STATEWIDE COMPETITIVE GRANTS TO STRUCTURALLY ENHANCE OR RETROFIT PUBLIC HURRICANE EVACUATION SHELTERS, 2006

The Division of Emergency Management gives notice of its intent to open a competitive grant application process to structurally enhance or retrofit public hurricane evacuation shelters.

In House Bill (HB) 7121, the 2006 Legislature found that retrofitting public hurricane evacuation shelters is an efficient and economical method of accelerating state and local efforts to reduce the deficit of safe shelter space. The enacted legislation directs the Division of Emergency Management (DEM) to establish a statewide competitive grant application process for proposals to enhance or retrofit public hurricane evacuation shelters, such that those shelters will meet minimum safety criteria upon completion of the projects. Therefore, DEM is soliciting applications on a competitive basis to enhance or retrofit public hurricane evacuation shelters. The application may contain one or more independent proposals.

All applications must include a written recommendation from the county emergency management agency that states that upon completion of the proposed enhancement or retrofit project, that the shelter will be designated as a public hurricane evacuation shelter. The Applicant must also state in writing that, for a period of not less than 15 years, upon request of local or state emergency management agencies during a declared state or local emergency, the completed shelter will be made available for emergency management purposes.

Eligible Applicants include state, regional and local government agencies, and private non-profit organizations. The total amount of funding available under this offering is \$15 million for the purpose of improving structural survivability. DEM has been authorized to use up to five percent of the funds to administer awarded grants. The application cycle officially opens September 20, 2006, with an application deadline of October 25, 2006. Grant funds provided under this application process will be provided to

award recipients contingent on availability and approved Legislative Budget Authority. Projects that receive funding under this competitive grant process must be completed by June 30, 2009, unless the award is extended with the approval of DEM.

Applications in response to the Notice of Funding Availability published in Section XII, pp. 2568 and 2569 of Vol. 32, No. 22, June 2, 2006, F.A.W., and that were received by the application deadline, shall be considered in relation to this notice and do not need to be resubmitted.

Funding under this grant application process is subject to eligibility requirements of the federal Hazard Mitigation Grant Program (HMGP). HMGP funding is only applicable to costs associated with "above code" construction improvements that protect the hurricane shelter building, occupants and contents from natural hazards and their effects. Prior to award of HMGP funds, the Applicant is required to submit an HMGP application and be determined to meet all eligibility criteria, including demonstrated cost-effectiveness. However, completion of the HMGP-specific application is not necessary to meet the October 25, 2006 project proposal submission deadline. Only the "Statewide Competitive Grants to Structurally Enhance or Retrofit Public Hurricane Evacuation Shelters Application" found at www.floridadisaster.org must be completed and received by the October 25, 2006 deadline. Projects offered funding under this NOFA will be required to submit an HMGP application prior to the award of funds. Failure to submit the required application, or failure to meet HMGP eligibility criteria, shall result in denial of funds. The Applicant is encouraged to provide as much information as available with their initial application. The HMGP application can be found at the following URL address: http://www.floridadisaster.org/brm/hmgrp_proc_forms.htm

At a minimum, all projects that receive grant funds under this application process must meet the structural and siting criteria established in the American Red Cross' publication "Standards for Hurricane Evacuation Shelter Selection" (ARC 4496, January 2002). Failure to supply the required documentation, or disapproval of this documentation by DEM, shall result in denial of funds. To enhance survivability, DEM recommends hurricane performance criteria that exceed ARC 4496. DEM encourages enhancement or retrofit proposals that specify that the shelter will meet or exceed design criteria established in the Florida Building Code-Building (FBC) Section 423.25 "Public Shelter Design Criteria," including the recommended 40 mile-per-hour increase in map wind speed, plus ASTM E 1996-02 Level E windborne debris impact protection, or similar design criteria approved by DEM.

Criteria for prioritizing and recommending the funding for enhancement or retrofitting of public hurricane evacuation shelters will include, but is not limited to, shelter needs of the county as well as the overall needs of the hurricane evacuation

planning region, cost-effectiveness of the project in terms of both the number of public hurricane shelter spaces created and cost per space, and priority ranking of the proposed project in the applicable local mitigation strategy. Statewide, regional and county hurricane shelter space demand and surplus/deficit status will be based upon data published in the DEM "2006 Statewide Emergency Shelter Plan." In reviewing proposals, DEM will consider all state and local funds already committed for the project which have not been expended, and that will decrease the project's fiscal need once expended.

Eligible activities include structural renovation, enhancement or retrofit of the shelter facility and essential infrastructure needed to meet the structural and siting survivability requirements. Funding may not include land acquisition, purchase of equipment, furnishings, communications and other operational systems, emergency electric power generators or prewiring systems, or recurring expenditures.

Application and attachments are not to exceed 8½ x 11 page size, and attachments are to be limited to a maximum of 15 pages. The cover page of the application must contain an original authorized signature by the chief elected official or the chairman of the governing board, or duly authorized chief executive officer or other government official. The signature demonstrates endorsement of the application and commitment of funds, if applicable. Evidence of the delegation of authority shall be supplied with the application. If the government entity does not have a governing board or chief elected official, then the application shall be signed by the chief administrative officer, and evidence of his or her authority supplied with the application. If the Applicant is not a governmental entity, then the application shall be signed by the governing board, or if no governing board, then the application shall be signed by the chief executive officer.

In order to be considered for funding, one (1) original plus four (4) identical hard copies of the completed applications with attachments must be received by 4:00 p.m. local time, October 25, 2006 at the following address:

DCA Final Order No.: DCA06-OR-227
 STATE OF FLORIDA
 DEPARTMENT OF COMMUNITY AFFAIRS
 In re: LAND DEVELOPMENT REGULATIONS
 ADOPTED BY CITY OF KEY WEST
 ORDINANCE NO. 06-14

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6) and (11), Fla. Stat., (2005), approving a land development regulation adopted by a local government within the City of Key West Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The City of Key West is a designated area of critical state concern.
2. On August 7, 2006 the Department received for review City of Key West Ordinance No. 06-14, which was adopted by the City of Key West City Commission on August 2, 2006 ("Ord. 06-14"). Ord. 06-14 amends certain sections of Chapter 90 of the Code of Ordinances pertaining to the Historic Architectural Review Commission ("HARC") and provides clarification relating to procedures for the selection of HARC members, review by the special magistrate, contributing and noncontributing buildings or structures, expiration of a certificate of appropriateness, and demolitions.
3. Ord. 06-14 is consistent with §§ 163.31777 and 163.3175, Fla. Stat. (2005).
4. Ord. 06-14 is consistent with the City's Comprehensive Plan.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern based upon consistency with the Principles for Guiding Development applicable to that area of critical state concern. §§ 380.05(6) and 380.05(11), Fla. Stat., (2005).
6. The City of Key West is an Area of Critical State Concern. § 380.05, Fla. Stat. (2005) and Rule 28-36.001, Fla. Admin. Code.

7. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2005). The regulations adopted by Ord. 06-14 are land development regulations.
8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for the particular area (the "Principles"). § 380.05(6), Fla. Stat.; see Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd., 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles for the City of Key West Area of Critical State Concern are set forth in subsection 28-36.003(1), Fla. Admin. Code.
9. Ord. 06-14 promotes and furthers the following Principles in subsection 28-36.003(1), Fla. Admin. Code:
 - (f) To enhance natural scenic resources, promote the aesthetic benefits of the natural environment, and ensure that development is compatible with the unique historic character of the Florida Keys.
 - (g) To protect the historic heritage of the Florida Keys.
10. Ord. 06-14 is not inconsistent with the remaining Principles. Ord. 06-14 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 06-14 is found to be consistent with the Principles for Guiding Development of the City of Key West Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

NOTICE OF FLORIDA COASTAL MANAGEMENT PROGRAM – ROUTINE PROGRAM CHANGE

On September 1, 2006, the State received concurrence from the Federal Office of Ocean and Coastal Resource Management (OCRM) that the proposed changes to the approved Florida Coastal Management Program (FCMP), as noted in the routine program change submission located at http://www.dep.state.fl.us/cmp/federal/fedconsv_05.htm constitute routine changes as defined by 15 CFR 923.84, implementing the Federal Coastal Zone Management Act (16 U.S.C. ss. 1451 et seq.). These routine program changes incorporate all changes enacted by the Florida Legislature in 2005 to the following statutes: Chapter 161, Florida Statutes (F.S.), Beach and Shore Preservation; Chapter 163, Part II, F.S., Growth Policy; County and Municipal Planning; Land Development Regulation; Chapter 186, F.S., State and Regional Planning; Chapter 252, F.S., Emergency Management; Chapter 253, F.S., State Lands; Chapter 258, F.S., State Parks and Preserves; Chapter 259, F.S., Land Acquisitions for Conservation or Recreation; Chapter 260, F.S., Recreational Trails System; Chapter 267, F.S., Historical Resources; Chapter 288, F.S., Commercial Development and Capital Improvements; Chapter 334, F.S., Transportation Administration; Chapter 339, F.S., Transportation Finance and Planning; Chapter 370, F.S., Saltwater Fisheries; Chapter 372, F.S., Wildlife; Chapter 373, F.S., Water Resources; Chapter 375, F.S., Multipurpose Outdoor Recreation; Land Acquisition, Management, and Conservation; Chapter 376, F.S., Pollutant Discharge Prevention and Removal; Chapter 377, F.S., Energy Resources; Chapter 380, F.S., Land and Water Management; Chapter 381, F.S., Public Health; General Provisions; Chapter 388, F.S., Mosquito Control; Chapter 403, F.S., Environmental Control; and Chapter 582, F.S., Soil and Water Conservation. Changes adopted by the Florida Legislature prior to 2005 are also included in the FCMP, with the exceptions specified in the routine program change submission located at http://www.dep.state.fl.us/cmp/federal/fedconsv_05.htm These incorporated changes do not result in any substantial change to the enforceable policies or authorities of the FCMP related to uses

subject to management, special management areas, boundaries, authorities and organization, or coordination, public involvement and national interest.

As of the date of this notice, these statutory changes are incorporated into the FCMP and federal consistency applies to these statutory changes, except as noted. This notice has been sent to affected parties, including affected local governments, state agencies, and regional offices of relevant federal agencies as required by 15 CFR 923.84(b)(4). A list of persons and organizations notified is available for inspection or can be provided upon request by the FCMP at (850)245-2161.

For more information on this Routine Program Change, please contact: Mr. Danny Clayton, Department of Environmental Protection, Florida Coastal Management Program, 3900 Commonwealth Boulevard, Tallahassee, FL 32399-3000, (850)245-2161.
