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. The most recent version of the Florida Board of Education "Revised Construction Manager Qualifications Supplement" (CMQS) dated 02/02. Do not alter the CMQS form.

Applications that do not comply with all instructions may be disqualified. Application materials will not be returned.

Selection of finalist for interviews will be made on the basis of architect/engineer and construction manager qualifications separately, including experience and ability; past experience; bonding capacity; cost estimating; qualification of the firm's personnel, staff and consultants; and ability to include minority business enterprise participation. Finalists will be provided with a description of the final interview topics. The Selection Committee may reject all proposals and stop the selection process at any time.

The plans and specifications for Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Carefully review the Architect/Engineer, Construction Management Contract and General Condition's documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement.

INSTRUCTIONS FOR CONSTRUCTION MANAGERS

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of

\$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

CONSTRUCTION MANAGEMENT CONTRACT

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be compensated. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Documents. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

Project Fact Sheet contains the selection criteria which is the primary basis for determining the shortlist. The Project Fact Sheet, Professional Qualifications Supplement forms, Construction Manager Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting: Ms. Gina Seabrook, University of Central Florida, (407)823-2166, Fax (407)823-5141, Email: gseabroo@mail.ucf.edu, Web site: www.fp.ucf.edu

NOTICE TO PROFESSIONAL CONSULTANTS

Florida Gulf Coast University Board of Trustees, announces that Professional Services in the discipline of engineering will be required for the project listed below:

Project No. BR-1055

Project and Location: Central Energy Plant for South Student Housing
Fort Myers, Florida

Description of Project

This new Central Energy Plant will be utilized to provide chilled water for the new residence halls and related buildings to be built at the south area of the FGCU campus. The initial phase of construction will include two (2) 750 ton water cooled chillers which will serve residence halls for approximately 500 students and a central dining facility. Eventually, this area of the campus will be built out in future phases to accommodate housing for approximately 3,000 students.

The selected engineering firm will provide master planning, conceptual design, construction documents, and construction administration services for the referenced project. The estimated cost of the first phase of construction for the CEP is approximately \$3,000,000. The anticipated date for the completion of the first phase of the south housing is August, 2008.

The project will be contracted through the construction management method.

Instructions:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached the following:

1. A completed Board of Regents "Professional Qualifications Supplement," dated September 1999. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications, which do not comply with the above instructions, may be disqualified. Application materials will not be returned. The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontract, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

REGIONAL PLANNING COUNCILS

**** FIRST NOTICE ****

REQUEST FOR PROJECT PROPOSALS

RESEARCH AND RESTORATION PARTNERS GRANT PROGRAM, FISCAL YEAR 2007, CHARLOTTE HARBOR NATIONAL ESTUARY PROGRAM

"Research and Restoration Partners Grant" project proposals must be received by the Charlotte Harbor National Estuary Program, 1926 Victoria Avenue, Fort Myers, Florida 33901, by 5:00 p.m. (local time), Friday, October 27, 2006. "Research and Restoration Partners Grant" project proposals are required to demonstrate a minimum of 50% matching funds from the applicant. The Charlotte Harbor National Estuary Program reserves the right to reject any or all proposals.

OBJECTIVE: The Charlotte Harbor National Estuary Program is considering innovative research and restoration project proposals for fiscal year 2007 (October 1, 2006 – September 30, 2007). Projects must have long-term applicability, transferability and serve as models for addressing NEP priority actions, such as water quality, hydrologic and habitat restoration. The following are examples of projects that the program will consider:

- Restoration of the hydrologic and natural habitat conditions of the study area by such methods as the backfilling of ditches, removal of spoil piles, exotic species removal, planting of native vegetation, mangrove restoration, etc.;
- Reduce contaminants from marina and dock operations;
- Reduce non-point source pollutants associated with storm-water runoff; and
- Identify and map oyster bars to improve fish/ shellfish resource protection.

Projects must advance program objectives and address program priority problems as described in the proposal instructions. All restoration projects must develop and implement a post restoration management plan. All data collection efforts may have to obtain a federally-approved Quality Assurance Project Plan.

INVITATION TO PROPOSE: The program hereby solicits proposals for "Research and Restoration Partners Grant" projects. These grants are for proposal requests for the management conference's guideline of \$20,000 per financially supporting partner. "Research and Restoration Partners Grant" project proposals are required to demonstrate a minimum of 50% in-kind or cash match from the applicant. Any organization or individual can submit a proposal. You or your organization may submit more than one preliminary proposal, but each proposal must be submitted separately and must follow the proposal instructions and requirements. The project

must be located within the program's study area. The program strongly recommends applicants to attend a "Question-and-Answer" session on December 8, 2006.

REQUESTS FOR INFORMATION AND INSTRUCTION: All requests for information, instructions, and applications for submitting an application must be directed to: Ms. Catherine Corbett, (239)338-2556, ext 241, email: ccorbett@swfrpc.org

HOW TO APPLY: The document "Requests for Research and Restoration Partners Proposals" may be obtained by contacting: Ms. Catherine Corbett, Charlotte Harbor National Estuary Program, (239)338-2556, ext 241, email: ccorbett@swfrpc.org or from the program website at www.chnep.org. The Charlotte Harbor National Estuary Program will receive project proposals for "Research and Restoration Partners" grants until 5:00 p.m. (local time), Friday, October 27, 2006.

DEPARTMENT OF CORRECTIONS

NOTICE TO PROFESSIONAL CONSULTANTS FOR PROFESSIONAL ENGINEERING SERVICES

The State of Florida, Department of Corrections, Bureau of Procurement and Supply, announces that Professional Services are required from Engineering firms for the project listed below. Applications from qualified firms are to be sent to the attention of: Julyn Hussey, Bureau of Procurement and Supply, Department of Corrections, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500, (850)410-4049.

INSTRUCTIONS

Any firm desiring to provide professional services for this project shall apply for consideration with a letter of application, indicating within the body of the letter, your firm's specific abilities respective to the particular project's requirements, office location(s) from which the firm will be doing the work and attach current copies of the following:

1. A copy of the Department of Corrections' current "Professional Qualifications Supplement" (PQS) (dated September 2004) with current data. The PQS is posted as a related document for printing on the Vendor Bid System under this solicitation at the following website address: http://fcn.state.fl.us/owa_vbs/owa/vbs_www.search.criteria_form.
2. A reproduction of the firm's current Florida State Board License with the appropriate board governing the discipline offered. If the firm is a corporation, it must be properly chartered with the Department of State to operate in Florida. Include a copy of the charter and current certification that all fees and filings are current.
3. Attach a current copy of the SF330 for the office(s) that will be performing the work. This form may be found at the following website address: <http://www.gsa.gov>.
4. Evidence of professional liability insurance in the amount of at least \$1,000,000.

5. Describe scope of work to be assigned to any sub-consultant and include a SF330 for each sub-consultant.
6. Names, specific qualifications and professional memberships of person(s) to be assigned to this project and their respective roles (do not include resumes).
7. Names, addresses and phone numbers of at least five (5) other agencies for whom similar services have been performed within the last five (5) years and the date, project name, brief project description, firm's project manager and specific services provided in each case.
8. If desired by the firm, additional examples of similar projects completed by persons to be assigned to this project, references (none from current or former Department of Corrections personnel) and any other supporting information.

Submit one original letter of interest and four (4) copies of the required data. The required data shall be submitted in the order listed above. Faxed copies will not be accepted. Applications that do not comply with the instructions set forth above may be considered improper and be disqualified. The plans and specifications developed by the firm awarded this project are subject to reuse in accordance with the requirements of Section 287.055, Florida Statutes, ("Consultants' Competitive Negotiation Act").

The awarded firm shall not knowingly engage in this project, on a full time, part time or other basis during the period of this Contract, any current or former employee of the Department where such employment conflicts with Section 112.3185, Florida Statutes.

Respondents will be ranked by a Competitive Selection Committee based on the information received in response to this Request For Qualifications (RFQ). Interviews of all ranked respondents may or may not be required, at the direction of the Committee. Under the authority delegated to the Secretary of the Department of Corrections by Florida Statute 287.055, sitting as the head of the Department of Corrections, Professional Services Contracts will be awarded to one firm following the recommendations of the Competitive Selection Committee and in accord with the statutory negotiation procedures. All firms responding to this RFQ will be notified by a single posting, after approval by the Secretary, through the following website address: http://fcn.state.fl.us/owa_vbs/owa/vbs_www.search.criteria_form. It is the firm's responsibility to check the website for updated information.

Response Date: October 2, 2006, by 4:00 p.m. Eastern Daylight Time (EDT).

Late submittals will not be opened or considered.
